**The Rainbird Pattern** Victor Canning, 1976      **The Rainbird Pattern** V. Canning, 1996      **Hitchcock at the Source**

R. Barton Palmer, David Boyd, 2011-09-01 The adaptation of literary works to the screen has been the subject of increasing and increasingly sophisticated critical and scholarly attention in recent years but most studies of the subject have continued to privilege literature over film by taking the literary sources as their starting point Rather than examining the processes by which a particular author has been adapted into a diversity of films by different filmmakers the contributors in Hitchcock at the Source consider the processes by which a varied range of literary sources have been transformed by one filmmaker into an impressive body of work Throughout his career Alfred Hitchcock transformed a variety of literary sources novels plays short stories into what is arguably the most coherent and distinctive narratively stylistically and thematically of all directorial oeuvres After an introduction surveying the nature and diversity of Hitchcock s sources and locating the current volume in the context of theoretical work on adaptation nineteen original essays range across the entirety of Hitchcock s career from the silent period through to the 1970s In addition to addressing the process of adaptation in particular films in terms of plot and character the contributors also consider less obvious matters of tone technique and ideology Hitchcock s manipulation of the conventions of literary and dramatic genres such as spy fiction and romantic comedy and more general problems such as Hitchcock s shift from plays to novels as his major sources in the course of the 1930s      **Alfred Hitchcock** Peter

Ackroyd, 2016-10-25 Alfred Hitchcock rigorously controlled his public image drawing certain carefully selected childhood anecdotes into full focus and blurring out all others In this gripping short biography Peter Ackroyd wrests the director s chair back from the master of control to reveal a lugubriously jolly man fond of practical jokes who smashed a once used tea cup every morning to remind himself of the frailty of life Iconic film stars make cameo appearances throughout Hitchcock s story just as the director did in his own films Grace Kelly Cary Grant James Stewart and perhaps most famously of all Tippi Hedren who endures cuts and bruises from a fearsome flock of real birds Perceptive and intelligent Alfred Hitchcock is a fascinating look at one of the most revered directors of the twentieth century      [The Death of Classical Cinema](#) Joe

McElhaney, 2012-02-01 The Death of Classical Cinema uncovers the extremely rich yet insufficiently explored dialogue between classical and modernist cinema examining the work of three classical filmmakers Alfred Hitchcock Fritz Lang and Vincente Minnelli and the films they made during the decline of the traditional Hollywood studio system Faced with the significant challenges posed by alternative art cinema and modernist filmmaking practices in the early 1960s these directors responded with films that were self conscious attempts at keeping pace with the developments in film modernism These films Lang s The Thousand Eyes of Dr Mabuse Hitchcock s Marnie and Minnelli s Two Weeks in Another Town were widely regarded as failures at the time and bolstered critics claims concerning the irrelevance of their directors in relation to contemporary filmmaking However author Joe McElhaney sheds new light on these films by situating them in relation to such

acclaimed modernist works of the period as Godard's *Contempt*, Fellini's *La dolce vita*, Antonioni's *Red Desert* and Resnais's *Last Year at Marienbad*. He finds that these modernist films rather than being diametrically opposed in form to the work of Hitchcock, Lang and Minnelli are in fact profoundly linked to them. *Enser's Filmed Books and Plays* Ellen Baskin, 2018-04-27 This title was first published in 2003. The sixth edition of this compendium of film and television adaptations of books and plays includes several thousand new listings that cover the period from 1992 to December 2001. Devonshire's Own John Van der Kiste, 2007-08-31 Eighth century martyr St Boniface, tennis player and TV presenter Sue Barker, painter Sir Joshua Reynolds, scholar Sir Thomas Bodley, actor Sir Donald Sinden, Boer War commander Sir Redvers Buller, radio and TV presenter Ed Stewart and round the world yachtsman Sir Francis Chichester are among personalities through the ages who have been born in Devon. The county can claim many more who were either born or lived here for a major part of their lives including Scott of the Antarctica, Agatha Christie, Parson Jack Russell of terrier fame and Wayne Sleep. The Elizabethan explorers Sir Francis Drake, Sir Humphrey Gilbert and Sir Walter Raleigh were all Devonians as were party leaders Michael Foot and David Owen. This book by renowned local author John Van der Kiste features mini biographies of all these and many more. **Authorship in Film Adaptation** Jack Boozer, 2009-06-03 Authoring a film adaptation of a literary source not only requires a media conversion but also a transformation as a result of the differing dramatic demands of cinema. The most critical central step in this transformation of a literary source to the screen is the writing of the screenplay. The screenplay usually serves to recruit producers, director and actors to attract capital investment and to give focus to the conception and production of the film project. Often undergoing multiple revisions prior to production, the screenplay represents the crucial decisions of writer and director that will determine how and to what end the film will imitate or depart from its original source. *Authorship in Film Adaptation* is an accessible provocative text that opens up new areas of discussion on the central process of adaptation surrounding the screenplay and screenwriter-director collaboration. In contrast to narrow binary comparisons of literary source text and film, the twelve essays in this collection also give attention to the underappreciated role of the screenplay and film pre-production that can signal the primary intention for a film. Divided into four parts, this collection looks first at the role of Hollywood's activist producers and major auteurs such as Hitchcock and Kubrick as they worked with screenwriters to formulate their audio-visual goals. The second part offers case studies of *Devil in a Blue Dress*.

