Redundancy And Recession In South Wales

Aldridge, Meryl

Redundancy And Recession In South Wales:

Redundancy and Recession in South Wales Christopher Charles Harris,1987 **Wales since 1939** Martin Johnes,2013-01-18 The period since 1939 saw more rapid and significant change than any other time in Welsh history Wales developed a more assertive identity of its own and some of the apparatus of a nation state Yet its economy floundered between boom and bust its traditional communities were transformed and the Welsh language and other aspects of its distinctiveness were undermined by a globalizing world Wales was also deeply divided by class language ethnicity gender religion and region Its people grew wealthier healthier and more educated but they were not always happier This ground breaking book examines the story of Wales since 1939 giving voice to ordinary people and the variety of experiences within the nation This is a history of not just a nation but of its residents hopes and fears their struggles and pleasures and their views of where they lived and the wider world *Getting a Job* Mark Granovetter,2018-06-29 This classic study of how 282 men in the United States found their jobs not only proves it s not what you know but who you know but also demonstrates how social activity influences labor markets Examining the link between job contacts and social structure Granovetter recognizes networking as the crucial link between economists studies of labor mobility and more focused studies of an individual s motivation to find work This second edition is updated with a new Afterword and includes Granovetter s influential article Economic Action and Social Structure The Problems of Embeddedness Who would imagine that a book with such a prosaic title as getting a job could pose such provocative questions about social structure and even social policy In a remarkably ingenious and deceptively simple analysis of data gathered from a carefully designed sample of professional technical and managerial employees Granovetter manages to raise a number of critical issues for the economic theory of labor markets as well as for theories of social structure by exploiting the emerging social network perspective Edward O Laumann American Journal of Sociology This short volume has much to offer readers of many disciplines Granovetter demonstrates ingenuity in his design and collection of data Jacob Siegel Monthly Labor Review A fascinating exploration for Granovetter s principal interest lies in utilizing sociological theory and method to ascertain the nature of the linkages through which labor market information is transmitted by friends and relatives Herbert Parnes Industrial and Labor Relations Review *Understanding The Local Media* Aldridge, Meryl,2007-04-01 How will local media deal with the challenge of the Internet How important is regional news to the nations of the UK What does the future hold for newspapers regional television and local radio news Most adults in the UK read a local newspaper regional news bulletins are among the most watched on television and local radio has a loyal following This is hardly surprising as for most people the everyday activities of life take place within familiar local territory Even though the majority of political and economic decisions affecting daily life are taken far away and are shaped by global processes their impact is experienced locally Local media are vital if there is to be an effective arena for informed debate about these issues But despite being both popular and politically

important local media are often overlooked on media related courses and in discussions of the role of the media in contemporary society Understanding the Local Media addresses this gap by explaining how regional newspapers and broadcast news are owned regulated and organized how these factors produce the outputs we see and hear what we know of audiences attitude to them and discusses local media as places of work Meryl Aldridge brings issues alive by the extensive use of real examples and offers a fascinating insight into this media sector for students and teachers on academic and professional media courses It also provides stimulating reading for anyone interested in UK media today

Education in the United Kingdom Colin Brock, 2015-01-29 Education in the United Kingdom is a comprehensive critical reference guide to education in England Scotland Wales Northern Ireland The Isle of Man The Channel Islands Gibraltar The Cayman Islands Bermuda Anguilla and The British Overseas Territories Although generically similar in education structures the various components of the United Kingdom have separate systems with some very distinctive differences The chapters written by regional experts offer a review of contemporary national and regional educational structures and policies research innovation and trends Some of the themes covered include issues relating to the partition of Ireland differences between maintained and independent schooling language issues and radical alternatives in teacher education Including a comparative introduction to the issues facing education in the region as a whole and guides to available online datasets this book is an essential reference for researchers scholars international agencies and policy makers

Japanese Management Techniques and British Workers Andy Danford, 2013-12-02 Analyzing the impact of Japanese style management techniques such as lean production teamworking kaizen continuous improvement and business unionism of factory workers this text investigates different facets of the organization of the labour process and employment relations within 15 Japanese transplants in South Wales There is an emphasis on the impact of the restructuring of workplace relations on both individual groups of workers and collective labour organization The text provides an insight into the reality of factory life in the 1990s by incorporating descriptions of shop floor observations quantitative data and revealing comments from different grades of shop floor workers office workers and management

