Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service,2002 **Nobody's Rag Doll** Kate Swift,2011-06-01 DescriptionThis book takes you into the centre of my childhood and shows you how everything is not always what it seems To the outside world we were a normal family and that is just how my mother liked it to appear But behind the closed front door was drinking abuse addiction violence and for a time a man who posed as a family friend in order to gain access to the boys I take you from my childhood through my teens and on the very rocky journey of my healing from the past I share with you my innermost thoughts during some of the most difficult times of my life so far This book gives you an insight into a victim of child abuse working her way through to becoming a survivor Along the journey I too fell into relationships where domestic violence was common place and I share with you my experiences and what made me finally walk away This book is about survival it is about how you can go to rock bottom and come back up again How you can feel that your life is finished and then find a whole new purpose and energy for living In my previous book This Tangled Web I shared my poetry written in the years after my abuse here we have the untangling of that web and the story behind the poetry About the AuthorKate Swift was born into a family of 5 other siblings in the spring of 1977 Kate s early years were not a great introduction into family life and the world around her Her father worked hard and drank even harder coming home to sleep off the alcohol For Kate as a child of 3 4 5 he was a loud and scary person who ranted and raved Kate found solace by hiding under the table until the shouting was done Kate was a mummy s girl she adored and idolised her mother Whilst her father was someone she felt never particularly wanted her Kate enjoyed school and thrived on the love of her mother Life was never quiet with 5 other siblings around and the ups and downs of every day living When Kate was in her 8th Year she was just like any other child enjoying school playing with her dolls drawing pictures making mud pies just being a child until the day her life would change forever The day her older brother placed his hand somewhere she had never been touched before It was the school summer holidays a bright sunny day and they were watching cartoons on television That was the beginning of the end of her childhood and what followed was a further 8 years of being sexually abused Kate would be woken up in the middle of the night by him climbing into her bed In

her sleepy state she would be told what was expected of her not always with words in fact often with silent physical prompting Always when he got what he wanted from her he would turn and walk away never looking back or speaking Kate was left with her soft toys for comfort It won't surprise you to know she suffered nightmares and was so afraid of the dark Night times held a ritual for Kate before she would go upstairs to bed she would send her dad up What did she want him to check for I guess her parents thought they were checking for monsters under the bed Her curtains had to be shut tight no gaps the light had to be on the windows locked Kate was trying to feel safe in a world where the danger was inside the house and silent The sexual abuse was everything from touching to rape Kate never knew when next he would come to abuse her She would listen out for the floor board that creaked in a certain spot on the landing No time of the day or night was off bounds to him depending on the availability of his victim and the right opportunity Life continued as normally as was possible for Kate in between these times Looking back there were signs that adults could have picked up on but for whatever reasons missed When Kate was 15 years old the ordered chaos in her mind descended into complete terror and panic Here she was a student at senior school who thought she was expecting her brother's baby The torment was too much and
