Early Childhood Education and Care in Canada Larry Prochner, 2012-01-01 Early childhood education is critical for preparing children for success in formal school settings and as such is a major concern throughout the world This volume brings together ground breaking research in this area to help practitioners students policy makers curriculum designers and intervention program developers understand the latest ideas and advances in the field Recent Perspectives of Early Childhood Education and Care in Canada centres on three key themes The first provides a survey of historical social policy economic and provincial regulations and policies related to early childhood education and care The second focuses on issues

related to children's learning curriculum and teachers. The final theme addresses recent developments in government involvement in early childhood education and care that are unique to Canada. The contributors to this volume demonstrate the pressing need that exists to further public discussion on early childhood education to help policymakers shape better decisions for Canadian families.

The Visionary Director, Third Edition Margie Carter, Luz Maria Casio, Deb Curtis, 2021-01-12. Create a larger vision in your child care program and perform your job as a center director with motivation and creativity. Early childhood leaders Deb Curtis, Margie Carter, and Luz Casio provide inspiration and support in this newly updated edition of *The Visionary Director*. The third edition reflects new requirements and initiatives in early childhood programs, adds QR Code access links with short video stories and print resources that further illuminate the ideas under consideration, has a stronger focus on creating an organizational culture that is shaped by more diverse perspectives with an anti-racist, anti-bias equity lens, updates content to address current early childhood education trends and leadership for an expanded definition of quality. Find a concrete framework for approaching and organizing your work as well as principles, strategies, and self-directed activities to support your vision for building a strong learning community for your staff and the young children in their care.

The Art of Awareness Deb Curtis, Margie Carter, 2022-05-24. With new chapters and updates from early childhood leaders Deb Curtis and Margie Carter, invite early childhood educators to learn the art and skill of observation. The art of observing children is more than merely the act of watching them; it is also using what you see and hear to craft new opportunities in your classroom. This resource provides a wealth of inspiration and practice. It will help early childhood educators learn to observe in new ways, witness children's remarkable competencies as they experience childhood, and find new joy in their work with children. The third edition updates include: New information on schema theory including a list of the definitions of schemas; Updated stories that reflect schema explorations and focus on observing children's ability to get along; Added information on identity development and the anti-bias goals; New chapter on observing children using their bodies; New QR codes to videos to continue learning; Updates on technology and approaches to keeping observations at the center of required assessments.