Work, Consumption and Culture Paul Ransome, 2005-01-19 The central question in Work Consumption and Culture is whether consumption has now displaced production as the defining factor in the lives of those in the industrialized West This book offers a comprehensive review of the key issues in the production consumption debate and where it might lead in the future Key to Paul Ransome's argument is the hypothesis that affluence is the crucial factor in the shift away from work and towards consumption Uniquely emphasizing the links between work consumption and culture rather than keeping each element separate the author looks at the changing significance of work in society the meaning growth and significance of affluence the growing importance of consumption as a source of identity and its implications the impact of the shift to consumption on work life balance Work Consumption and Culture engages the reader with its lively debating style It is an essential introduction for sociology and cultural studies students on courses relating to consumption

and the role of work in contemporary society This book offers a balanced account of the changing importance of work and consumption in contemporary industrial society Clearly written the author identifies the central role that affluence plays in the relationship between work and consumption and in the development of social life and individual identity Professor Paul Blyton Cardiff Business School The Politics of the Welfare State Ann Oakley, Susan Williams, 2018-07-20 Originally published in 1994 The Politics of the Welfare State looks at how the privatization and marketization of education health and welfare services in the past decade have produced a concept of welfare that is markedly different from that envisaged when the welfare state was initially created Issues of class gender and ethnicity are explored in chapters that are wide ranging but closely linked The contributors are renowned academics and policy makers including feminist and welfare historians highly regarded figures in social policy influential critics of recent educational reforms and key analysts of current reform in the health sector **Class Practices** Fiona Devine, 2004-04-29 This important new book is a comparative study of social mobility based on qualitative interviews with middle class parents in America and Britain It addresses the key issue in stratification research namely the stability of class relations and middle class reproduction Drawing on interviewee accounts of how parents mobilised economic cultural and social resources to help them into professional careers it then considers how the interviewees as parents seek to increase their children s chances of educational success and occupational advancement Middle class parents may try to secure their children s social position but it is not an easy or straightforward affair With the decline of the quality of state education and increased job insecurity in the labour market since the 1970s and 1980s the reproduction of advantage is more difficult than in the affluent decades of the 1950s and 1960s The implications for public policy especially public investment in higher education are considered **Gender, Work and Community After De-Industrialisation** V. Walkerdine, L. Jimenez, 2012-01-17 How does an industrial community cope when they are told that closure is inevitable What if this is only the last in a 200 year long line of threats insecurities and closure How did people weather the storms and how do they face the future now While attempts to regenerate communities are everywhere we do not often hear from the people themselves just how they managed to create safe collective spaces or how the fall of the whole house of cards brought with it effects which can be felt by young people who never knew the town when it was an industrial heartland We hear the story of how men and women tried to cope and still want to retain their community in the face of its destruction What can they and will they have to pass to the next generation and where will that leave the young people themselves who have nothing to stay for but are unable to leave This book examines these crucial questions facing post industrial societies *Routledge Library Editions: Welfare and the State* Various, 2021-07-14 The volumes in this set originally published between 1940 and 1994 draw together research by leading academics in the area of welfare and the state and provide a rigorous examination of related key issues The volume examines the concepts of welfare in relation to the state through the areas of policy making social administration class division and social inequality social policy and

privatization whilst also exploring the general principles and practices of the welfare state in various countries This set will be of particular interest to students of sociology politics economics social work respectively

Social Networks and Social Exclusion Graham Allan,2017-03-02 How important are social networks to daily life There is now substantial evidence that attachment to a network may be vital in securing employment in promoting good health in maintaining positive relationships and in supporting people in transitions through the life course Equally lack of access to networks may lead to problems of various kinds such as poverty lack of support in old age and social isolation Providing an overview of the social network literature with a particular focus on the USA and Britain this illuminating volume reviews the range of social issues and concerns associated with the social network perspective Examples of quantitative and qualitative studies are given using a broad network approach and the volume concludes with a discussion of the implications for social and public policy of a network perspective

