The Boy at the Gate Danny Ellis, 2013-09-01 Danny Ellis is a survivor strong and resilient An acclaimed singer songwriter he is proud of the way he handled his difficult past poverty in the 1950s Dublin slums and the brutality of the Artane Industrial School He felt as though he had safely disposed of it all until one night while writing the powerful song that would launch his highly praised album 800 Voices A searing testament Irish Times Danny's past crept back to haunt him Confronted by forgotten memories of betrayal and abandonment he was stunned to discover that his eight-year-old self was still trapped in a world he thought he had left behind Although unnerved by his experience Danny begins an arduous journey that leads him back to the streets of Dublin the tenement slums and ultimately the malice and mischief of the Artane playground What he discovers with each twist and turn of his odyssey will forever change his life Elegantly written this is a brutally honest often harrowing depiction

of a young boy's struggle to survive orphanage life and stands as an inspiring testament to the healing power of music and love **The Writers Directory**, 2013 **The Whole Sermons of Jeremy Taylor ...** Jeremy Taylor, 1841 **The Boy with the Perpetual Nervousness** Graham Caveney, 2018-07-03 An enthralling emotional memoir that recounts the ups and downs of coming of age set against the music and literature of the 1970s Raised in a small town in the north of England known primarily for its cotton mills football team and its deep roots in the Respectable Working Class Graham Caveney armed himself against the confusing nature of adolescence with a thick accent a copy of Kafka and a record collection including the likes of the Buzzcocks and Joy Division All three provided him the opportunity to escape even if just in mind beyond his small town borders But when those passions are noticed and preyed upon by a mentor everything changes Now as an adult Caveney attempts to reconcile his past and present coming to grips with both the challenges and wonder of adolescence music and literature By turns angry despairing beautifully written shockingly funny and ultimately redemptive **The Boy with Perpetual Nervousness** is a tribute to the power of the arts and a startling original memoir that feels as if it had to be written and demands to be read **The Guardian UK** [Chasing Hepburn](#) Gus Lee, 2011-07-27 **Chasing Hepburn** is the story of the Lee family a saga spanning four generations two continents and a century and a half of Chinese history In the masterful hands of acclaimed author Gus Lee his ancestors stories spring vividly to life in a memoir with all the richness of great fiction From the time of her birth in 1906 it was expected that Gus Lee's mother Tzu Da tsien would become an elegant bride for a wealthy provincial man But she was shunted onto a less certain path by age three when her warmhearted father rescued her from her foot binding ceremony in response to her terrified screams This dramatic rejection of tradition was the first of many clashes that would lock the family in a constant struggle between Chinese customs and modern ways Later with the Chinese countryside in the grip of civil war the Tzu family moved to Shanghai seeking financial stability There Da tsien met Lee Zee Zee the dashing son of the Tzus landlord who lived across the street With their patriarch succumbing to opium addiction Zee Zee's family was on the brink of ruin and Da tsien's mother was working hard to secure her big footed daughter's marriage to a wealthy older man But not even the protests of both families could keep the lovers apart and these two socially displaced clans were reluctantly united Over the course of their courtship and marriage Zee Zee and Da tsien would encounter the most important movements and figures of the times including underworld gangsters Communist students and workers revolutionary armies Christian missionaries and legions of invading Japanese soldiers Zee Zee became an ardent anti Maoist and an ally of the highest ranking leaders in the Chinese Nationalist movement But his flights from tradition took him away from his young family first into Chiang Kai shek's air force and later to America in search of his idol Katharine Hepburn Faced with this abandonment and with the chaos of the Japanese occupation Da tsien would rely on all of her resources traditional and modern faith superstition tremendous courage and her strong feet in an attempt to preserve her family Gus Lee takes us straight into the heart of twentieth century Chinese society offering a clear eyed yet

compassionate view of the forces that repeatedly tore apart and reconfigured the lives of his parents and their contemporaries He moves deftly from recounting intimate household conversations to discussing major historical events and the resulting story is by turns comic harrowing heroic and tragic For most of her life Da tsien prayed for a son who would honor his family and respect his Chinese heritage In this enthralling tribute Gus Lee lovingly accomplishes both *Once Upon a Time There Was a Three-Year-Old Grandpa* David Janzen,2024-07-18 This eccentric title recalls a collection of tales first told to grandchildren at bedtime Each chapter begins with a fun to read farmer boy story from the 1940s an era before industrial farming when horses cows and chickens were still members of the family These anecdotes each launch a theme that splashes down with further development in later decades of life Diverse topics include imaginative play construction crew humor animal intelligence contemplative prayer and journal writing rural and urban farming communal wisdom and affordable housing along with a few serious pranks and the prophetic mischief that follows This memoir is also a confession in the pattern of Augustine reflecting on God s in breaking initiatives and the writer s emerging sense of calling in lifelong conversation with Jesus Its stories offer a series of curiosity driven on ramps into eight decades of transformative experiences for curious souls to ponder an open eyed faith and a communal way of life for the long haul *The London Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc* ,1823 **Somebody's Someone** Regina Louise,2025-05-01 In this poignant and heart wrenching true story Regina Louise recounts her childhood search for connection in the face of abuse neglect and rejection What happens to a child when her own parents reject her and sit idly by as others abuse her In this poignant heart wrenching debut work Regina Louise recounts her childhood search for someone to feel connected to A mother she has never known but long fantasized about deposited her and her half sister at the same group home that she herself fled years before When another resident beats Regina so badly that she can barely move she knows that she must leave this terrible place the only home she knows Thus begins Regina s fight to survive utterly alone at the age of 10 A stint living with her mother and her abusive boyfriend is followed by a stay with her father s lily white wife and daughters who ignore her before turning to abuse and ultimately kicking her out of the house Regina then tries everything in her search for someone to care for her and to care about from taking herself to jail to escaping countless foster homes to be near her beloved counselor Written in her distinctive and unique voice Regina s story offers an in depth look at the life of a child who no one wanted From her initial flight to her eventual discovery of love your heart will go out to Regina s younger self and you ll cheer her on as she struggles to be Somebody s Someone **Sporting Magazine** ,1802 **The Complete Works of Shakspeare** William Shakespeare,1867 [Dicks' complete edition of Shakspeare's Works](#) William Shakespeare,1866
