Reducing Poverty In Asia Emerging Issues In Growth Targeting And Measurement:

Reducing Poverty in Asia Christopher M. Edmonds, Asian Development Bank, 2003-01-01 In this book a group of distinguished authors addresses three broad questions what broad strategies and macroeconomic policies best support poverty reduction efforts in Asia what role should targeted antipoverty interventions play and how should such interventions be designed and how is poverty measured what new approaches are needed and how does measurement affect our understanding of poverty Each of these three broad themes is also considered together in chapters examining the poverty situations in a number of countries in Asia and the Pacific

Disaster Relief in the Asia Pacific Minako Sakai, Edwin Jurriëns, Jian Zhang, Alec Thornton, 2014-01-03 A UN report recently found that the Asia Pacific is the world's most disaster prone region Indeed considering that the region accounts for more than half of the total number of disasters in the world building capacity and resilience to mitigate the devastating impact of disasters is a pressing task for local actors This book takes a regional multidisciplinary and multi actor approach to improve understandings of how various actors respond to natural and human induced disasters in the Asia Pacific region It examines the ideas and activities of four different categories of agents civil society military and state institutions local cultural knowledge and the media and economic initiatives and these themes are approached from various academic disciplines ranging from anthropology and cultural studies to economics human geography and political science The contributors draw their findings from a variety of countries in the region including China Fiji India Indonesia Japan Myanmar and Samoa and importantly focus on the interconnection between vulnerability and resilience In turn the book highlights how the nature and magnitude of disasters are influenced by social conditions and aims to contribute to policies that prioritize development opportunities to enhance resilience Further it explores the complicated and multifaceted role of agency in building resilience and presents a comparative framework for analysis and key findings from the Asia Pacific region The focus of this book on recent and ongoing disasters makes it a topical and timely contribution to the growing field of disaster management and as such it will appeal to students and scholars of environmental studies development studies and Asian politics

Practices of Poverty Measurement and Poverty Profile of Nepal Devendra Chhetry, 2009-03 Reviews the poverty measuring practices available measures of poverty and economic growth figures of Nepal The poverty rates for FY 1976/77 1984/85 and 1995/96 are found to be not comparable due to change in methodology over time The three poverty rates average 40% Nepal has experienced high economic growth during the 7th 1985/86 to 1989/90 and 8th 1992/93 to 1996/97 Plan periods with no strong evidences of poverty reduction This incompatible result is partially explained by comparing growth of the agricultural sector with the role of the sector in providing employment and income generation at the household level and by comparing social indicators particularly literacy rate with the growth of the nonagricultural sector Tables

Poverty in Asia, 2004

Economic Policy in Sri Lanka Saman Kelegama, Gamani Corea, 2004-12-08 The essays in this volume written by well known economists and social scientists

shed light on the intense national debates that accompanied the making of policy decisions in Sri Lanka Studying the country's economy under six main headings the ideology and strategy of economic development macro economic policy the development of agriculture industry and technology employment and labour institutional issues and governance and social welfare the book presents a comprehensive picture of contemporary Sri Lanka's economy Chronic Poverty in Asia John Malcolm Dowling, Chin-Fang Yap, 2009 Focuses on rural poverty and those countries in Asia with the largest number of chronically poor including the two emerging superpowers of China and India other countries of South Asia and the Mekong region as well as Indonesia and Philippines in Southeast Asia *Key Indicators* Asian Development Bank, 2004 **Key Indicators**, 2004 **Globalization, Labor Markets and Inequality in India** Dipak Mazumdar, Sandip Sarkar, 2008 India started on a program of reforms both in its external and internal aspects sometime in the mid eighties and going on into the nineties While the increased exposure to world markets globalization and relaxation of domestic controls has undoubtedly given a spurt to the GDP growth rate its impact on poverty inequality and employment have been controversial This book examines in detail these aspects of post reform India and discerns the changes and trends which these new developments have created Providing an original analysis of unit level data available from the quinquennial National Sample Surveys the Annual Surveys of Industries and other basic data sources the authors analyse and compare the results with other pieces of work in the literature As well as describing the overall situation for India the book highlights regional differences and looks at the major industrial sectors such as agriculture manufacturing and tertiary services The important topic of labor market institutions both for the formal or organized and the unorganized sectors is considered and the possible adverse effect on employment growth of the regulatory labor framework is examined carefully Since any reform of this framework must go hand in hand with better state intervention in the informal sector to have any chance of acceptance politically some of the major initiatives in this area are critically explored Overall this book will be of great interest to development economists labour economists and specialists in South Asian Studies *Practices of Poverty Measurement and Poverty Profile of Bangladesh* Faizuddin Ahmed, 2004 *Labor Market Distortions, Rural-Urban Inequality, and the Opening of the People's Republic of China Economy* Thomas Hertel, 2008-05 Evaluates the impact of some key factor market reforms on rural urban inequality income distribution using a household disaggregated recursive dynamic computable general equilibrium model of the People's Republic of China It also explores how these factor market reforms interact with product market reforms currently under way as part of the country's World Trade Org WTO accession process The simulation results show that reforms in the rural land rental market hukou system as well as increasing off farm labor mobility would reduce the urban rural income ratio dramatically Furthermore the combination of WTO accession factor market reforms improves both efficiency equality significantly Charts tables graphs Reforms and Economic Transformation in India Jagdish Bhagwati, Arvind Panagariya, 2013 Reforms and Economic Transformation in India is the second volume in the series Studies

