Sdi Challenge To Europe:

Bulletin of the Atomic Scientists ,1987-11 **The Space Challenge for Europe** ,1985 **The Crisis of Détente in Europe** Leopoldo Nuti,2008-11-11 This edited volume is the first detailed exploration of the last phase of the Cold War taking a critical look at the crisis of détente in Europe in the late 1970s and early 1980s The transition from détente to a new phase of harsh confrontation and severe crises is an interesting indeed crucial phase of the evolution of the international system This book makes use of previously unreleased archival materials moving beyond existing interpretations of this period by challenging the traditional bipolar paradigm that focuses mostly on the role of the superpowers in the transformation of the international system The essays here emphasize the combination and the interplay of a large number of variables political ideological economic and military and explore the topic from a truly international perspective Issues covered include human rights the Euromissiles the CSCE Commission on Security and Cooperation in Europe the Revolution in Military Affairs economic growth and its consequences European Integration and the Atlantic Community in the 1980s Kiran Klaus Patel,Kenneth Weisbrode,2013-09-02 This collection of essays weaves together the histories of European integration and the transatlantic alliance in the 1980s Securing Europe's Future Stephen J. Flanagan,Fen Osler Hampson,2021-01-26 This book first published in 1986 analyses a number of emerging enduring and neglected issues that affected European security and the stability of the Atlantic Alliance at the end of the Cold War It provides a comprehensive review of the major political social and economic issues that shaped the course of European security It offers a thorough assessment of such critical questions as European views of the US Strategic Defense Initiative the contribution of new technologies and tactics to NATO's conventional defence capabilities and domestic factors that influenced security policy It also provides original analysis of a number of issues such as economic dimensions of security the quest for a European defence identity and protection of Western interests outside the NATO area It provides a review of the nuclear question and of the German security debate in the aftermath of the initial US INF missile deployments **The Strategic Defense Initiative, Progress and Challenges** Douglas C. Waller,James Bruce,Douglas M. Cook,1987 *NATO and the Strategic Defence Initiative* Luc-André Brunet,2022-08-19 This book explores the largely neglected issue of responses to the US Strategic Defence Initiative SDI or the Star Wars missile defence programme across NATO The chapters here explore the reactions of different Western allies to the announcement of the SDI in 1983 and especially the 1985 invitation to participate While existing studies have explored the origins of the American programme and the role it may have played in ending the Cold War this volume breaks new ground by considering the impact of the SDI on transatlantic relations in the 1980s Based on newly available archival sources this volume re evaluates the responses of eight NATO member state governments as well as the Soviet leadership to the SDI In addition to looking at top down governmental reactions the volume also explores the bottom up response to the SDI of civil society and peace activists on both sides of the Atlantic The volume examines how the American initiative derisively named

Star Wars by its detractors provoked a crisis in relations with its allies during the final decade of the Cold War and how those tensions within NATO were ultimately resolved This book will be of much interest to students of Cold War history strategic studies foreign policy and international history *Britain and Ballistic Missile Defence, 1942-2002* Jeremy Stocker, 2004-08-02 Defence against ballistic missiles has been a subject of UK political policy and technical investigation since World War II this book analyses that long history **Bulletin of the Atomic Scientists** ,1987-11 Star Wars and European Defence Hans Gunter Brauch, 1987-06-18
