Redeeming The Text Latin Poetry And The Hermeneutics Of Reception

Marco Cascella

Redeeming The Text Latin Poetry And The Hermeneutics Of Reception:

Redeeming the Text Charles Martindale, 1993 This book applies some of the procedures of modern critical theory in particular reception theory deconstruction theories of dialogue and the hermeneutics associated with the German philosopher Gadamer to the interpretation of Latin poetry Charles Martindale argues that we neither can nor should attempt to return to an original meaning for ancient poems free from later accretions and the processes of appropriation more traditional approaches to literary enquiry conceal a metaphysics which has been put in question by various anti foundationalist accounts of the nature of meaning and the relationship between language and what it describes From this perspective the author examines different readings of the poetry of Virgil Ovid Horace and Lucan in order to suggest alternative ways in which those texts might more profitably be read Finally he focuses on a key term for such study translation and examines the epistemological questions it raises and seeks to circumvent Redeeming the Text Charles Martindale, 1992-12-17 This book applies some of the procedures of modern critical theory to the interpretation of Latin poetry The author argues for an approach that sees the meaning of a text as always and necessarily involved in the process of reception that is the way it has been read and interpreted from the time of its composition down to the present day A study of its reception history facilitates novel and more profitable ways of reading He illustrates his approach with exemplary readings of Virgil Ovid Horace and Lucan The Reception of Ancient Greece and Rome in Children's Literature , 2015-09-07 Greece and Rome have long featured in books for children and teens whether through the genres of historical fiction fantasy mystery stories or mythological compendiums These depictions and adaptations of the Ancient World have varied at different times however in accordance with changes in societies and cultures This book investigates the varying receptions and ideological manipulations of the classical world in children's literature Its subtitle Heroes and Eagles reflects the two most common ways in which this reception appears namely in the forms of the portrayal of the Greek heroic world of classical mythology on the one hand and of the Roman imperial presence on the other Both of these are ideologically loaded approaches intended to educate the young reader Virgil's Map Charlie Kerrigan, 2020-09-03 Virgil's Georgics depicts the world and its peoples in great detail but this geographical interest has received little detailed scholarly attention Hundreds of years later readers in the British empire used the poem to reflect upon their travels in acts of imagination no less political than Virgil's own Virgil's Map combines a comprehensive survey of the literary economic and political geography of the Georgics with a case study of its British imperial reception c 1840 1930 Part One charts the poem's geographical interests in relation to Roman power in and beyond the Mediterranean shifting readers attention away from Rome it explores how the Georgics can draw attention to alternative non Roman histories Part Two examines how British travellers quoted directly from the poem to describe peoples and places across the world at times equating the colonial subjects of European empires to the happy farmers of Virgil's poem perceived to be unaware and in need of the blessings of colonial rule Drawing attention

to the depoliticization of the poem in scholarly discourse and using newly discovered archival material this interdisciplinary work seeks to re politicize both the poem and its history in service of a decolonizing pedagogy Its unique dual focus allows for an extended exploration not just of geography and empire but of Europe s long relationship with the wider world

Latin Erotic Elegy and the Shaping of Sixteenth-Century English Love Poetry Linda Grant, 2019-08-29 Interdisciplinary in approach and methodologically sophisticated this book explores the dynamic reception of Latin erotic elegy in Renaissance love poetry

Ovid's Terence Iris Brecke, 2023-11-20 This book investigates the complex reception of Terence in Ovid and a number of allusions to the Terentian comedies in the love elegies and the exilic elegiac epistle Tristia 2 The genres of Latin love elegy and New Comedy are often seen as closely connected in research and one leading view is that Latin love elegy to a large degree springs out of the comic genre However though both genres are strongly rooted in social practise and presents interpersonal relationships in a non mythological everyday setting there are also major differences between them Marriage for instance is the conventional goal for the young lover withing the comic genre whereas the elegiac lover should avoid it Taking into account both the similarities and the crucial differences between the comic genre and Latin love elegy and key elegiac topoi such as *seruitium amoris* and *militia amoris* this book demonstrates an intricate connection between Ovid and Terence and a complex nexus of allusions that goes straight to the core of Ovid s elegiac authorship Winner of the Trends in Classics Book Prize 2023

