Reflections for Women Alone Carole Sanderson Streeter, 1987 The Single Woman Jill Reynolds, 2013-03 Single women are a crucial group for study in relation to perceived changes in family life and relationships This book provides a new understanding of what is often taken for granted female single identity Reflections of the Woman Self Wilma Pollette Self, 2008-12 **Methodological Reflections on Women's Contribution and Influence in the History of Philosophy** Sigridur Thorgeirsdottir, Ruth Edith Hagengruber, 2020-07-11 This book introduces methodological concepts aimed at including women in the canon of the history of philosophy The history of women philosophers is as long and strong as the history of philosophy and this holds true not only for the European tradition as the research of women philosophers of the past shows The phenomenon of ignoring and excluding women in 19th and 20th century views on the history of philosophy was a result of the patriarchal tradition that ostracized women in general In this book leading feminist philosophers discuss methodologies for including women thinkers in the canon and curricula of philosophy How does the recovery of women thinkers and their philosophies change our view of the past and how does a different view of the past affect us in the present Studying a richer and more pluralistic history of philosophy presents us with worlds we have never entered and have never been able to approach This book will appeal to philosophers and intellectual historians wanting to view the history of philosophy in a new light and who are in favor of an inclusive perspective on that history **Maude by Christina Rossetti, On Sisterhoods and A Woman's Thoughts About Women By Dinah Mulock Craik** Christina Rossetti, 2019-01-04 Maude was written when Christina Rossetti was 19 and examines the heroine's struggle to resist the notion that modesty and domesticity constitute the duties of women On Sisterhoods by Dinah Mulock Craik advocates the encouragement of Anglican sisterhoods *She's So Fine: Reflections on Whiteness, Femininity, Adolescence and Class in 1960s Music* Laurie Stras, 2017-07-05 She's So Fine explores the music reception and cultural significance of 1960s girl singers and girl groups in the US and the UK Using approaches from the fields of musicology women's studies film and media studies and cultural studies this volume is the first interdisciplinary work to link close musical readings with rigorous cultural analysis in the treatment of artists such as Martha and the Vandellas The Crystals The Blossoms Brenda Lee Dusty Springfield Lulu Tina Turner and Marianne Faithfull Currently available studies of 1960s girl groups girl singers fall into one of three categories industry generated accounts of the music's production and sales sociological commentaries or omnibus chronologies discographies She's So Fine by contrast focuses on clearly defined themes via case studies of selected artists Within this analytical rather than historically comprehensive framework this book presents new research and original observations on the 60s girl group girl singer phenomenon **Reflections** Florine Hase, 2021-06-30 This book Reflections written by my mom is about her life As she wrote down the words that didn't rhyme but had so much meaning reflecting on the words brought her comfort Sometimes words were hard to come by She often felt unloved unwanted and not needed It was a

difficult life for her but she did the best she could What you have read she wouldn't have wanted to make you sad She wanted these writings to bring people joy and peace in their heart and soul For life is short filled with ups and downs We do the best we can for love goes on

Reflections of the Heart Vivian L. Miller, 2021-03-15 This book is meant to give you real ways to defeat dark forces written in story form to give you the tools to gain victory in every circumstance Melanie Singleton dealt with challenges few people ever face As a young child she was drawn to make a difference in the world yet she was approaching thirty and still working at a job that was far from fulfilling The young woman was able to see beneath the carefully constructed facade of most of the people around her Rather than be hurt it was easier and less painful to keep a wall in place As she develops a friendship with the Spencers she discovers that although behavior often reflects the contents of a person's heart there are forces in the fifth dimension which will attempt to influence every individual What happens as Melanie begins to navigate around the obstacles set in place by the fifth dimension Is it possible to turn defeat into victory in spite of those forces Is every decision truly our own or are they reflections of the heart

Great Thoughts from Master Minds ,1908 Eco-Thoughts Anna Lisa Tota,2024-10-08 What if the pollution of the world did not only concern the environment in which we live but also the flow of our thoughts in every moment of everyday life What if those thoughts invasive like locusts could transform and become eco thoughts that make us and others feel good Ecology concerns us from the inside passes through us and literally shapes us what is inside is outside This book offers eco words and eco thoughts as it sheds light on the traps that our minds construct for ourselves that we so often fall into whether we mean to or not It examines the erroneous paths that we sometimes meander down while we are thinking in our everyday lives in order to help us to identify and avoid them The thoughts we formulate are not really ours as if our mind prefers to flow in what has already been thought lived and felt The author offers her reflections and insights to those who wish to direct their minds towards streams of thought that really do belong to us that make us feel good In order to do this we must learn how to disable the traps and free ourselves of what is contaminating before they take hold and harm us An original and thought provoking examination of how are own internal lives can become toxic and how to prevent this that will be of particular value to students and scholars of sociology philosophy communication studies memory studies and social psychology Home Discipline, Or Thoughts on the Origin and Exercise of Domestic Authority.