Unmasking age Bill Bytheway,2011-06-29 What is age A simple question but not that easy to answer Unmasking Age addresses it using data from a series of research projects relating to later life This is supplemented by material from a range of other sources including diaries and fiction Drawing on a long career in social research Bill Bytheway critically examines various methods and discusses ways of uncovering the realities of age

The Changing Shape of Work Richard K. Brown,2016-07-27 The contributors provide critical accounts of the transformation of work and employment during the final quarter of the twentieth century They draw on their own and others current research to identify the origins and consequences of these developments and illustrate their impact on society organizations individuals and communities Wide ranging reviews of changes in labour markets and employment practices provide the context for detailed studies including the feminization of work informal working responses to unemployment organizational culture and Total Quality Management

Community Care, Ideology and Social Policy Harry Cowen,2018-10-08 This book offers a comprehensive evaluation of community care strategies within the context of government social policy and assesses the recent shifts of political power from Conservative to Labour towards the end of the century Unlike the majority of texts in the field of community care it makes explicit the historical philosophical social and political inter connections and therefore provides an in depth understanding of changing policy issues for students practitioners and managers in health and social care

A Feminist Glossary of Human Geography Linda McDowell,Joanne Sharp,2014-05-01 A Feminist Glossary of Human Geography is the first guide to the main theories concepts and terms commonly used in geographical debates about gender relations Written by key contributors to feminist theory it contains over 400 lively and accessible definitions of the terms found in feminist debates which students of geography need to know Four levels of entry are used from 50 to 1500 words taking account of the varying degrees of complexity of the terms covered From AIDS to witch from abortion to whiteness this Glossary is cross referenced throughout and includes a comprehensive bibliography It is an invaluable reference for anyone studying geography and gender enabling them to approach the terminology of feminist theory and ideas

with confidence **Placing Friendship in Context** Rebecca G. Adams, Graham Allan, 1998 A unique collection bridging social psychological and social structural research to advance understanding of friendship Discovering Men David H. J. Morgan, 2024-11-01 Feminism has put the critical study of men and masculinities firmly on to the academic agenda First published in 1992 Discovering Men explores key issues in this field of study looking at the theoretical practical and political difficulties that arise when men begin to study themselves and considering the deep assumptions that underlie this area of enquiry The author investigates the various strategies that may be adopted in exploring men and masculinities drawing constantly on feminist critique of men s theoretical and everyday practice He recommends a critical re reading of classic sociological texts to bring out the hidden stories about masculinities that they tell and re examines well documented areas within sociology focusing on studies of men at work He analyses situations where masculinity may be problematic such as male unemployment shifts in the gender balance in the workplace and historically the suffrage movement Discovering Men is one of the first books to focus on issues of methodology and epistemology and to explore the difficulties of men studying men in a patriarchal society It will be beneficial for students and researchers of sociology gender studies women studies social history and research methodology **Community Life** Graham Crow, Graham Allan, 2014-06-06 First published in 1994 The sociology of community is currently undergoing something of a revival and this book has been written with the aim of contributing to this process in a number of ways First of all it draws attention to the burgeoning literature on sociological aspects of community life Secondly its bring together the various studies considered here into a more coherent whole than they possess as simply a collection of separate pieces of research Situating Sadness Janet M. Stoppard, Linda M. McMullen, 2003-05 Situating Sadness sheds light on the influence of sociocultural factors such as economic distress child bearing or child care difficulties or feelings of powerlessness which may play a significant role and points to the importance of context for understanding women s depression

Redundancy And Recession In South Wales Introduction

In today's digital age, the availability of Redundancy And Recession In South Wales books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Redundancy And Recession In South Wales books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Redundancy And Recession In South Wales books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Redundancy And Recession In South Wales versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Redundancy And Recession In South Wales books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Redundancy And Recession In South Wales books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Redundancy And Recession In South Wales books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Redundancy And Recession In South Wales books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Redundancy And Recession In South Wales books and manuals for download and embark on your journey of knowledge?

FAQs About Redundancy And Recession In South Wales Books

What is a Redundancy And Recession In South Wales PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Redundancy And Recession In South Wales PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Redundancy And Recession In South Wales PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Redundancy And Recession In South Wales PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Redundancy And Recession In South Wales PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
