Rediscovering Gay History

John Boswell

Rediscovering Gay History

Claudia Rapp

Rediscovering Gay History:

Rediscovering Gay History John Boswell, **Rediscovering Gay History** J. Boswell, 1985 **The Boswell Thesis** Mathew Kuefler, 2006-03 Few books have had the social cultural and scholarly impact of John Boswell's *Christianity, Social Tolerance and Homosexuality*. Arguing that neither the Bible nor the Christian tradition was nearly as hostile to homoeroticism as was generally thought, its initial publication sent shock waves through university classrooms, gay communities, and religious congregations. Twenty-five years later, the aftershocks still reverberate. *The Boswell Thesis* brings together fifteen leading scholars at the intersection of religious and sexuality studies to comment on this book's immense impact, the endless debates it generated, and the many contributions it has made to our culture. The essays in this magnificent volume examine a variety of aspects of Boswell's interpretation of events in the development of sexuality from Classical Antiquity through the Middle Ages, including a Roman emperor's love letters, to another man's suspicions of sodomy among medieval monks, knights, and crusaders, and the gender-bending visions of Christian saints and mystics. Also included are discussions of Boswell's career, including his influence among gay and lesbian Christians, and his role in academic debates between essentialists and social constructionists. Elegant and thought-provoking, this collection provides a fitting twenty-fifth anniversary tribute to the incalculable influence of *Christianity, Social Tolerance and Homosexuality* and its author.

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987, this book encompasses a broad range of interdisciplinary research into homosexuality, displaying a full spectrum of points of view. And given that the major traditions of modern homosexual research began in Europe, it is not restricted to works in English. In general, topics that are densely covered in the literature are presented in this guide selectively, with some less-studied topics such as Economics and Music fleshed out with signposts to more comprehensive research. It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods. This book will be of interest to students of sociology.

Origins of Sexuality and Homosexuality John Dececco, PhD, Michael Shively, 2014-04-04 This well-documented book highlights some of the theories of bisexual and homosexual identities and their conceptual bases in cultural history, moral philosophy, biology, and social psychology. Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories.

Bisexual and Homosexual Identities John P. De Cecco, Michael G. Shively, 1984 This well-documented book highlights some of the theories of bisexual and homosexual identities and their conceptual bases in cultural history, moral philosophy, biology, and social psychology. Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories.

Brother-Making in Late Antiquity and Byzantium Claudia Rapp, 2016-01-13 Among medieval Christian societies, Byzantium is unique in preserving an ecclesiastical ritual of adelphopoiesis, which pronounces two men

not related by birth as brothers for life It has its origin as a spiritual blessing in the monastic world of late antiquity and it becomes a popular social networking strategy among lay people from the ninth century onwards even finding application in recent times Located at the intersection of religion and society brother making exemplifies how social practice can become ritualized and subsequently subjected to attempts of ecclesiastical and legal control Controversially adelphopoiesis was at the center of a modern debate about the existence of same sex unions in medieval Europe This book the first ever comprehensive history of this unique feature of Byzantine life argues persuasively that the ecclesiastical ritual to bless a relationship between two men bears no resemblance to marriage Wide ranging in its use of sources from a complete census of the manuscripts containing the ritual of adelphopoiesis to the literature and archaeology of early monasticism and from the works of hagiographers historiographers and legal experts in Byzantium to comparative material in the Latin West and the Slavic world Brother Making in Late Antiquity and Byzantium examines the fascinating religious and social features of the ritual shedding light on little known aspects of Byzantine society

Who's Who in Contemporary Gay and Lesbian History Robert Aldrich, Garry Wotherspoon, 2020-07-24 Provides a comprehensive modern biographical survey of homosexuality in the Western world Among those included are controversial political activists Peter Tatchell Guy Hocquenghem Harvey Milk pop icons David Bowie k d lang Boy George groundbreaking artists writers and filmmakers Pier Paolo Pasolini Derek Jarman David Hockney intellectuals who have shaped and changed the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of gay and lesbian life in our time

Who's Who in Contemporary Gay and Lesbian History Vol.2 Robert Aldrich, Garry Wotherspoon, 2005-07-25 Who's Who in Contemporary Gay and Lesbian History From World War II to the Present Day provides a comprehensive modern biographical survey of homosexuality in the Western world Among those included are Controversial political activists Peter Tatchell Guy Hocquenghem Harvey Milk Pop icons David Bowie k d lang Boy George Groundbreaking artists writers and filmmakers Pier Paolo Pasolini Derek Jarman David Hockney Intellectuals who have shaped and changed the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey Over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of gay and lesbian life in our time

