Raise High the Roof Beam, Carpenters and Seymour: An Introduction J. D. Salinger, 2019-08-13 The last book length work of fiction by J D Salinger published in his lifetime collects two novellas about one of the liveliest funniest most fully realized families in all fiction New York Times These two novellas set seventeen years apart are both concerned with Seymour Glass the eldest son of J D Salinger s fictional Glass family as recalled by his closest brother Buddy He was a great many things to a great many people while he lived and virtually all things to his brothers and sisters in our somewhat outsized family Surely he was all real things to us our blue striped unicorn our double lensed burning glass our consultant genius our portable conscience our supercargo and our one full poet **Raise High the Roof Beam, Carpenters and Seymour** Jerome David Salinger, 1986 *Raise High the Roof Beam, Carpenters and Seymour* Jerome David Salinger, 2001

D. Salinger, 1965 Buddy Glass introduces his older brother and describes the events of Seymour s wedding day **Raise High the Roof Beam, Carpenters and** Jerome David Salinger, 1963 *Raise High the Roof Beam, Carpenters* Jerome David Salinger (romancier.), 1972 **Raise High the Roof Beam, Carpenters, and Seymour** Jerome David Salinger, 1971 *J.D. Salinger Kenneth Slawenski, 2011-01-25 NATIONAL BESTSELLER The inspiration for the major motion picture Rebel in the Rye One of the most popular and mysterious figures in American literary history the author of the classic Catcher in the Rye J D Salinger eluded fans and journalists for most of his life Now he is the subject of this definitive biography which is filled with new information and revelations garnered from countless interviews letters and public records Kenneth Slawenski explores Salinger s privileged youth long obscured by misrepresentation and rumor revealing the brilliant sarcastic vulnerable son of a disapproving father and doting mother Here too are accounts of Salinger s first broken heart

after Eugene O'Neill's daughter Oona left him and the devastating World War II service that haunted him forever J.D. Salinger features this author's dramatic encounters with luminaries from Ernest Hemingway to Elia Kazan his office intrigues with famous New Yorker editors and writers and the stunning triumph of *The Catcher in the Rye* which would both make him world famous and hasten his retreat into the hills of New Hampshire J.D. Salinger is this unique author's unforgettable story in full one that no lover of literature can afford to miss Praise for J.D. Salinger A Life Startling insightful a terrific literary biography USA Today It is unlikely that any author will do a better job than Mr. Slawenski capturing the glory of Salinger's life The Wall Street Journal Slawenski fills in a great deal and connects the dots assiduously it's unlikely that any future writer will uncover much more about Salinger than he has done Boston Sunday Globe Offers perhaps the best chance we have to get behind the myth and find the man Newsday Slawenski has greatly fleshed out and pinned down an elusive story with precision and grace Chicago Sun Times Earnest sympathetic and perceptive Slawenski does an evocative job of tracing the evolution of Salinger's work and thinking The New York Times
