The Musical Carole Marsh, The Three Sector Solution John Butcher,David Gilchrist,2016-07-15 This collection of essays had its origins in a one day workshop held in August 2015 at The Australian National University Jointly convened by Dr John Butcher ANZSOG and Professor David Gilchrist Curtin Not for profit Initiative the purpose of the workshop was to bring together academic researchers policy practitioners and thought leaders to address a variety of emerging issues facing policymakers public sector commissioners not for profit providers of publicly funded services and businesses interested in opportunities for social investment The workshop itself generated a great deal of interest and a baker's dozen of contributors challenged and engaged a full house The level of enthusiasm shown by the audience for the subject matter was such that the decision to curate the presentations in the form of a book was never in doubt The editors trust that this volume will vindicate

that decision At one time the state exercised a near monopoly in the delivery of social programs Today almost every important public problem is a three sector problem and yet we have little idea of what a high performing three sector production system looks like It is the editors hope that this volume will provide a foundation for some answers to these important public policy questions