What the Victorians Made of Romanticism Tom Mole, 2017-10-17 This insightful and elegantly written book examines how the popular media of the Victorian era sustained and transformed the reputations of Romantic writers Tom Mole provides a new reception history of Lord Byron Felicia Hemans Sir Walter Scott Percy Bysshe Shelley and William Wordsworth one that moves beyond the punctual historicism of much recent criticism and the narrow horizons of previous reception histories He attends instead to the material artifacts and cultural practices that remediated Romantic writers and their works amid shifting understandings of history memory and media Mole scrutinizes Victorian efforts to canonize and commodify Romantic writers in a changed media ecology He shows how illustrated books renovated Romantic writing how preachers incorporated irreligious Romantics into their sermons how new statues and memorials integrated Romantic writers into an emerging national pantheon and how anthologies mediated their works to new generations This ambitious study investigates a wide range of material objects Victorians made in response to Romantic writing such as photographs postcards books and collectibles that in turn remade the public s understanding of Romantic writers Shedding new light on how Romantic authors were posthumously recruited to address later cultural concerns *What the Victorians Made of Romanticism* reveals new histories of appropriation remediation and renewal that resonate in our own moment of media change when once again the cultural products of the past seem in danger of being forgotten if they are not reimagined for new audiences

Josephus in Modern Jewish Culture Andrea Schatz, 2019-05-20 The contributions to this volume trace for the first time how the modern Jewish reception of Josephus the ancient historian who witnessed and described the

destruction of the Second Temple took shape within different scholarly religious literary and political contexts across the Jewish world from Amsterdam to Berlin Vilna Breslau New York and Tel Aviv The chapters show how the vagaries of his tumultuous life spent between a small rebellious nation and the ruling circles of a vast empire between Jewish and non Jewish cultures and between political action and historical reflection have been re imagined by Jewish readers over the past three centuries in their attempts to make sense of their own times The project and this volume can encourage greater awareness of the complex origins of Josephus controversial reputation as a Jewish priest diplomat in Rome military leader of the first Jewish revolt against the Romans as an advocate for surrender to imperial forces as a witness to the Hurban as a citizen of Rome and as a historian Recommended highly for all Jewish and academic libraries David B Levy Touro College NYC in Association of Jewish Libraries News and Review 1 2 2019

The Oxford Handbook of Milton Nicholas McDowell, Nigel Smith, 2009-11-19 Four hundred years after his birth John Milton remains one of the greatest and most controversial figures in English literature The Oxford Handbook of Milton is a comprehensive guide to the state of Milton studies in the early twenty first century bringing together an international team of thirty five leading scholars in one volume The rise of critical interest in Milton s political and religious ideas is the most striking aspect of Milton studies in recent times a consequence in great part of the increasingly fluid relations between literary and historical study The Oxford Handbook both embodies the interest in Milton s political and religious contexts in the last generation and seeks to inaugurate a new phase in Milton studies through closer integration of the poetry and prose There are eight essays on various aspects of Paradise Lost ranging from its classical background and poetic form to its heretical theology and representation of God There are sections devoted both to the shorter poems including Lycidas and Comus and the final poems Paradise Regained and Samson Agonistes There are also three sections on Milton s prose the early controversial works on church government divorce and toleration including Areopagitica the regicide and republican prose of 1649 1660 the period during which he served as the chief propagandist for the English Commonwealth and Cromwell s Protectorate and the various writings on education history and theology The opening essays explore what we know about Milton s biography and what it might tell us the final essays offer interpretations of aspects of Milton s massive influence on later writers including the Romantic poets

The Oxford Handbook of Greek and Roman Art and Architecture Clemente Marconi, 2015 An innovative and up to date synopsis of the field of Greek and Roman Art and Architecture filling a genuine need in the literature

