Refugee community organisations and dispersal Griffiths, David, Sigona, Nando, 2005-10-05 The book is distinctive in combining theoretical discussion on the role of networks resources and social capital with fieldwork evidence and interviews with members of RCOs non governmental organisations NGOs and statutory authorities It critically examines the impact of dispersal and current legislative change on refugee communities and RCOs explores the integrative role of RCOs assesses the race relations framework in Britain and its effects on refugee organisations and provides a thorough and up to date literature review Refugee community organisations and dispersal is essential reading for practitioners and policy makers academics researchers and students of social policy social geography sociology and politics Members of NGOs working with refugees or in local government community workers and members of refugee communities themselves will also be keenly interested in the book Comparative issues raised by the research will be of direct interest to readers in other countries

Community Groups in Context Angus McCabe, Jenny Phillimore, 2017-03-15 In the past decade community groups have been portrayed as the solution to many social problems Yet the role of below the regulatory radar community action has received little research attention and thus is poorly understood in terms of both policy and practice Focusing on self organised community activity this book offers the first collection of papers developing theoretical and empirically grounded knowledge of the informal unregistered yet largest part of the voluntary sector The collection includes work from leading academics activists

policy makers and practitioners offering a new and coherent understanding of community action below the radar The book is part of the Third Sector Research Series which is informed by research undertaken at the Third Sector Research Centre funded by the Economic and Social Research Council and Barrow Cadbury Trust **Spreading the 'burden'?** Robinson, Vaughan, Andersson, Roger, 2003-07-30 European governments are now engaging in one of the largest exercises in social engineering that the continent has seen since the Second World War Hundreds of thousands of asylum seekers and refugees in Europe are now being denied their basic right to choose where they live and are instead being compulsorily dispersed Spreading the burden is the first book length study of dispersal policies explicitly comparative in nature and written by three national experts highly topical and controversial as the review of dispersal policies is under way in many countries a valuable case study of how society deals with outsider groups and space The book is essential reading for national and local policy makers those interested in human rights social policy and refugee studies as well as human geographers and sociologists

Refugee Children In The Uk Rutter, Jill, 2006-06-01 Includes statistical tables and graphs **The Dispersal and Social Exclusion of Asylum Seekers** Patricia Hynes, 2011 Establishing asylum seekers in the UK as a socially excluded group this book provides readers with an understanding of how they experience the dispersal system and gives an insight into how this impacts on their lives The Crux of Refugee Resettlement Andrew Nelson, Alexander Rödlach, Roos Willems, 2018-12-13 While the world's refugee population reaches record high numbers countries offering third country resettlement are increasingly shifting toward policies of exclusion and austerity This edited volume envisions a more humane future for refugee resettlement Combining anthropology with a variety of professional perspectives education health care theology administration politics and social work ethnography is used to demonstrate the efficacy of programs and interventions that create and nurture social capital in culturally specific and accessible ways The contributors present case studies of resettlement in the United States England Australia and Canada and contend that social networks have an essential role are the crux in the reconfigurations of refugee well being belonging and place making vis vis the bureaucratic limitations of state and institutional factors This book includes short contributions from refugees representatives of resettlement organizations and government officials including Jhuma N Acharya Bimala Bastola Khada Bhandari Kiri Hata Govin Magar Madhu Neupane Natacha Nikokeza Angela K Plummer Lance Rasbridge Chris Sunderlin David Thatcher and John Tuang Building on Diversity, 2006 **Towards Understanding Community** C. Clay, M. Madden, L. Potts, 2007-11-09 Written in the temporal and political context of the British New Labour Government's ongoing reliance on the word community academics and activists critically engage here with the range of ways in which contemporary ideas of community are being used and contested The key focus is on understanding community from action into theory and vice versa *A Handbook of Integration with Refugees* Esa Aldegheri, Dan Fisher, Alison Phipps, 2025-07-24 This Handbook brings together the viewpoints of academics practitioners artists and people seeking refuge in Scotland to explore the global learnings that can be gained

from this context The book engages with the challenge of supporting integration as multi directional processes within a broader setting in which forced migration is often criminalised Situating its analysis of integration in Scotland the book combines chapters based in theory which explore issues ranging from the concept of integration to law borders and integration policy with creative and practical responses to these issues The book offers hopeful alternatives to current realities of forced migration and a compelling challenge to dominant narratives related to refuge and integration It will be of interest to practitioners policymakers and scholars working with refugees and asylum seekers around the world This book is open access under a CC BY ND licence

Multiculturalism, Social Cohesion and Immigration Martin Bulmer, John Solomos, 2017-10-02 Multiculturalism Social Cohesion and Immigration brings together original research that addresses key facets of the changing dynamics of race multiculturalism and immigration in contemporary British society The various chapters in this volume tackle important social and political issues such as ethnic diversity and segregation post race politics contact and threat hypotheses national identity anti racist mobilisation and whiteness It provides an important insight into the dynamics of contemporary British society This book was originally published as a special issue of Ethnic and Racial Studies

New Directions in Race, Ethnicity and Crime Coretta Phillips, Colin Webster, 2013-10-08 The disproportionate criminalisation and incarceration of particular minority ethnic groups has long been observed though much of the work in criminology has been dominated by a somewhat narrow debate This debate has concerned itself with explaining this disproportionality in terms of structural inequalities and socio economic disadvantage or discriminatory criminal justice processing This book offers an accessible and innovative approach including chapters on anti Semitism social cohesion in London Bradford and Glasgow as well as an exploration of policing Traveller communities Incorporating current empirical research and new departures in methodology and theory this book also draws on a range of contemporary issues such as policing terrorism immigration detention and youth gangs In offering minority perspectives on race crime and justice and white inmate perspectives from the multicultural prison the book emphasises contrasting and distinctive influences on constructing ethnic identities It will be of interest to students studying courses in ethnicity crime and justice

