**Reflections of the Christ Mind** Paul Ferrini,2000      *Reflections of the Christ Mind* Paul Ferrini,2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him *Reflections of the Christ Mind* presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today      **Laws of Love** Paul Ferrini,2004 *The Laws of Love* offers a rare in depth look at the causes of suffering and the way out of it Drawing from many Wisdom Traditions the Course integrates the insights of Paul Ferrini s 30 books on Spirituality into a comprehensive and powerful whole Like a beautiful and intricately woven tapestry the ten major spiritual principles are described and illustrated Paul s unique ability to synthesise the wisdom of the Taoist Zen Sufi and Hasidic Masters with the heart centred teachings of Jesus makes this material a delight to encounter Presented with absolute clarity this material will help you align your life with the highest teachings available on the planet      *The Silence of the Heart* Paul Ferrini,1996 A powerful sequel to *Love Without Conditions* John Bradshaw says with deep insight and sparkling clarity this book demonstrates that the roots of all abuse are to be found in our own self betrayal Paul Ferrini leads us skilfully and courageously beyond shame blame and attachment to our wounds into the depths of self forgiveness a must read for all people who are ready to take responsibility for their own healing      *Living in the Heart* Paul Ferrini,1998-02 The definitive book on the Affinity Process Now you can learn how to hold a safe loving non judgmental space for yourself and others which will enable you to open your heart and move through your fears If you are a serious student of the Christ Mind teachings this book is essential for you It will enable you to begin a spiritual practice which will transform your life and the lives of others It will also offer you a way of extending the teachings of love and forgiveness throughout your community      **Grace Unfolding** Paul Ferrini,1998-02 This book is not about surrender to an outside authority but to an inside one It is about the relinquishment of our ego consciousness our separated states of heart and mind to a greater consciousness to the essence of love which is the source of who we are      **Creating a Spiritual Relationship** Paul Ferrini,1998 This book is designed for

people who are either in a committed relationship or want to be A committed relationship is one path toward spiritual growth and transformation It is not the only path nor is it a very easy path The seven spiritual laws discussed in Part Two of this book provide a roadmap for couples who are committed to their mutual spiritual growth This simple but profound guide to growth and happiness for couples will help you and your partner weather the ups and downs of your relationship so that you can grow together and deepen the intimacy between you

**Illuminations on the Road to Nowhere** Paul Ferrini,2001-05 There comes a time for all of us when the outer destinations no longer satisfy and we finally understand that the love and happiness we seek cannot be found outside of us It must be found in our own hearts on the other side of our pain This book makes it clear that we can no longer rely on outer teachers or teachings to find our spiritual identity Nor can we find who we are in relationships where boundaries are blurred and one person makes decisions for another If we want to be authentic we can t allow anyone else to be an authority for us nor can we allow ourselves to be an authority for another person This provocative book challenges many of our basic assumptions about personal happiness and the meaning of our relationship with others and with God

*The Wisdom of the Self* Paul Ferrini,1992 Explores our authentic experience and our journey to wholeness

*Real Happiness* Paul Ferrini,2007 Provides a crystal clear roadmap for personal transformation This book is not about the kind of happiness you see on billboards or television commercials It is about being present right now for the ups and downs of life in a loving and compassionate way It is about being ourselves fully and being responsible for what we are creating in our lives It is about being willing to heal our wounds so that we can reconnect with the joy that is our birthright
