Sea Without A Shore:

Sea Without a Shore Sean Russell, 1996-02-01 The second book chronicling the epic fantasy adventures of naturalist Tristram Flattery as he voyages to discover the lost history of magic in a world where reason and science reign The secrets of the Mages had been lost with the passing of Erasmus Flattery a man of Talent who had served the last known Mage It seemed to be the dawn of a new era a time of reason science and exploration And Tristram Flattery Erasmus nephew was one of its most promising young naturalists Sent by the palace on a voyage halfway around the world Tristram finds himself led by a mysterious white bird which may be the ghost of his uncle s familiar to a remote island in the middle of a vast ocean where the natives have clearly been awaiting his coming And it soon becomes all too obvious to Tristram that his course was set by no living man Lost in a land of legend surrounded by a world which defies his rational beliefs Tristram comes to realize that he has inherited more than he thought from his illustrious uncle Now the fate of his world lies on his shoulders for it will be up to him to decide whether to open a dangerous door which has long been closed or keep that magical gateway forever locked
