## Reese Witherspoon High Interests:

*Introduction to Reese Witherspoon* Gilad James, PhD, Reese Witherspoon is an American actress producer and entrepreneur who rose to fame in the 1990s with her roles in films such as *Man in the Moon* and *Pleasantville* Witherspoon has since become one of Hollywood's leading ladies winning numerous awards for her performances in films like *Walk the Line* and *Wild* In addition to her successful acting career Witherspoon is also a savvy businesswoman founding the production company Hello Sunshine and launching an online book club called Reese's Book Club Witherspoon's personal life has also garnered attention over the years She has been married twice first to actor Ryan Phillippe with whom she has two children and currently to talent agent Jim Toth with whom she has one child Witherspoon has also been open about her experiences with sexism in Hollywood and has become a vocal advocate for equal pay and opportunities for women in the industry

**Reese Witherspoon** Ursula Rivera, 2003 Chronicles the childhood marriage and family life and acting career of the star of such films as *Election* *Pleasantville* and *Legally Blonde* *The Price of Admission (Updated Edition)* Daniel Golden, 2009-01-21 NATIONAL BESTSELLER A fire breathing righteous attack on the culture of superprivilege Michael Wolff author of the 1 New York Times bestseller *Fire and Fury* in the New York Times Book Review NOW WITH NEW REPORTING ON OPERATION VARSITY BLUES In this explosive and prescient book based on three years of investigative reporting Pulitzer Prize winner Daniel Golden shatters the myth of an American meritocracy Naming names along with grades and test scores Golden lays bare a corrupt system in which middle class and working class whites and Asian Americans are routinely passed over in favor of wealthy white students with lesser credentials children of alumni big donors and celebrities He reveals how a family donation got Jared Kushner into Harvard and how colleges comply with Title IX by giving scholarships to rich women in patrician sports like horseback riding and crew With a riveting new chapter on Operation Varsity Blues based on original reporting *The Price of Admission* is a must read not only for parents and students with a personal stake in college admissions but also for those disturbed by the growing divide between ordinary and privileged Americans Praise for *The Price of Admission* A disturbing exposé of the influence that wealth and power still exert on admission to the nation's most prestigious universities *The Washington Post* Deserves to become a classic *The Economist* **Biography Today** Cherie D. Abbey, 2004-02 Biographical profiles written especially for young readers ages 9 and above *Popular Culture: Global Intercultural Perspectives* Ann Brooks, 2014-07-15 Through popular culture we can define explore and experiment with our identities This vibrant text provides an understanding of popular culture in a globalized world through the intersection of sociology and cultural studies combining cultural theory with a wide range of examples from everyday life including fashion social networking and music drawn from the United States the UK and the Asia Pacific *Always in God's Hands* Owen Strachan, 2018-11-20 This year get to know the true Jonathan Edwards and see the hand of God in your own life like never before Jonathan Edwards is one of the most respected early American theologians In *Always in God's Hands* Owen Strachan