Latin Literature Susanna Morton Braund, 2005-07-19 This highly accessible user friendly work provides a fresh and illuminating introduction to the most important aspects of Latin prose and poetry Readers are constantly encouraged to think for themselves about how and why we study the texts in question They are stimulated and inspired to do their own further reading through engagement with a wide selection of translated extracts and with a useful exploration of the different ways in which they can be approached Central throughout is the theme of the fundamental connections between

Latin literature and issues of elite Roman culture The versatile structure of the book makes it suitable both for individual and class use *Classical Reception and Children's Literature* Owen Hodkinson, Helen Lovatt, 2018-01-30 Reception studies have transformed the classics Many more literary and cultural texts are now regarded as valid for classical study And within this process of widening children's literature has in its turn emerged as being increasingly important Books written for children now comprise one of the largest and most prominent bodies of texts to engage with the classical world with an audience that constantly changes as it grows up This innovative volume wrestles with that very characteristic of change which is so fundamental to children's literature showing how significant the classics as well as classically inspired fiction and verse have been in tackling the adolescent challenges posed by metamorphosis Chapters address such themes as the use made by C S Lewis in *The Horse and his Boy* of Apuleius' *The Golden Ass* how Ovidian myth frames the Narnia stories classical nonsense in Edward Lear Pan as a powerful symbol of change in children's literature for instance in *The Wind in the Willows* the transformative power of the Orpheus myth and how works for children have handled the teaching of the classics

Language, Truth, and Literature Richard Gaskin, 2013-04-18 According to the literary humanist works of imaginative literature have an objective meaning which is fixed at the time of their production and which is the same for all readers then and thereafter not subject to the vagaries of individual readers' responses Such works refer to the real world and make statements about that world which are of cognitive as well as aesthetic value the two kinds of value are indeed intimately connected Richard Gaskin offers a defence of literary humanism so understood against assault from two directions On the one hand some analytic aestheticians have argued that works of literature do not bear referentially on the world and do not make true statements about it others hold that such works do not make a contribution to knowledge others again allow that works of literature may have cognitive value but deny that this depends on their having truth or reference On the other hand reception theorists and deconstructionists have rejected the humanist's objectivist conception of literary meaning and typically take a pragmatist and anti-realist approach to truth and meaning This latter poststructuralist treatment of literature has often been accompanied by a radical politicization of its study In defending literary humanism against these various forms of attack Gaskin shows that the reading and appreciation of literature is a cognitive activity fully on a par with scientific investigation and that we can and should engage in it disinterestedly for the sake of what can be learnt about the world and our place in it *Framing Classical Reception Studies*, 2020-07-13 *Framing Classical Reception Studies* contains a representative number of analytic and synthetic contributions by scholars from diverse parts of the field of Classical Reception Studies Together they afford a synoptic view and typology of an extremely large and continuously diversifying discipline Attentive to questions such as what by whom in what contexts and to what ends Classics have functioned and are functioning in our culture all contributors ask themselves from what conceptual or disciplinary frame they approach the reception of the cultures of classical Greek and Roman antiquity Within this questioning format the book also contains

suggestions for future agendas of research and forcefully argues for the political cultural and cognitive relevance of classical receptions in the Academy

Roman Error Basil Dufallo, 2017-12-08 In the eyes of posterity ancient Rome is deeply flawed The list of censures is long and varied from political corruption and the practice of slavery to religious intolerance and sexual immorality yet for centuries the Romans errors have not only provoked opprobrium but also inspired wayward and novel forms of thought and representation themselves errant in the broad sense of the Latin verb This volume is the first to examine this phenomenon in depth treating examples from history philosophy literature psychoanalysis and art history from antiquity to the present to examine how the Romans faults have become the basis for creative experimentation for rejections of prevailing ideology even for comedy and delight In demonstrating that the reception of Rome s missteps and mistakes has been far more complex than simply denouncing them as an exemplum malum to be shunned and avoided it argues compellingly that these alternative receptions are historically important and enduringly relevant in their own right Roman error comes to signify both ancient misstep and something that we may commit when engaging with Roman antiquity whereby reception may even be conceived as error of a kind while the volume ably addresses popular fascination with a wide range of Roman vices including violence imperial domination and decadence it also asks us to consider what makes certain receptions matter how they matter and why

