Reflection Of Fear:

Reflections of Challenges and Triumphs Lincoln Wallace, 2010-12-23 In his powerful autobiography *Reflections of Challenges and Triumphs* first time author Lincoln Wallace offers an introspective glance into his life's journey from suffering to triumph. Living an emotionally impoverished childhood filled with self-abnegation and doubt, Lincoln could have gone on a downward spiral. Instead, paying heed to his own inner voice and holding fast to his dreams, he lifted himself out of the toxicity of negative beliefs and erroneous misconceptions about his personhood and his destiny, which he ultimately discovered only he could define. Latching on to his natural gift for the martial arts, Lincoln learned the art of respectful self-defense. Through seeking and encountering the best part of himself, he continuously reaches out as a guide and mentor to his admiring family members and students. He especially wants the disenfranchised, marginalized youth of our society to understand that they can lift themselves up even if circumstances aren't ideal or they don't have role models to emulate, and even if they are told that they are not good enough. Such heartless criticisms, outright falsehoods, were meted upon Lincoln by his mother, who berated and downgraded him. Nonetheless, he pursued and achieved his objective of becoming someone enriching lives in the process. I want kids to know that if I did it, they can do it too. What good is having experiences and gaining knowledge if lessons can't be shared, the author observes. His story demonstrates that no matter how downcast a heart may be, hope inheres in self-belief, holding one's head high, having faith in a brighter dawn, and knowing with every breath that such will come.

Reflections of Love and Loathing M. R. Gutierrez, 2014-01-30 On a hot June day, Liliana, a brilliant young woman of Native American, Hispanic, and Anglo-Saxon heritage, is irresistibly drawn to a cowboy despondently leaning on his truck on the side of the highway as she drives home to Grants. *Reflections of Love and Loathing* takes place in New Mexico, where Liliana loses her loving parents when she is five. Secret resources enable her abusive alcoholic grandmother, Carla, to keep her, so Liliana is forced to live with the persistent stalking of a serial pedophile, Joe, who is her great grandfather. When Terry sees her recklessly cross the highway to come to his aid, he begins the wild ride into Liliana's life. After meeting Carla and Joe, he has his doubts about being with Liliana, but soon he realizes that love binds him to her. After driving Terry to his destination in Texas, Liliana learns that Carla has accused her of killing Joe and flees in panic. She wakes to find herself broken and alone, her truck wrecked in a deep arroyo. Only her love for Terry gives her the strength to fight for survival in the flashflood that threatens to finish her off, and only Terry's mysterious link to her allows him to find and rescue her. While she lies broken in the hospital, Terry learns of the perversions and misuse of power that maintained multigenerational sexual abuse that destroyed the lives of three generations of women and dominated Liliana's life with Carla. Then begins Liliana's true challenge. As her body heals, she will have to rise above the emotional damage caused by Carla and the nightmare mirror image of Joe that tempts her to drive Terry away rather than face her fears and believe that she is worthy of Terry's love. The most difficult challenge of all.

Sensationality William Clark, 2006-10 If the contents of this publication were easy to understand it would be a much shorter book It s easy to wonder why being in love with someone or living in fear is so different from liking or being afraid of one thing or another Differences arise because what we like for example is definable but who we love isn t We assume that all words are definable but love isn t and neither is faith appreciation passion or a host of other words which relate to love In truth we can t define the sensation of fear sin or temptation either Why is it that we give such importance to words which can t be defined and why is it that many of our words including mind soul and God escape definition when we re certain that we know what they mean It s only by appreciating certain words that an understanding is achieved Our relationship with God the Father Christ the Son and the Holy Spirit are explored Not in a theological context but a sensational one not so different from a sixth sense perspective Contents of this book also include considerations of anger addiction homosexuality pain

management and much more An attempt is made to tie up all these seemingly diverse subjects into one tightly knit package