in Indian Economic Policies In this book nine original essays pursue three interrelated themes Why the movement of workers out of agriculture into industry and services and from informal to formal employments has been slow explaining the impact the reforms have had on profitability and competition among enterprises and analyzing the impact on the socially disadvantaged in terms of wage and education outcomes and entrepreneurship **Defining an Agenda for Poverty**

Reduction Christopher M. Edmonds, Sara Medina, Isabel Ortiz, 2002 Covers a multitude of facets of poverty reduction strategies for instance labour policy gender issues social protection the concept of vulnerability risk management etc Includes two ILO papers one by A Drouin on governance issues and the other by D Dror on community based health schemes

Sustainable Economic Development Arsenio Balisacan, Ujjayant Chakravorty, Majah-Leah Ravago, 2014-09-20 Sustainable Economic Development Resources Environment and Institutions presents 25 articles that lay the foundations of sustainable development in a way that facilitates effective policy design The editors mix broad thematic papers with focused micro papers balancing theories with policy designs The book begins with two sections on sustainable development principles and practice and on specific settings where sustainable development is practiced Two more sections illuminate institutions governance and political economy Additional sections cover sustainable development and agriculture and risk and economic security including disaster management This rich source of information should appeal to any institution involved in development work and to development practitioners grappling with an array of difficult on the ground developmental challenges Analyzes policies that move markets and resource use patterns towards achieving sustainability Articles are kaleidoscopic in scope and creativity Authors embody extraordinary diversity and qualifications *Pro-poor Growth* Hyun H. Son, 2007 *Whither the Philippines in the 21st Century?* Rodolfo C Severino, Lorraine Carlos Salazar, 2007 Examines contradictory economic and political trends occurring in the Philippines in order to gain a sense of the country's prospects **Diagnosing the Philippine Economy** Dante B. Globalization, Labour Markets and Inequality in India Dipak Mazumdar, Sandip Sarkar, 2020-11-25 India started on a program of reforms both in its external and internal aspects sometime in the mid eighties and going on into the nineties While the increased exposure to world markets globalization and relaxation of domestic controls has undoubtedly given a spurt to the GDP growth rate its impact on poverty inequality and employment have been controversial This book examines in detail these aspects of post reform India and discerns the changes and trends which these new developments have created Providing an original analysis of unit level data available from the quinquennial National Sample Surveys the Annual Surveys of Industries and other basic data sources the authors analyse and compare the results with other pieces of work in the literature As well as describing the overall situation for India the book highlights regional differences and looks at the major

industrial sectors such as agriculture manufacturing and tertiary services The important topic of labor market institutions both for the formal or organized and the unorganized sectors is considered and the possible adverse effect on employment growth of the regulatory labor framework is examined carefully Since any reform of this framework must go hand in hand with better state intervention in the informal sector to have any chance of acceptance politically some of the major initiatives in this area are critically explored Overall this book will be of great interest to development economists labour economists and specialists in South Asian Studies *Asian Development Outlook 2012* Asian Development Bank,2012-04-01 Despite weak global demand the Asian Development Outlook 2012 expects that developing Asia will largely maintain its growth momentum in the next couple of years in an environment of easing inflation for most regional economies although policy makers must be alert to further oil price spikes arising from threats of oil supply disruptions The report sees that the greatest risk to the outlook is the uncertainty surrounding the resolution of sovereign debt problems in the eurozone Still in the absence of any sudden shocks developing Asia can manage the effects on its trade flows and financial markets **Do Minimum Wages Reduce Employment and Training?** Guntur Sugiyarto,Benjamin A. Endriga,2008

Enjoying the Melody of Appearance: An Mental Symphony within **Reducing Poverty In Asia Emerging Ibues In Growth Targeting And Measurement**

In some sort of consumed by monitors and the ceaseless chatter of immediate interaction, the melodic splendor and emotional symphony developed by the written word usually diminish in to the back ground, eclipsed by the persistent sound and interruptions that permeate our lives.