recovers the real Jonathan Edwards the thinker the compassionate father the courageous reformer as opposed to the caricature of him that is often presented Edwards believed God was ever present in each of our lives caring and encouraging us in every moment In a moving letter to his daughter he reminds her of that comforting truth by describing her as always in God s hands Through daily quotes from Edwards s letters and sermons this inspirational devotional reveals the soaring theology and comforting spirituality of one of history s most faithful and gifted pastors With each meditation compiler Owen Strachan offers refreshing and relevant insights encouraging you in your walk with God      **FilmCraft: Producing** Geoffrey Macnab, Sharon Swart, 2013-01-21 Responsible for hiring all members of cast and crew from the director onwards the producer s role is central to the making of any film and responsibilities can include everything from script development to securing financing to masterminding a film s marketing campaign While few film producers are household names they wield a degree of control that only the biggest name directors can aspire to As with all of the FilmCraft titles this book is based on new indepth interviews and features such greats as Tim Bevan Marin Karmitz Jeremy Thomas Jon Kilik Lauren Shuler Donner Jan Chapman and Peter Aalbk Jensen      The United States Constitution in Film Eric T. Kasper, Quentin D. Vieregge, 2018-10-15 The U S Constitution is often depicted in popular films teaching lessons about what this founding document means and what it requires Mr Smith Goes to Washington educates how a bill becomes a law 12 Angry Men informs us about the rights of the accused Selma explores the importance of civil rights voting rights and the freedom of speech Lincoln shows us how to amend the Constitution Not only have films like these been used to teach viewers about the Constitution they also express the political beliefs of directors producers and actors and they have been a reflection of what the public thinks generally true or not about the meaning of the Constitution From the indictment of Warren Court rulings in Dirty Harry to the defense of the freedom of the press in All the President s Men and The Post filmmakers are often putting their stamp on what they believe the Constitution should mean and protect These films can serve as a catalyst for nationwide conversations about the Constitution and as a way of either reinforcing or undermining the constitutional orthodoxies of their time Put another way these films are both symbols and products of the political tug of war over the interpretation of our nation s blueprint for government and politics To the contemporary student and the casual reader popular films serve as an understandable way to explain the Constitution This book examines several different areas of the Constitution to illuminate how films in each area have tried to engage the document and teach the viewer something about it We expose myths where they exist in film draw conclusions about how Hollywood s constitutional lessons have changed over time and ultimately compare these films to what the Constitution says and how the U S Supreme Court has interpreted it Given the ever present discussion of the Constitution in American politics and its importance to the structure of the U S government and citizens rights there is no question that the popular perceptions of the document and how people acquire these perceptions are important and timely      **Privacy Revisited** Ronald J. Krotoszynski Jr, 2016-04-18 Rapid technological change the advent of

Big Data and the creation of society wide government surveillance programs have transformed the accessibility of highly personal information these developments have highlighted the ambiguous treatment of privacy and personal intimacy National legal systems vouchsafe and define privacy and its first cousin dignity in different ways that reflect local legal and cultural values Yet in an increasingly globalized world purely local protection of privacy interests may prove insufficient to safeguard effectively fundamental autonomy interests interests that lie at the core of self definition personal autonomy and freedom Privacy Revisited articulates the legal meanings of privacy and dignity through the lens of comparative law and argues that the concept of privacy requires a more systematic approach if it is to be useful in framing and protecting certain fundamental autonomy interests The book begins by providing relevant and reasonably detailed information about both the substantive and procedural protections of privacy dignity in the U S Canada South Africa the United Kingdom and among Council of Europe member states Second the book explores the inherent tension between affording significant legal protection to the right of privacy or human dignity and securing expressive freedoms notably including the freedom of speech and of the press The author then posits that the protection of privacy helps to illuminate some of the underlying social and political values that lead the U S to fail to protect privacy as reliably or as comprehensively as other liberal democracies Finally the book establishes that although privacy and speech come into conflict with some regularity it is both useful and necessary to start thinking about the important ways in which both rights are integral to the maintenance of democratic self government

**I Won't Grow Up!** Anthony Balducci, 2015-12-09 A film archetype as old as film itself the man child has been an enduring comedy subject Classics as diverse as *Hail the Conquering Hero* 1944 and *The Apartment* 1960 have used the immature male to drive plots and press the importance of growing up But he was not born fully formed it took the shifting social norms of decades to mold the atrocious behavior of the puerile buffoon we know today The man child has come under scrutiny in recent years Prominent writers including David Denby and A O Scott have criticized the modern comedian behaving in shamelessly childish ways This book provides a comprehensive examination of the character of the man child from Andre Deed who debuted on screen in 1901 to Seth Rogen The author discusses changing cultural attitudes about maturity what it means to be an adult what it means to be a child and how those things are becoming increasingly confused