Blindness and Spectatorship in Ancient and Modern Theatres

Marchella Ward, 2023-12-14 The use of disability as a metaphor is ubiquitous in popular culture nowhere more so than in the myths stereotypes and tropes around blindness To be blind has never referred solely to the inability to see Instead blindness has been used as shorthand for among other things a lack of understanding immorality closeness to death special insight or second sight Although these meanings attached to blindness were established as early as antiquity readers receivers and spectators into the present have been implicated in the stereotypes which persist because audiences can be relied on to perpetuate them This book argues for a new way of seeing and of understanding classical reception by offering assemblage thinking as an alternative to the presumed passivity of classical influence And the theatre which has been incorrectly assumed to be principally a visual medium is the ideal space in which to investigate new ways of seeing

The Protean Ass

Robert H. F. Carver, 2007-12-06 A full account of the reception of the second century prose fiction *The Golden Ass* or *Metamorphoses* of Apuleius which has intrigued readers as diverse as St Augustine Petrarch Boccaccio Sidney Spenser Shakespeare and Milton Robert H F Carver traces readers responses to the novel from the third to the seventeenth centuries

Reception Studies Lorna Hardwick, 2003-05-15 This book introduces the main concepts used in the growing field of reception studies

Brill's Companion to the Reception of Aristotle's Poetics, 2024-12-16 It is hardly possible to read Aristotle s *Poetics* today without acknowledging the influence of its reception history our understanding of Aristotle s poetical theory has been reshaped in past decades thanks to a reappraisal of long held prejudices whose history may be no less fascinating to explore than the text of the *Poetics* itself To grasp what the *Poetics* has to say therefore involves questioning

what its many readers have been looking after What was the Poetics used for And what are we using it for now Into which bodies of texts has it been incorporated and put into perspective How have these uses and contexts influenced past readings of the Poetics and how do they still inform the way we read it *Plagiarism in Latin Literature* Scott McGill, 2012-07-05 A study of the concept of plagiarism in Rome and the functions that accusations and denials had in Roman culture

Whispering the Strategies of Language: An Emotional Journey through **Redeeming The Text Latin Poetry And The Hermeneutics Of Reception**

In a digitally-driven earth where screens reign supreme and quick connection drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within words frequently go unheard. Redeeming The Text Latin Poetry And The Hermeneutics Of Reception Introduction

In today's digital age, the availability of Redeeming The Text Latin Poetry And The Hermeneutics Of Reception books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Redeeming The Text Latin Poetry And The Hermeneutics Of Reception books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Redeeming The Text Latin Poetry And The Hermeneutics Of Reception books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Redeeming The Text Latin Poetry And The Hermeneutics Of Reception versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Redeeming The Text Latin Poetry And The Hermeneutics Of Reception books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Redeeming The Text Latin Poetry And The Hermeneutics Of Reception books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over

60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Redeeming The Text Latin Poetry And The Hermeneutics Of Reception books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Redeeming The Text Latin Poetry And The Hermeneutics Of Reception books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Redeeming The Text Latin Poetry And The Hermeneutics Of Reception books and manuals for download and embark on your journey of knowledge?

FAQs About Redeeming The Text Latin Poetry And The Hermeneutics Of Reception Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Redeeming The Text Latin Poetry

And The Hermeneutics Of Reception is one of the best book in our library for free trial. We provide copy of Redeeming The Text Latin Poetry And The Hermeneutics Of Reception in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Redeeming The Text Latin Poetry And The Hermeneutics Of Reception. Where to download Redeeming The Text Latin Poetry And The Hermeneutics Of Reception online for free? Are you looking for Redeeming The Text Latin Poetry And The Hermeneutics Of Reception PDF? This is definitely going to save you time and cash in something you should think about.