and *The Sweet Hereafter* for which the directors wrote their own adapted screenplays Considering the variety of writer-director working relationships that are possible Part III focuses on adaptations that alter genre time and place and Part IV investigates adaptations that alter stories of romance sexuality and ethnicity *The Alfred Hitchcock Encyclopedia* Stephen Whitty, 2016-06-09 Several decades after his last motion picture was produced Alfred Hitchcock is still regarded by critics and fans alike as one of the masters of cinema From silents of the 1920s to his final feature in 1976 the director's many films continue to entertain audiences and inspire filmmakers In *The Alfred Hitchcock Encyclopedia* film critic Stephen Whitty provides a detailed overview of the director's work This reference volume features in depth critical entries on each of his major films as well as biographical essays on his most frequent collaborators and discussions of significant themes in his work For this book Whitty draws on primary source materials such as interviews he conducted with associates of the director including screenwriter Jay Presson Allen Marnie actresses Eva Marie Saint North by Northwest and Kim Novak *Vertigo* actor Farley Granger *Strangers on a Train* actor and producer Norman Lloyd *Saboteur* and Hitchcock's daughter Patricia Stage *Fright Psycho* among others Encompassing the entire range of the director's career from early influences and silent films to his decade long television show and cameos in nearly every feature this is a comprehensive overview of cinema's ultimate showman A detailed and lively look at the master of suspense *The Alfred Hitchcock Encyclopedia* will be of interest to professors students and the many fans of the director's work *Hitchcock and Twentieth-century Cinema* John Orr, 2005 John Orr looks at the work influences legacy and style of perhaps cinema's most famous director Alfred Hitchcock

*Hitchcock's America* Jonathan Freedman, Richard Millington, 1999-02-25 Alfred Hitchcock's American films are not only among the most admired works in world cinema they also offer some of our most acute responses to the changing shape of American society in the 1940s 50s and 60s The authors of this anthology show how famous films such as *Strangers on a Train* *Vertigo* *North by Northwest* and *Rear Window* along with more obscure ones such as *Rope* *The Wrong Man* and *Family Plot* register the ideologies and insurgencies the normative assumptions and the cultural alternatives that shaped these tumultuous decades They argue that just as these films occupy a visual landscape defined by the grand monuments of American civic life Mt Rushmore the Statue of Liberty the United Nations they are also marked by their preoccupation with the social mores and private practices of mid century America Not only are big city and suburban life the explicit subjects of films like *Rear Window* and *Shadow of a Doubt* so are the forms of experience that emerge within these social spaces whether the urban voyeurism examined by the former or the intertwining of banality and violence depicted in the latter Indeed just about every form of American life that was achieving social power at this time the national security state the science and art of psychoanalysis the privileging of the free wheeling improvisatory self the postwar codification and fissuring of gender roles road culture and its ancillary creation the motel is given detailed critical and mordant examination in Hitchcock's films The Hitchcock who emerges is not merely the inspired technician and psychological excavator that critics

of the past two generations have justly hailed he is also a cultural critic of remarkable insight and undeniable prescience

**The Twelve Lives of Alfred Hitchcock: An Anatomy of the Master of Suspense** Edward White, 2021-04-13 Winner of the 2022 Edgar Award for Best Biography An Economist Best Book of 2021 A fresh innovative biography of the twentieth century's most iconic filmmaker In *The Twelve Lives of Alfred Hitchcock* Edward White explores the Hitchcock phenomenon what defines it how it was invented what it reveals about the man at its core and how its legacy continues to shape our cultural world The book's twelve chapters illuminate different aspects of Hitchcock's life and work The Boy Who Couldn't Grow Up The Murderer The Auteur The Womanizer The Fat Man The Dandy The Family Man The Voyeur The Entertainer The Pioneer The Londoner The Man of God Each of these angles reveals something fundamental about the man he was and the mythological creature he has become presenting not just the life Hitchcock lived but also the various versions of himself that he projected and those projected on his behalf From Hitchcock's early work in England to his most celebrated films White astutely analyzes Hitchcock's oeuvre and provides new interpretations He also delves into Hitchcock's ideas about gender his complicated relationships with his women not only Grace Kelly and Tippi Hedren but also his female audiences as well as leading men such as Cary Grant and writes movingly of Hitchcock's devotion to his wife and lifelong companion Alma who made vital contributions to numerous classic Hitchcock films and burnished his mythology And White is trenchant in his assessment of the Hitchcock persona so carefully created that Hitchcock became not only a figurehead for his own industry but nothing less than a cultural icon Ultimately White's portrayal illuminates a vital truth Hitchcock was more than a Hollywood titan he was the definitive modern artist and his significance reaches far beyond the confines of cinema