Byzantine Intersectionality Roland Betancourt, 2020-10-06 A fascinating history of marginalized identities in the medieval world While the term intersectionality was coined in 1989 the existence of marginalized identities extends back over millennia Byzantine Intersectionality reveals the fascinating little examined conversations in medieval thought and visual culture around sexual and reproductive consent bullying and slut shaming homosocial and homoerotic relationships trans and nonbinary gender identities and the depiction of racialized minorities Roland Betancourt explores these issues in the context of the Byzantine Empire using sources from late antiquity and early Christianity up to the early modern period Highlighting nuanced and strikingly modern approaches by medieval writers

philosophers theologians and doctors Betancourt offers a new history of gender sexuality and race Betancourt weaves together art literature and an impressive array of texts to investigate depictions of sexual consent in images of the Virgin Mary tactics of sexual shaming in the story of Empress Theodora narratives of transgender monks portrayals of same gender desire in images of the Doubting Thomas and stereotypes of gender and ethnicity in representations of the Ethiopian Eunuch He also gathers evidence from medical manuals detailing everything from surgical practices for late terminations of pregnancy to save a mother's life to a host of procedures used to affirm a person's gender Showing how understandings of gender sexuality and race have long been enmeshed Byzantine Intersectionality offers a groundbreaking look at the culture of the medieval world

Human Sexuality and the Nuptial Mystery Roy R. Jeal, 2010-03-08 This collection of essays was originally presented at the St Margaret's Consultation on Doctrine Liturgy and Preaching held at St Margaret's Anglican Church in Winnipeg Canada in 2008 They consider human sexuality and marriage from a distinctly theological rather than polemical standpoint aiming to avoid frequently polarized debates The interesting commonality indicated in the articles is that sex and marriage are not about self fulfillment but are outwardly directed aimed toward the other person toward growth maturity and deepened spirituality for the benefit of the church for productive good and for children The first section explores theological and ethical issues surrounding human sexuality and aims toward understanding the nature of relationships in these contexts The second section explores the spiritual nature of marriage and the history of thinking on marriage and family within Christian theology For those interested in pursuing truly theological engagement with marriage and sexuality this collection is required reading

The Construction of Homosexuality David F. Greenberg, 2008-10-29 At various times homosexuality has been considered the noblest of loves a horrible sin a psychological condition or grounds for torture and execution David F Greenberg's careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant The book takes us over vast terrains of example and detail in the history of homosexuality Nicholas B Dirks New York Times Book Review

Homosexuality Bibliography William Parker, 1985 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com

The Reign of Leo VI (886-912) Tougher, 2021-09-20 The focus of this book is the Byzantine emperor Leo VI 886-912 and his reign He has been characterised as a careless and ineffectual emperor but this work presents a more considered account of Leo and the politics of his age Initial chapters on sources and the broader historical context are provided before particular aspects of Leo's life and reign are presented in eight chapters arranged so as to give a rough chronological framework Subjects discussed include relations with family and officials imperial ideology and ecclesiastical and military affairs By drawing on a broad spectrum of primary evidence the book illustrates that Leo forged a distinctive imperial style as a literate city based non campaigning emperor and argues that he was actively concerned about the problems that faced his empire

Know My Name Richard Cleaver, 1995-01-01 The place of gay men and women in the community of faith has

become one of the most divisive debates in the church today Writer and activist Richard Cleaver takes a fresh approach to this issue by examining the struggles of gay men and lesbians in the church through the lens of liberation theology He offers a gay reading of scripture but one that is also spiritually challenging to all readers Cleaver interweaves biblical reflections with historical social political and personal commentary He discusses personal identity issues and coming out the development of class consciousness as members of an oppressed group and solidarity with other oppressed groups This provocative book brings a new voice to the debate about the place of gays and lesbians in our churches

The Preacher's Demons Franco Mormando,1999-05 When the city was filled with these bonfires he then combed the city and whenever he received notice of some public sodomite he had him immediately seized and thrown into the nearest bonfire at hand and had him burned immediately This story of an anonymous individual who sought to cleanse medieval Paris was part of a sermon delivered in Siena Italy in 1427 The speaker the friar Bernardino 1380-1444 was one of the most important public figures of the time and he spent forty years combing the towns of Italy instructing admonishing and entertaining the crowds that gathered in prodigious numbers to hear his sermons His story of the Parisian vigilante was a recommendation Sexual deviants were the objects of relentless unconditional persecution in Bernardino's sermons Other targets of the preacher's venom were witches Jews and heretics Mormando takes us into the social underworld of early Renaissance Italy to discover how one enormously influential figure helped to dramatically increase fear hatred and intolerance for those on society's margins This book is the first on Bernardino to appear in thirty five years and the first ever to consider the preacher's inflammatory role in Renaissance social issues

