Whall,2017-09-09 Excerpt from Ships Sea Songs and Shanties Second edition being called for so soon is gratifying to me Curiously A enough I find that as many shore people are interested in these songs as sailors I have added a few more Songs and Shanties of course there are numbers of others but I think this selection is fairly representative I have been asked why The Banks of Sacramento is not inserted 3 this was nothing but an old Christy Minstrel song turned into a Shanty and for that reason I omitted it Questions have been asked about others but it is impossible to use all About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
