Singerman presents the work for the first time since the beginning of the nineteenth century and the first time ever in English The volume features a rich collection of supplementary documents including texts by Lezay Marnésia's son Albert de Lezay Marnésia and the American novelist Hugh Henry Brackenridge This fresh perspective on the young United States as it was represented in French literature casts new light on a captivating and tumultuous period in the history of two nations

Dark Vanishings Patrick Brantlinger, 2014-01-15 Patrick Brantlinger here examines the

commonly held nineteenth century view that all primitive or savage races around the world were doomed sooner or later to extinction Warlike propensities and presumed cannibalism were regarded as simultaneously noble and suicidal accelerants of the downfall of other races after contact with white civilization Brantlinger finds at the heart of this belief the stereotype of the self exterminating savage or the view that savagery is a sufficient explanation for the ultimate disappearance of savages from the grand theater of world history Humanitarians according to Brantlinger saw the problem in the same terms of inevitability or doom as did scientists such as Charles Darwin and Thomas Henry Huxley as well as propagandists for empire such as Charles Wentworth Dilke and James Anthony Froude Brantlinger analyzes the Irish Famine in the context of ideas and theories about primitive races in North America Australia New Zealand and elsewhere He shows that by the end of the nineteenth century especially through the influence of the eugenics movement extinction discourse was ironically applied to the great white race in various apocalyptic formulations With the rise of fascism and Nazism and with the gradual renewal of aboriginal populations in some parts of the world by the 1930s the stereotypic idea of fatal impact began to unravel as did also various more general forms of race based thinking and of social Darwinism

Atomic Bomb Cinema Jerome F. Shapiro, 2013-05-13 Unfathomably merciless and powerful the atomic bomb has left its indelible mark on film In Atomic Bomb Cinema Jerome F Shapiro unearths the unspoken legacy of the bombing of Nagasaki and Hiroshima and its complex aftermath in American and Japanese cinema According to Shapiro a Bomb film is never simply an exercise in ideology or paranoia He examines hundreds of films like Godzilla Dr Strangelove and The Terminator as a body of work held together by ancient narrative and symbolic traditions that extol survival under devastating conditions Drawing extensively on both English language and Japanese language sources Shapiro argues that such films not only grapple with our nuclear anxieties but also offer signs of hope that humanity is capable of repairing a damaged and divided world www.atomicbombcinema.com

Ira Hamilton Hayes from the perspective of a Native American combat veteran of the Vietnam generation Hayes along with five other Marines was captured in Joe Rosenthal's iconic photograph of raising the stars and stripes on Mount Suribachi during the battle for the Japanese Island of Iwo Jima The photograph was the inspiration and model for the U S Marine Corps War Memorial in Arlington Between the time he helped raise that flag and his death and beyond he was the subject of more newspaper columns than any other Native person He was hailed as a hero and maligned as a chronic alcoholic unable to take care of himself IRA HAYES explores these fluctuating views of Ira Hayes It reveals that they were primarily the product of American misconceptions about Native people the nature of combat and even alcoholism Like most surviving veterans of combat Ira did not think of himself as a heroic figure There can be no doubt that Ira suffered from PTSD which is a compound of survivor's guilt the shock of seeing death especially of one's friends and the isolation brought on by feeling that no one could understand what he had been through Ira's life has been a subject of two motion pictures and a television drama All these dramas sympathize with him but ultimately fail to see his binge drinking as his way of temporarily escaping the melancholy the rage he felt his sense of betrayal and the sheer boredom of peacetime IRA HAYES breaks apart the complexities of Ira's short life in honor of all Native veterans who have been to war in the service of the United States This is equally their story
