Sea Waif:

Sea-waif Silas Kitto Hocking, 1882 **Bullen's Voyages** Alston Kennerley, 2022-09-30 Frank Bullen burst on the national and international popular literary scene at the end of the nineteenth century like a supernova which shone for the first decade or so of the next century and then was gone But the memory of that brilliance lasts like his fictional whaling epic *The Cruise of the Cachalot* into the present this is a book still in print in any number of editions Bullen's *Voyages* is a long overdue tribute to that memory focusing on the sea career which is so prominent in his writing Of the era of his youth he wrote that those were the days when boys in Geordie colliers or East Coast fishing smacks were often beaten to insanity and jumped overboard or were done to death in truly savage fashion and all that was necessary to account for their non returning was a line in the log to the effect that they had been washed or had fallen overboard It was a brutal world and a close examination of maritime records shows that the bullying two shipwrecks and the tropical illnesses he describes so vividly really occurred before he was even fifteen and those were just the start Hardly a voyage passes without similar dramatic episodes But disentangling truth from fiction is not always easy At one level *The Cruise of the Cachalot* is undoubtedly fiction and there are unanswered questions about his young life as a street arab as he once described himself Yet Rudyard Kipling could write in 1898 of *Cachalot* it is immense I've never read anything that equals it such real and new sea pictures Though Bullen conceals the names of several of his ships this new biography reveals their real identities while the author carefully distinguishes the fact and the fiction through his sea going career Bullen who wrote more than thirty books is second to none in his remarkable writing about the days of sail and the lives of merchant seafarers A literary commentator writing in 1917 two years after his death asserted Perhaps no writer has ever written so graphically or so sympathetically of the trials and dangers incurred by our merchant sailors than Frank Bullen and his books today are a living witness to the courage and loyalty of our mercantile marine This elegant and highly readable biography is the first to describe his extraordinary life and Bullen's own vivid writing colors every page **The Bookman** ,1899 *A Sack of Shakings* Frank Thomas Bullen, 2021-11-05 *A Sack of Shakings* by Frank Thomas Bullen Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format **My Life: or the Adventures of Geo. Thompson** George Thompson, 2019-12-17 In *My Life or the Adventures of Geo Thompson* George Thompson presents a vivid autobiographical narrative that intertwines personal anecdotes with broader societal reflections Written in an engaging and often humorous style the book captures the essence of 19th century life through the lens of an adaptive protagonist navigating various challenges and adventures Thompson's prose is marked by a conversational tone blending realism and

occasional exaggeration which allows readers to delve deep into the author's unique experiences while also reflecting the zeitgeist of his time notably the tensions and transformations of the Victorian era George Thompson a figure of notable repute drew inspiration from his own rich tapestry of life events including significant encounters with historical figures and participation in social movements His extensive travels and varied experiences as an advocate for abolition and social reform shaped his perspectives and ultimately the narratives he chose to share Thompson's life as a public speaker and writer uniquely positioned him to address the complexities of identity and social justice making his work both a personal memoir and a commentary on the era's pressing issues I wholeheartedly recommend *My Life or the Adventures of Geo Thompson* to those seeking an intimate glimpse into the past enriched by the author's sharp wit and profound insights This book is an essential read for anyone interested in autobiographical literature that not only entertains but educates offering timeless reflections on resilience and reform In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *The Cruise of the "Cachalot" Round the World After Sperm Whales* Frank Thomas Bullen, 2019-12-02 In *The Cruise of the Cachalot Round the World After Sperm Whales* Frank Thomas Bullen delivers a vivid and immersive account of life on a whaling vessel during the late 19th century Written in a narrative style that blends adventure with deep observations of the ocean's grandeur and the harsh realities of whaling this text is both an engaging travelogue and a poignant commentary on humanity's relationship with nature Bullen's prose captures the thrill of maritime adventure while his keen insights into the whaling industry reflect the era's complex socio-economic dynamics and ethical dilemmas surrounding marine life exploitation Bullen a former sailor and whaler himself draws upon his extensive personal experiences to lend authenticity and depth to his narrative His background having spent years at sea and engaging with various cultures allowed him to approach this work not merely as a document of whaling practices but as a reflective exploration of life's trials amidst the vastness of the ocean This context underpins his understanding of the whale as a symbol of both natural beauty and human greed I highly recommend this book to readers interested in maritime history adventure literature and environmental ethics Bullen's engaging style and firsthand insights provide a compelling journey into a bygone era making this work a significant contribution to both literary and historical discussions about whaling's impact on the world **Seawaif; Or, The Terror of the Coast** Ned Buntline, 1859 *The Centurion*, 1922 **Merchant Vessels of the United States...** United States. Coast Guard, 1976 **Merchant Vessels of the United States**, 1989 **The Great Boer War** Arthur Conan Doyle, 1901 **Literary World**, 1900 **The Literary World**, 1900 *Sea-wrack* Frank Thomas Bullen, 1903 *Bulletin* Salem Public Library, 1903 **Bulletin of the Salem Public Library** Salem Public Library, 1907 **Moving Picture World and View Photographer**, 1916 **The Moving Picture World**, 1916 *Making Men in the Age of Sail* Graeme J. Milne, 2024-06-15 Myths and stereotypes

surrounding seafarers in the Age of Sail persist to this day Sailors were celebrated for their courage strength and skill yet condemned for militancy vice and fecklessness As sail gave way to steam sailing ship mariners became nostalgic symbols of maritime prowess and heritage representing a timeless heroic masculinity in an era when the modernizing industrial world was challenging assumptions about gender class work and society Drawing on British seafaring memoirs from the late nineteenth century *Making Men in the Age of Sail* argues that maritime writing moulded the reading public's image of the merchant seaman Authors chronicled their lives as they grew from boy sailors to trained seafarers telling colourful tales of the men they worked with most never doubted that the sailing ship had made them better men Their testimony reinforced and preserved conservative perspectives on seafaring manhood as Britain's economic and technological priorities continued to evolve in the new steamship age Offering a gender analysis of the image of the seafarer *Making Men in the Age of Sail* brings the history of British sailors into wider debates about modernity and masculinity **The Dial** Francis Fisher Browne, 1899