Vulnerable Groups in Health and Social Care Mary Larkin, 2009-06-04 Carefully researched and highly readable this textbook looks at the experiences and health and social needs of key vulnerable groups It presents an engaging social science perspective relevant to everyone exploring how we and society care for the vulnerable Each chapter defines and explores a vulnerable social group bringing together theoretical policy and practice perspectives The lively and engaging style enables the reader to engage with the client group and to reflect upon their own learning and practice in a more meaningful way

The Migration and Settlement of Refugees in Britain A. Bloch, 2002-08-12

The increase in the number of asylum seekers arriving in Europe has placed the issue of migration high on the policy agendas of national governments and the European Union This book analyzes the impact of policy on the social and economic settlement of refugees in Britain in that context The issues explored include current UK and EU migration policy the history of migration to Britain and policy responses theories of migration and migrant settlement social and economic settlement of refugees in Britain including language employment social networks the migratory process community development and policy recommendations

Refugee Protection and the Role of Law Susan Kneebone,Dallal Stevens,Loretta

Baldassar,2014-06-27 Sixty years on from the signing of the Refugee Convention forced migration and refugee movements continue to raise global concerns for hosting states and regions for countries of origin for humanitarian organisations on the ground and of course for the refugee This edited volume is framed around two themes which go to the core of contemporary refugeehood protection and identity It analyses how the issue of refugee identity is shaped by and responds to the legal regime of refugee protection in contemporary times The book investigates the premise that there is a narrowing of protection space in many countries and many highly visible incidents of refoulement It argues that Protection which is a core focus of the Refugee Convention appears to be under threat as there are many gaps and inconsistencies in practice Contributors to the volume who include Erika Feller Elspeth Guild H l ne Lambert and Roger Zetter look at the relevant issues from the perspective of a number of different disciplines including law politics sociology and anthropology The chapters examine the link between identity and protection as a basis for understanding how the Refugee Convention has been and is being applied in policy and practice The situation in a number of jurisdictions and regions in Europe North America South East Asia Africa and the Middle East is explored in order to ask the question does jurisprudence under the Refugee Convention need better coordination and how successful is oversight of the Convention

Refugees, Capitalism and the British State Tom

Vickers,2016-04-08 Today in a period of economic crisis public sector cuts and escalating class struggle Marxism offers important tools for social workers and service users to understand the structures of oppression they face and devise effective means of resistance This book uses Marxism s lost insights and reinterprets them in the current context by focussing on one particular section of the international working class refugees and asylum seekers in Britain Vickers analysis demonstrates the general utility of a Marxist approach enabling an exploration of the interplay between state policies how these are experienced by their subjects and how conflicts are mediated The substantive focus of the book is twofold to analyse the material basis of the oppression of refugees in Britain by the British state and to examine the means by which the British state has managed this oppression through the cultivation of a refugee relations industry within a broader narrative of social capital building These questions demand answers if social workers and other practitioners are to successfully work with refugees and asylum seekers and this book provides these through a detailed Marxist analysis

The Oxford Handbook of Refugee and Forced Migration Studies Elena Fiddian-Qasmiyeh,Gil Loescher,Katy Long,Nando Sigona,2014-06-12 Refugee

and Forced Migration Studies has grown from being a concern of a relatively small number of scholars and policy researchers in the 1980s to a global field of interest with thousands of students worldwide studying displacement either from traditional disciplinary perspectives or as a core component of newer programmes across the Humanities and Social and Political Sciences Today the field encompasses both rigorous academic research which may or may not ultimately inform policy and practice as well as action research focused on advocating in favour of refugees needs and rights This authoritative Handbook critically evaluates the birth and development of Refugee and Forced Migration Studies and analyses the key contemporary and future challenges faced by academics and practitioners working with and for forcibly displaced populations around the world The 52 state of the art chapters written by leading academics practitioners and policymakers working in universities research centres think tanks NGOs and international organizations provide a comprehensive and cutting edge overview of the key intellectual political social and institutional challenges arising from mass displacement in the world today The chapters vividly illustrate the vibrant and engaging debates that characterize this rapidly expanding field of research and practice

Displacement, Asylum and the City René Kreichauf, Birgit Glorius, 2023-05-22 This edited volume draws attention to the interlinked yet understudied relationship between the role of cities in dealing with international displacement and forced migration and the influence of forced migration in stimulating spatial societal and institutional transformations in and of cities In 2022 almost 84 million people worldwide were forcibly displaced More than two thirds of them reside in urban areas Displacement and forced migration are an urban experience and an urban story of those seeking protection This book helps us understanding the conditions of displaced population in cities and the way cities and urban actors respond to recent migration trends It applies an urban perspective to the analysis of migration processes and it provides insights into the urban governance of forced migration and asylum the production of spaces related to forced migration and the role of the displaced population as actors of urban change Thereby it covers a broad spectrum of topics including migrant dispersal welfare and social protection urban humanitarian policymaking and governance neighbourhood development migrant solidarity and refugee protest and new refugee and migrant destinations Given the increasing mobility and displacement of human populations this book provides a relevant prerequisite for readers interested in current urban forced migration and asylum trends and on the intersections of those topics The book will be of great value to researchers and academics of Geography Migration and Urban Studies The chapters in this book were originally published as a special issue of Urban Geography

The Exclusionary Politics of Asylum V. Squire, 2016-01-12 This critique of the securitization and criminalization of asylum seeking challenges the claim that asylum seekers threaten receiving states It analyzes recent policy developments in relation to their wider historical political and European contexts and argues that the UK response effectively renders asylum seekers as scapegoats
