Reclaiming an Evangelical History of Activism In recent years there has been renewed interest by evangelicals in the topic of biblical social justice Younger evangelicals and millennials in particular have shown increased concern for social issues But this is not a recent development Following World War II a new movement of American evangelicals emerged who gradually increased their efforts on behalf of justice This work explains the important historical context for evangelical reengagement with social justice issues The authors provide an overview of post World War II evangelical social justice and compassion ministries introducing key figures and seminal organizations that propelled the rediscovery of biblical justice They explore historical and theological lessons learned and offer a way forward for contemporary Christians On Second Thought Donald W. Shriver, 2010-03-01 In this Don Shriver s fifteenth book the socially involved ethicist and former president of Union Theological Seminary reveals some of the challenging experiences and ideas that have informed his work In a book both personal and honest Shriver reflects on the nature and importance of books music education war friends marriage political conflict and his tenure at Union The essays as a whole represent exemplary theological work by showing how biblical images and themes provided Shriver with both a lens for interpreting his era and a perspective from which to anticipate the future A dominant theme of his work has been the dynamics of forgiveness in human society and the meaning of forgiveness beyond personal life in the relations of groups and nations A final essay a letter to the great grandchildren he will never meet articulates the positive and hopeful message of this wide ranging collection For readers already familiar with his local to global efforts spanning ecumenical racial economic and political justice issues the book offers new insights into how Shriver s life experiences have impacted his work For those not yet familiar with that work the collection offers an intimate introduction to Shriver s passions for theology history and social justice particularly in the American South Germany Ireland South Africa and East Asia **Soulsunami** Leonard Sweet, 2009-10-14 Road rage animal rights cyberporn crystal healing doctor assisted suicide everywhere we look the signs all tell us we re living in a post Christian culture Or are we

Leonard Sweet cultural historian preacher futurist creatologist and preeminent thinker firmly believes we live today in a pre Christian society fraught with challenges dangers critical choices and above all tremendous potential for the church The outcome will depend on our response to today s flood of religious pluralism that threatens to sweep us away What will we do Deny the reality of the incoming surge Hunker in the bunker hermetically sealing ourselves in an increasingly out of touch church counterculture Or will we boldly hoist our sails and looking to God for guidance and strength move with confidence and purpose over the waves SoulTsunami is a fascinating even mind numbing look at the implications of our changing world for the church in the 21st century With uncanny wisdom and trademark wit Leonard Sweet explores ten key futuribles precision guesses that fall short of predictions expanding on and relating topics ranging from the reentry of theism and spiritual longing in contemporary society to the impact of modern technology to the global renaissance to models for the church to reach people caught in the cultural maelstrom Here are eye opening perspectives on the church from within and from without from its surrounding society Lively well written and provocative SoulTsunami is a clarion call for Christians to remove their tunnel vision glasses and take a good look at the swelling postmodern flood It also is a voice of encouragement affirming the church in its role as God s lifeboat And it is a passionate prophetic guide pointing the way to reach a world swept out to sea
