Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed      **The Evasion of African American Workers** Roderick O. Ford, 2008-10-15 The Evasion of African American

Workers explains through several thought provoking essays precisely how the American legal system avoids the legal mandates of Title VII of the Civil Rights Act of 1964 as well as other state and federal fair employment laws This work consists of stand alone essays which address different aspects of this problem including legal and social history and statutory construction      Reference Library of Black America Reference, 1997      Housing and Planning References United States.

listed include books articles reviews notes news items publishers catalogs promotional materials book jackets dissertations and theses encyclopedias biographical dictionaries handbooks and study guides library reports best seller charts the Index Translationum playbills and advertisements editorials radio transcripts and published letters and interviews The bibliography is arranged chronologically by year Each entry includes bibliographical information an annotation by the authors and information about all reprintings partial or full The index is unusually complete and contains the titles of Wright s works real and fictional characters in the works entries relating to significant places and events in the author s life important literary terminology and much additional information      *The Black Laws* Stephen Middleton,2005 Beginning in 1803 and continuing for several decades the Ohio legislature enacted what came to be known as the Black Laws Stephen Middleton tells the story of this racial oppression in Ohio and provides chilling episodes of how blacks asserted their freedom from the enactment of the Black Laws until the adoption of the Fourteenth Amendment      *Beauty Shop Politics* Tiffany M. Gill,2010-03-03 Looking through the lens of black business history Beauty Shop Politics shows how black beauticians in the Jim Crow era parlayed their economic independence and access to a public community space into platforms for activism Tiffany M Gill argues that the beauty industry played a crucial role in the creation of the modern black female identity and that the seemingly frivolous space of a beauty salon actually has stimulated social political and economic change With a broad scope that encompasses the role of gossip in salons ethnic beauty products and the social meanings of African American hair textures Gill shows how African American beauty entrepreneurs built and sustained a vibrant culture of activism in beauty salons and schools
