Rainbow Effect Interracial Families:

The Rainbow Effect Kathlyn Gay,1987-01-01 Uses interviews with members of interracial interethnic families to explore problems faced by mixed children in such areas as family school dating and adoption **Mixed Blood** Paul R.

Spickard,1989 *Mixed Blood* serves an important function in drawing together a far ranging set of experiences all of which bear on the phenomenon of intermarriage from publisher s site Interracial Intimacy Rachel F. Moran,2001 Crossing disciplinary lines Moran looks in depth at interracial intimacy in America from colonial times to the present She traces the evolution of bans on intermarriage and explains why blacks and Asians faced harsh penalties while Native Americans and Latinos did not She provides fresh insight into how these laws served complex purposes why they remained on the books for so long and what led to their eventual demise As Moran demonstrates the United States Supreme Court could not declare statutes barring intermarriage unconstitutional until the civil rights movement coupled with the sexual revolution had transformed prevailing views about race sex and marriage **The New Colored People** Jon M. Spencer,2000-08 Most

Americans remain oblivious of a new racial phenomenon that may radically alter the political landscape of the United States In recent years dramatic increases in racial intermarriage have given birth to a generation of mixed race children whose interracially married parents refuse to allow them to be shoehorned into neat pre existing racial categories The parents through organizations they have founded or joined have lobbied aggressively for the category multiracial to be added to official racial classifications at the state and federal levels including the United States census Since a nonracial society is one of the stated goals of the multiracialists Spencer suggests that the undoing of racial classification will come not by initiating a new classification which will only give Americans the impression that mixed race people can be neatly classified but by our increased recognition that there are millions of people who simply defy classification **Counseling Multiracial Families**

Bea Wehrly,Kelley R. Kenney,Mark E. Kenney,1999-07-16 Multiracial families comprise a rapidly growing population in the United States This volume addresses this population so often neglected in the counselling literature Following an historical overview the authors address both the special needs and special strengths of multiracial families explore the challenges facing interracially married couples examine social and cultural issues pertinent to parenting multiracial children and translate results of biracial identity development research into counselling practice *Racially Mixed People in America*

Maria P. P. Root,1992-02-03 Although America has been experiencing a biracial baby boom for the last 25 years there has been a dearth of information about how racially mixed people identify and view themselves as well as relate to one another *Racially Mixed People in America* bridges this gap and offers a comprehensive look at all the issues involved in doing research with mixed race people all in the context of America s multiracial past and present **Family Estrangements**

Barbara LeBey,2003-01-01 Mending the Ties That Bind Divorce disputes over inheritances family business or elder care Rifts over marriage partners career choices or sexual orientation these are just some of the many ways that even close families

can break apart Yet this all too common and often devastating family problem and its emotional fallout has gone virtually unaddressed until now In this remarkable book Barbara LeBey an Atlanta attorney and former judge who herself suffered and resolved a family estrangement shares the stories of people from every walk of life and of every age and race to show how such rifts often begin and how they can usually be resolved Working closely with two family therapists LeBey offers a set of tested guidelines to help you approach alienated or angry family members deal with your own issues and mend your broken family relationships even if you think it may already be too late Compassionate practical and full of rich insight this book is a beacon of hope and healing to which families everywhere will turn again and again **Children and Families in**

the Social Environment James Garbarino, 2017-07-12 The first edition of this volume successfully applied Bronfenbrenner's micro systems taxonomy to childrearing and family life Emphasizing how forces in the environment influence children's behavior Garbarino has staked out an intermediate position between the psychoanalytic and the systems approach to human development Taking cognizance of new research and of changes in American society Garbarino has once again carefully analyzed the importance of children's social relationships For this wholly revised second edition he has incorporated a greater emphasis on ethnic cultural and racial issues *Counseling Interracial Individuals and Families* Bea Wehrly, 1996 In

spite of dramatic increases in the number of interracial persons in the United States over the past two decades the counseling profession has given minimal attention to this population This book introduces counselors to the needs and strengths of individuals and families with more than one racial heritage and suggests appropriate counseling interventions Emphasis is placed on counselor self awareness of attitudes and behaviors toward the interracial population The text familiarizes counselors with the challenges that interracial children adolescents and adults face in developing a racial cultural ethnic identity Chapter 1 familiarizes readers with interracial persons while chapter 2 underscores challenges that these individuals face in developing an identity Chapter 3 provides general guidelines for counseling with interracial individuals and families Chapters 4 5 and 6 include a developmental focus for counseling interracial children adolescents and adults Case studies are included here to illustrate counselor roles In chapter 7 interracial family counseling issues are explored along with counseling interventions appropriate for this population The last chapter addresses challenges that counselors face in helping interracial individuals to move beyond the other status The text also includes a list of books with interracial themes that can be used in work with children and adolescents RJM Jim Crow Nikki Brown, Barry M.

