Reflections of My Heart Ken Oswald, 2011-02 Life is an adventure, sometimes we take it for granted. Reflections of my heart are things, emotions and feelings I have felt and lived through in my life that many of you may be able to relate to as well. People come into your life for a reason, a season or a lifetime. When someone is in your life for a REASON, it is usually to meet a need you have expressed. They have come to assist you through a difficulty to provide you with guidance and support. To aid you physically, emotionally or spiritually. They may seem like a godsend and they are. They are there for the REASON you need them to be. Some people come into your life for a SEASON because your turn has come to share, grow or learn. They bring you an experience of peace or make you laugh. They may teach you something you have never done. They usually give you an unbelievable amount of joy. Believe it, it is real. But only for a SEASON. LIFETIME relationships teach you lifetime lessons. Things you must build upon in order to have a solid emotional foundation. Your job is to accept the lesson, love the person and put what you have learned to use in all other relationships and areas of your life. It is said that love is blind, but friendship is clairvoyant. Thank you for being a part of my life. Whether you were a reason, a season or a lifetime.

Reflections of My Life Betty Dawson, 2022-11-30 Living in a quiet corner of rural Northern Ireland in the 50s and 60s children had an idyllic freedom to explore plus a healthy respect for hard work and community spirit Moving from this to the bustle and confusion of London enjoying a short spell living in historic Bath to then living in the Far East was in itself a lifetime experience But follow this on with a broken marriage a protracted divorce and the harsh realities of living with the troubles in Northern Ireland was a route not experienced by everyone Starting again in the hitherto unknown world of a word smith in Public Relations which included working across the UK Europe Bosnia during and post conflict and in Kosovo post conflict was a new route This process was an accidental rather than a deliberate choice It flowed out of necessity drawn by instinctive reaction to circumstances rather than by design These experiences form the basis of this narrative

Reflections of My Thoughts Shaneen A. Harris, 2011-12-22 Reflections Of My Thoughts depicts a woman who is torn between her flesh her spirit and her underlying desire for freedom strength and the ability to dream again represented by the unicorn in whatever form it may be However her questions and desire for understanding who she believes she is with where she is in life ultimately lead her on a spiritual journey It is an attempt to articulate the challenges that she faces with her flesh such as jealousy lust anger true friendship self imagery and faith This is a story of a woman who learns that her ability to persevere through challenges her real freedom strength ability to dream and ultimately her identity comes not from her rather Jesus Christ who has sustained her even when she didn't realize or acknowledge He existed

Reflections of Life Kenneth D. Williams, 2016-05-21 Reflections on Life is a semi biography of my life's experiences I found that poetry was my best outlet for expressing my thoughts on many of my personal experiences and most of them are inspired by either an individual or a life event that I felt a need to capture and share Many people may have had similar experiences and can relate with my words I hope that my penned words can be an inspiration or can offer solitude or gratification to others Writing is a gift from God and I hope that my gift will be a present to your presence and a pathway to individual peace

"Pimp: Reflection of My Life" Noble Dee, 2013-02-01 In our society today although used out of their original contexts the words Pimp and Pimpin have been embraced wholeheartedly by today's hip hop generation and frequently used in slang to describe a motif of a newly set standard of flamboyant living However in his debut release Donald Ray Lavan AKA Noble Dee provides the true definition of both words separating the real and the facts from the faade and the fiction of today's controversial terminology Best of all he describes in very minute details what the Game Pimpin was like for him in his era the 1960s to Y2K The New Millennium In this tell all non fiction Noble Dee illustrates in a very blaxploitation manner his personal existence in the game Not only does he exploit his successes he also exposes the very grim details of the life both in tones where as you the reader bask in his glory and share his pains the pain of possibly regret in the life that he cherished for almost four calendar decades Wholeheartedly Noble Dee expresses how his own glorification of the game
