"Pimp: Reflection of My Life " Noble Dee, 2013-02-01 In our society today although used out their original contexts the words Pimp and Pimpin have been embraced whole heartedly by todays hip hop generation and frequently used in slang to describe a motif of a newly set standard of flamboyant living However in his debut release Donald Ray Lavan AKA Noble Dee provides the true definition of both words separating the real and the facts from the faade and the fiction of todays controversial terminology Best of all he describes in very minute details what the Game Pimpin was like for him in his era the 1960s to Y2K The New Millienium In this tell all non fiction Noble Dee illustrates in a very blaxploitation manner his personal existence in the game Not only does he exploit his successes he also exposes the very grim details of the life both in tones whereas you the reader bask in his glory and share his pains the pain of possibly regret in the life that he cherished for almost four calendar decades Wholeheartedly Noble Dee expresses how his own glorification of the game indirectly allured his first born daughter into a position to be manipulated and exploited by pimps just as he had manipulated and exploited so

many daughters throughout his 35 years plus career Not since Robert Beck revealed to the masses the vivid street Realities of a Pimps Life in his book Pimp The Story of My Life By Iceberg Slim has the entrenching truth behind the lifestyle termed pimpin been exposed to this degree Thus the primary title Pimp Reflections of My Life www JumpInterstateN biz The moralists, a philosophical rhapsody. Miscellaneous reflections on the preceding treatises Anthony Ashley Cooper Earl of Shaftesbury,1900 "Yes We Can" Wolfgang Mieder,2009 As President Barack Obama outlined his promise for change during the presidential campaign he made effective use of proverbs and proverbial phrases and invented many quotable epithets that have all the makings of future proverbs This book examines how Obama s natural and authentic reliance on traditional metaphors enhances his impressive rhetoric rather than reducing it to mere sound bites Proverbs with their often colorful metaphors add expressiveness and emotion to his communications giving people the opportunity to follow his pragmatic or philosophical arguments through common language No matter the subject Obama s prose contains metaphorical language that makes his rhetoric and oratory universally accessible This book contains detailed analyses of the proverbial rhetoric in Obama s books Dreams from My Father 1995 and The Audacity of Hope 2006 A section looks at his proverbial language in 229 speeches news conferences interviews and radio addresses and the final section presents in depth studies of his seven most significant addresses It includes a comprehensive contextualized index of 1714 proverbial texts found within the writings and speeches from Obama s political beginnings to his memorable inaugural address Our Light Body MARY ELIZABETH. Reflections of God's Work Paul McLean,2010-08-23 This work by Paul McLean is a deep weekly devotional that is both introspective and interactive It is a weekly study as opposed to a daily reading in order to involve the reader on a more contemplative journey into focused biblical issues By use of a weekly instead of a daily study this devotional allows an opportunity to go deeper with God by narrowing the reader s focus on particular biblical principles that impact his or her personal sphere McLean vigorously maintains that Bible study deep personal analysis and prayer are critical anchors in weathering any of life s storms while at the same time producing Christian growth and maturity They are also the pillars from which growth life balance and fulfillment are achieved This book is interactive through the use of journaling thoughts impressions and messages received through connecting with God s word Bible during the week Essentially the reader evaluates his or her life by answering in journalistic form pointed and personal life questions McLean believes that prayer and contemplative study play critical roles in the process of hearing from God This devotional can also be used as a study guide for group sharing and personal growth Each chapter touches on insights and personal experiences McLean has encountered in his work as a probation officer and from his involvement in prison ministry He discovered that by witnessing the transforming power of Jesus Christ in the lives of criminal offenders he was changed and shaped by God for a higher purpose **Reflection** Guzziferno,2022-10-27 An updated view or summary of sociology in regards to our present human

social direction and how Statecraft evolution and Polity is impacting our social progress This book attempts in a brief and simplistic way to map our social and political direction using history and to understand human nature by studying the choice of direction taken thus far Whether by varying levels of ignorance indifference love concern determination or greed activity or inactivity humanity will inevitably reveal its future strengths and weaknesses by the course of its own actions This book attempts to discuss and ask why we still exhibit the same existing antiquated problems in modern day society despite our lessons from history and the many directions of political evolution experienced These problems are now compounded with our new social values and runaway technical evolution which now heightens our perilous position in the 21 century resulting with the deficiencies in our domestic and foreign policies and our rapidly changing ecology Perhaps another appropriate title for this manuscript would be the power and nature of human greed Finally the author attempts to describe the possible remedies from a simple citizen s point of view and in terms that would hopefully be understandable to other simple citizens in a great country where simple citizens are supposed to be the active part of a people s government A people s government that is supposed to Reflect the many rights and regulations of the Constitution of the United States of America
