Rain Forest Picture Corgi S:

Places In The Primary School Patrick Wiegand,2012-10-12 Using a cross curricular approach Wiegand discusses the knowledge necessary for preparing children for life in a pluralist society Looking at theories of education for citizenship environment education and economic and industrial understanding it examines the evidence for what children know and feel about their own country other countries and people in distant places He offers practical suggestions for curriculum planning and classroom activities in the primary school and examines ways in which project work on different localities can be initiated and developed

Meeting the Standards in Primary Science Lynn D. Newton,2013-04-15 Meeting the Standards in Primary Science provides primary science subject knowledge the pedagogical knowledge needed to teach science in primary schools support activities for work in schools and self study information on professional development for primary teachers This practical comprehensive and accessible book should prove invaluable for students on primary initial teacher training courses PGCE students lecturers on science education programmes and newly qualified primary teachers

Primary School Geography (1994) Bill Marsden,Jo Hughes,2019-07-24 Published in 1994 this book is the result of the collaborative work undertaken at the Liverpool based Geography INSET Primary Project GIPP over three years It presents a series of chapters for primary teachers seeking to implement the Statutory Orders for Geography in the National Curriculum Steering a middle course between the sophistications of a theoretical methodological text and the over simplifications of a tips for teachers approach the authors highlight the positive opportunities offered by the National Curriculum At the same time they are critical of many aspects of the Statutory Orders without losing sight of their objective to help teachers to improve the quality of primary geography teaching The book is especially useful for INSET work for teachers who have already grappled with National Curriculum Geography and who will be adjusting to the post Dearing rearrangements
