Seals U S Navy Commandos In The Vietnam War:

The Men Behind the Trident Dennis J. Cummings, David Cummings, 1998-05 This is the story of the U S Navy SEAL Team One in Vietnam as told by twenty of the elite Navy commandos who fought there from 1962 to 1972 Here for the first time these unorthodox and sometimes iconoclastic special warriors talk about the missions that are left out of the official histories and existing accounts Extraordinarily gripping and personal these narratives reveal what really happened on those covert forays Dennis Cummings has succeeded in coaxing the SEALs to reveal what made them tick why they volunteered for such dangerous work and returned for multiple tours in the unpopular war how they pooled their special talents and motivations and finally how they overcame fear frustration and personal losses A counter to the uncorroborated barroom braggadocio common to other accounts Cummings s achievement gives the best picture available of what it really meant to wear the distinctive SEAL trident insignia

The U.S. Navy SEALs David Jordan, 2012-10-28 Illustrated with action photographs and color artworks and with an authoritative text The US Navy SEALs is a definitive history of one of America s elite fighting units

SEALs T. L. Bosiljevac, 1990 The definitive book on U S Navy SEALs role in Vietnam Accounts of combat missions reveal incredible acts of skill and valor by SEAL troops under fire Sixteen pages of rare photos show SEALs in training on patrol in VC territory and moving up canals in the Mekong Delta

Vietnam War Bibliography: Navy SEALs and Underwater Demolition Teams (UDTs). , Edwin E Moise presents a bibliography on the U S Navy SEALs and the underwater demolition teams UDTs of the Vietnam War The SEALs SEa Air Land are U S Navy commandos who are trained in unconventional warfare

Spies and Commandos Kenneth Conboy, Dale Andradé, 2000-03-16 During the Vietnam war the United States sought to undermine Hanoi s subversion of the Saigon regime by sending Vietnamese operatives behind enemy lines A secret to most Americans this covert operation was far from secret in Hanoi all of the commandos were killed or captured and many were turned by the Communists to report false information Spies and Commandos traces the rise and demise of this secret operation started by the CIA in 1960 and expanded by the Pentagon beginning in 1964 in the first book to examine the program from both sides of the war Kenneth Conboy and Dale Andrade interviewed CIA and military personnel and traveled in Vietnam to locate former commandos who had been captured by Hanoi enabling them to tell the complete story of these covert activities from high level decision making to the actual experiences of the agents The book vividly describes scores of dangerous missions including raids against North Vietnamese coastal installations and the air dropping of dozens of agents into enemy territory as well as psychological warfare designed to make Hanoi believe the resistance movement was larger than it actually was It offers a more complete operational account of the program than has ever been made available particularly its early years and ties known events in the war to covert operations such as details of the 34 A Operations that led to the Tonkin Gulf incidents in 1964 It also explains in no uncertain terms why the whole plan was doomed to failure from the start One of the remarkable features of the operation claim the authors is that its failures

were so glaring They argue that the CIA and later the Pentagon was unaware for years that Hanoi had compromised the commandos even though some agents missed radio deadlines or filed suspicious reports Operational errors were not attributable to conspiracy or counterintelligence they contend but simply to poor planning and lack of imagination Although it flourished for ten years under cover of the wider war covert activity in Vietnam is now recognized as a disaster Conboy and Andrade s account of that episode is a sobering tale that lends a new perspective on the war as it reclaims the lost lives of these unsung spies and commandos

U.s. Navy Special Forces Michael Burgan,2003-09 Introduces the Navy special forces known as SEALs describing their mission history and the equipment they use US Navy SEALs Mir Bahmanyar,2012-04-20 After the United States failures in special operations missions during the late 1970s and 1980 a decision was made to revamp its unconventional military capabilities The subsequent reorganization and redesignation in 1983 created the SEALs as they are known today and later the all encompassing command for US special operations forces under which they operate Since then these Navy Special Warfare NSW forces have operated in Grenada the Persian Gulf Panama Somalia Bosnia Haiti and Liberia NSW units also participated in the missions of Operation Enduring Freedom in Afghanistan and Operation Iraqi Freedom in Iraq This book looks at the history organization training uniforms equipment and missions of the US Navy SEALs since their redesignation until the conflict in the Gulf

The Vietnam War Chris McNab,Andrew Wiest,2012-07-18 The Vietnam War is an account of the 6 000 day conflict in Southeast Asia The lucid authoritative text includes eye witness accounts of the battles and incidents of America s undeclared war and provides a graphic and compelling account of one of the most brutal conflicts of modern history *Weapons of the Navy Seals* Fred J. Pushies,2004 *SEALs in Vietnam* Eric Micheletti,1997 The Vietnam War marked the first appearance on the world stage of the U S Navy SEALs Recently converted from the Navy s Underwater Demolition Teams and given expanded training and responsibilities Vietnam was the SEALs baptism of fire and the foundation of their military reputation
