**Reigning in Victory** Reverend Lelia Burgess, 2016-06-08 My book Reigning In Victory will encourage the readers that inspite of issues and challenges they face in life they can still Reign In Victory It requires a mindset and a determined spirit to make a difference in life Reigning In Victory does not mean that on this journey of life we will not have troubles problems disappointments trials persecution and set backs in our lives However inspite of all the issues and challenges that ones life maybe confronted with it is not what happen to you that really matters but what really matters is the way you handle what happen to you The way we think has a lot to do with the way we live If you think you can do a thing then you can do it Also if you think you can't do a thing you will eventually talk yourself out of even trying to complete the task If your thinking is not in line with fulfilling your God given purpose you will most likely settle for existing instead of thriving to be all that God wants you to be and enjoying this abundant life that we have been given Reigning in Victory will require one to live on purpose to complete the assignments given unto us by God to be world changers and make a difference in the lives of people everywhere This all begins when one change the way they think and then their whole world around them changes Learn to see the glass as half full instead of seeing it as half empty The way you think and your attitude will determine your altitude This book encourages the reader to do just that I can do all things through Christ which strengthens me That is my mindset and I want to help others to change the way they think and Reign In Victory

K. Barrett,Fred Barrett,2018-05-04 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one s tradition and theology The sermons in these volumes demonstrate what such preaching can look like This third volume presents sermons from both the Old Testament and the New Testament
