## Reflections On Diabetes:

**Sweet Invisible Body** Lisa Roney, 2000-08 Now in paperback this vivid and often beautifully written account of the realities of diabetes Chicago Tribune is essential reading for diabetics and their friends and families Lisa Roney was diagnosed with diabetes just before her twelfth birthday This is her candid and exquisitely written account of how the disease directly affects the choices she makes every day in every aspect of her life from food and exercise to career and family What sets this apart from other testimonies about living with an illness is Roney's remarkable willingness to reveal the usually hidden emotional consequences of her affliction erosion of her self esteem feelings of vulnerability the influence on her sexual choices and heightened awareness of mortality Full of wisdom humor and practical advice Sweet Invisible Body will be welcomed by diabetics and their friends and families who have never before had a spokesperson as articulate honest and insightful as Lisa Roney

**Reflections on a Life with Diabetes** Diane M. Parker, Ruth E. Mark, 2004-06 In this candid anthology the authors take you on a tour of their experiences living with diabetes This is not a technical or scientific book but one that exposes the tender emotions of living with this chronic disease There is humor warmth and compassion in these poems and stories written by diabetics their families and friends Lisa Haynes talks affectionately about her mother's feet in her poem Feet Like Small Children we learn what it's like for a mother to discover her young daughter has diabetes in Anne Leigh Parrish's A Whole New World Wilson and Kartonis take us into their playful fantasy about food in Living the Sweet Life and Cheri and Jade Brooks give us different perspectives on the same hypoglycemic episode in Inferno and Mirrors in the Sun These are but a few of the narratives you'll find in these pages This is the first book of its kind to introduce you to the emotional workings of diabetes from a creative nonfiction point of view It incorporates all aspects of diabetes from diagnosis to complications and finally survival

**Reflections on Diabetes** American Dietetic Association, 1996-09-01 A collection of many of those stories written by people who have learned from the experience of living with the disease

*My Life as a Pancreas* Priscilla Call Essert, 2006

*Reflections of a Cat Whisperer* Mary Ann Clifford, 2012-11-30 Reflections of a Cat Whisperer is a journey through childhood and then into life as an adult The short stories thoughts and verses are descriptions of the interactions between numerous felines and me throughout the years This collection is not one continuous story rather it contains descriptions of moments with my thundering herd and other felines It is about a magical way of looking at life through which I received wisdom and continue to do so from these marvellous creatures

*The Routledge History of Disease* Mark Jackson, 2016-08-05 The Routledge History of Disease draws on innovative scholarship in the history of medicine to explore the challenges involved in writing about health and disease throughout the past and across the globe presenting a varied range of case studies and perspectives on the patterns technologies and narratives of disease that can be identified in the past and that continue to influence our present Organized thematically chapters examine particular forms and conceptualizations of disease covering subjects from leprosy in medieval Europe and cancer screening practices in

twentieth century USA to the ayurvedic tradition in ancient India and the pioneering studies of mental illness that took place in nineteenth century Paris as well as discussing the various sources and methods that can be used to understand the social and cultural contexts of disease Chapter 24 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 3.0 license <https://www.routledgehandbooks.com/doi/10.4324/9781315543420.ch24>
