irreplaceable ecosystems Join us on this extraordinary journey into the heart of rainforests where beauty biodiversity and the future of our planet intertwine If you like this book write a review **Human Activities and the Tropical Rainforest**

Bernard K. Maloney,1998 Arising initially from a conference the papers published here have been integrated into book form to provide information on human activities and the tropical rainforest in the past and present and on the possible future of the rainforest in a unique way Other books have considered some but not all of these themes however none has stressed the continuity of change over time and its possible outcome for the people of the forest as well as for the forest itself Because of the approach taken this book should appeal across traditional disciplinary boundaries Indeed a prime aim has been to suggest that rainforest because of its complexity and the complexity of people rainforest relationships throughout time deserves study from a broad perspective This book poses more questions than answers about the rainforest and it is hoped that it will encourage readers to think about the rainforest in a wider way than hitherto This book is aimed at geographers physical and human social anthropologists archaeologists pedologists foresters and tropical botanists and will be of value to graduates of various disciplines setting out to research the rainforest *The Healing Power of Rainforest Herbs* Leslie

Taylor,2017-07-12 Rainforests contain an amazing abundance of plant life over half of the planet s vegetation For centuries tribal shamans have successfully used these botanicals as remedies for various health disorders Now scientists have begun to uncover the medicinal qualities of these plants which offer new approaches to health and healing The Healing Power of Rainforest Herbs is a unique guide to these herbs and their uses Detailing more than seventy rainforest botanicals this book presents the history of the herbs uses by indigenous peoples and describes current usage by natural health practitioners throughout the world Discover Amazon healers traditional knowledge as well as the clinical studies that support what shamans have known for ages Essential dosage and preparation methods are provided while at a glance tables help you locate the best botanicals for each disorder Here is a unique book that offers a blend of ancient and modern knowledge in an accessible reference format **Amazon Rainforest 6-Pack** William Rice,2012-01-30 There is so much to explore in the

Amazon Readers are taken on an adventure through the Amazon rainforest to learn about the lush plants and beautiful animals deforestation and rainforest conservation in this fascinating nonfiction reader that features striking photographs and riveting facts This 6 Pack includes six copies of this title and a lesson plan **Rainforests** Nancy F. Castaldo,2003-06-01
