<b>What was the session about?</b>	Today we learnt about power surrounding the law and criminology and how they ultimately link. We went into detail about different statuses in society and how people are treated differently in society because of things like class, ethnicity and gender. We watched a video that was explaining how poor the policing in India is because of the 'class' system and how many children go missing under horrific circumstances
<b>How has this added to your knowledge of the topic?</b>	This furthered my knowledge as I have learnt a lot about power statuses in society, and how different classes for example are treated differently to one another, especially when it comes to street crime against white collar crime.
<b>How has this added to your skills development? Which skills have you used / developed?</b>	My communication skills were improved in this session due to group work and as a result of this I also had to do a lot of note taking and researching methods as I had to do a lot of reading into this topic.
<b>How can you follow-up on this topic, and continue to develop your skills?</b>	I can follow up on this session by researching further and reading articles and things about it to further my understanding