Medieval Sexuality Joyce E. Salisbury,2019-01-17 Originally published in 1990 Well annotated bibliographical entries cover works on history religion medicine philosophy law and literature in western Europe from about the third century A D through the end of the medieval period The primary sources are organised thematically and separately from secondary sources Languages covered include English Spanish Portuguese French German Italian and Latin The focus is on sexuality and sexual attitudes not on the related topics of marriage and family Detailed indexes are also included

Female Homosexuality in the Middle East Samar Habib,2012-08-06 This book the first full length study of its kind dares to probe the biggest taboo in contemporary Arab culture with scholarly intent and integrity female homosexuality Habib argues that female homosexuality has a long history in Arabic literature and scholarship beginning in the ninth century and she traces the destruction of Medieval discourses on female homosexuality and the replacement of these with a new religious orthodoxy that is no longer permissive of a variety of sexual behaviours Habib also engages with recent gay historiography in the West and challenges institutionalized constructionist notions of sexuality

THE END OF WOKE Andrew Doyle,2025-05-29 Thought provoking and entertaining Andrew Doyle's intellect dazzles Jimmy Carr A magisterial read divinely inspired writing and commentary from one of the most thoughtful intellectuals of our time Michael Shermer The best work yet by the creator of genius parody Titania McGrath The Critic A revelatory

investigation into the rise and fall of the woke movement and how we can prevent it from happening again It is no secret that we are in the midst of a cultural revolution Activists in the woke movement have claimed to be on the right side of history and yet their approach has been intolerant intemperate and above all illiberal Having dominated the western world for the past fifteen years there are clear signs the woke are now losing their power The re election of Donald Trump the scaling back of DEI initiatives and a growing awareness of the threats to women s sex based rights has stirred a counter revolution But is this truly the end of woke Or have the culture wars merely evolved In *The End of Woke* Doyle skilfully examines the mechanisms underlying the zealous extremes on both the left and the right He shows that in a desperate power struggle to re assert liberal values some leaders of the anti woke movement have found themselves adopting a different kind of authoritarian approach one which also promotes censorship and erodes our freedoms Doyle argues that although authoritarianism is common to all political tribes we must resist its pernicious influence wherever it emerges After all replacing one form of tyranny with another will not end the culture wars But liberalism true liberalism might just see the end of woke for good

Hollywood or History? Paul J. Yoder, Aaron P. Johnson, 2022-05-01 Traumagenic events episodes that have caused or are likely to cause trauma color the experiences of K 12 students and the social studies curriculum they encounter in U S schools At the same time that the global COVID 19 pandemic has heightened educators awareness of collective trauma the racial reckoning of 2020 has drawn important attention to historical and transgenerational trauma At a time when social studies educators can simply no longer ignore difficult knowledge instruction that acknowledges trauma in social studies classrooms is essential Through employing relational pedagogies and foregrounding voices that are too often silenced the lessons in *Hollywood or History* An Inquiry Based Strategy for Using Film to Acknowledge Trauma in Social Studies engage students in examining the role of traumatic or traumagenic events in social studies curriculum The 20 *Hollywood or History* lessons are organized by themes such as political trauma and war and genocide Each lesson presents film clips instructional strategies and primary and secondary sources targeted to the identified K 12 grade levels As a collection they provide ready to teach resources that are perfect for teachers who are committed to acknowledging trauma in their social studies instruction

Rediscovering Gay History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rediscovering Gay History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rediscovering Gay History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer

free PDF downloads on a specific topic. While downloading Rediscovering Gay History free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rediscovering Gay History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rediscovering Gay History any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rediscovering Gay History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rediscovering Gay History is one of the best books in our library for free trial. We provide a copy of Rediscovering Gay History in digital format, so the resources that you find are reliable. There are also many eBooks related to Rediscovering Gay History. Where to download Rediscovering Gay History online for free? Are you looking for Rediscovering Gay History PDF? This is definitely going to save you time and cash in something you should think about. If you're trying to find then search around for online. Without a doubt, there are numerous of these available and many of them have the freedom. However, without a doubt, you receive whatever you purchase. An alternate way to get ideas is always to check another Rediscovering Gay History. This method for seeing exactly what may be included and adopting these ideas to your book. This site will almost certainly help you save time and effort, money, and stress. If you are looking for free books, then you really should consider finding to assist you try this. Several of Rediscovering Gay History are for sale to free while some are payable. If you aren't sure if the books you would like

to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Rediscovering Gay History. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Rediscovering Gay History To get started finding Rediscovering Gay History, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Rediscovering Gay History So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Rediscovering Gay History. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Rediscovering Gay History, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Rediscovering Gay History is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Rediscovering Gay History is universally compatible with any devices to read.