Stentiford, 2014-10-28 This one volume reference work examines a broad range of topics related to the establishment maintenance and eventual dismantling of the discriminatory system known as Jim Crow Many Americans imagine that African Americans struggle to achieve equal rights has advanced in a linear fashion from the end of slavery until the present In reality for more than six decades African Americans had their civil rights and basic human rights systematically denied in much of the nation *Jim Crow A Historical Encyclopedia of the American Mosaic* sheds new light on how the systematic

denigration of African Americans after slavery known collectively as Jim Crow was established maintained and eventually dismantled Written in a manner appropriate for high school and junior high students as well as undergraduate readers this book examines the period of Jim Crow after slavery that is often overlooked in American history curricula An introductory essay frames the work and explains the significance and scope of this regrettable period in American history Written by experts in their fields the accessible entries will enable readers to understand the long hard road before the inception of the Civil Rights Movement in the 20th century while also gaining a better understanding of the experiences of minorities in the United States African Americans in particular

Counseling Multicultural and Diverse Populations Nicholas A. Vacc,Susan B. DeVaney,Johnston M. Brendel,2003-02-04 The purpose of this book is to expose students of the helping professions counselors teachers college professors mental health workers and social workers to the unique characteristics of representative American subgroups and to effectively assist these same professionals as they work with clients and or students from these populations These are grouped by race gender sexuality age physical limitations and lifestyle etc The author of each chapter is both a trained helping professional and a member of the group in question This unique combination of qualifications lends both an academic and a personal perspective to the understanding of the populations represented

Beyond Black Kerry Ann Rockquemore,David L. Brunsma,2008 The urgent debate over a multiracial category in the 2000 census forced the nation to reflect upon the important questions of what it means to construct and maintain a racial identity Using in depth interviews and survey data Beyond Black documents how biracial people develop many different racial identities and how these self understandings are derived from historical and contemporary social cultural interactional and psychological processes

Alaska Native Parents in Anchorage Julie E. Sprott,1992 The aim of this project was to survey parenting beliefs and practices of a group of Alaska Native parents of young children living in Anchorage Alaska

The Jim Crow Encyclopedia Nikki Brown,Barry M. Stentiford,2008-09-30 Jim Crow refers to a set of laws in many states predominantly in the South after the end of Reconstruction in 1877 that severely restricted the rights and privileges of African Americans As a caste system of enormous social and economic magnitude the institutionalization of Jim Crow was the most significant element in African American life until the 1960s Civil Rights Movement led to its dismantling Racial segregation as well as responses to it and resistance against it dominated the African American consciousness and continued to oppress African Americans and other minorities while engendering some of the most important African American contributions to society This major encyclopedia is the first devoted to the Jim Crow era The era is encapsulated through more than 275 essay entries on such areas as law media business politics employment

religion education people events culture the arts protest the military class housing sports and violence as well as through accompanying key primary documents excerpted as side bars This set will serve as an invaluable definitive resource for student research and general knowledge The authoritative entries are written by a host of historians with expertise in the Jim Crow era The quality content comes in an easy to access format Readers can quickly find topics of interest with alphabetical and topical lists of entries in the frontmatter along with cross references to related entries per entry Further reading is provided per entry Dynamic sidebars throughout give added insight into the topics A chronology selected bibliography and photos round out the coverage Sample entries include Advertising Affirmative Action Armed Forces Black Cabinet Blues Brooklyn Dodgers Bolling v Sharpe Confederate Flag Congress of Racial Equality CORE Detroit Race Riot 1943 Ralph Ellison Eyes on the Prize G I Bill Healthcare Homosexuality Intelligence Testing Japanese Internment Liberia Minstrelsy Nadir of the Negro Poll Taxes Rhythm and Blues Rural Segregation Sharecropping Sundown Towns Booker T Washington Works Project Administration World War II **Children's Literature** Masha Kabakow Rudman,1993 **Talking Book Topics** ,1989

Young Adult Reader's Adviser Marion Sader,1992-01-30 The best in literature and language arts mathematics and computer science Land of the Cosmic Race Christina A. Sue,2013-03-07 Land of the Cosmic Race is a richly detailed ethnographic account of the powerful role that race and color play in organizing the lives and thoughts of ordinary Mexicans It presents a previously untold story of how individuals in contemporary urban Mexico construct their identities attitudes and practices in the context of a dominant national belief system The book centers around Mexicans engagement with three racialized pillars of Mexican national ideology the promotion of race mixture the assertion of an absence of racism in the country and the marginalization of blackness in Mexico The subjects of this book are mestizos the mixed race people of Mexico who are of Indigenous African and European ancestry and the intended consumers of this national ideology Land of the Cosmic Race illustrates how Mexican mestizos navigate the sea of contradictions that arise when their everyday lived experiences conflict with the national stance and how they manage these paradoxes in a way that upholds protects and reproduces the national ideology Drawing on a year of participant observation over 110 interviews and focus groups from Veracruz Mexico Christina A Sue offers rich insight into the relationship between race based national ideology and the attitudes and behaviors of mixed race Mexicans Most importantly she theorizes as to why elite based ideology not only survives but actually thrives within the popular understandings and discourse of those over whom it is designed to govern
