

SEÁN LEMASS
A BIOGRAPHY

MICHAEL O'SULLIVAN

A color portrait painting of Seán Lemass, an Irish politician. He is depicted from the chest up, wearing a dark blue suit, a white shirt, and a striped tie. He has a slight smile and is looking directly at the viewer. He is holding a small white card or piece of paper in his left hand. The background is dark and indistinct, suggesting an indoor setting.

Sean Lemass A Biography

Bryce Evans

Sean Lemass A Biography:

Seán Lemass Michael O'Sullivan,1994 **Seán Lemass** John Horgan,1997 *Sean Lemass: The Enigmatic Patriot* John Horgan,1997-10-01 The definitive biography of Se n Lemass the finest Taoiseach in the history of the Irish State There are few facets of Irish life which do not owe something to the genius effectiveness or determination of Lemass Horgan s biography explores that contribution quite brilliantly Bertie Ahern The Irish Times As a boy Se n Lemass fought in the 1916 rising He was a member of de Valera s first cabinet Minister for Industry and Commerce in every Fianna F il government between 1932 and 1959 and as Taoiseach from 1959 to 1966 was the pivotal figure in the modernisation of Ireland The Lemass that emerges from this fine book is an enigma and a passionate patriot a protectionist who later became an apostle of free trade a moderniser in what was often a party of traditionalists John Horgan s excellent biography is the work of a critical admirer who sees his subject as one of the most outstanding Irish political figures of the century The only biographer to have had complete access to all the government papers for the full period of Lemass s political career Horgan provides us with a rounded sympathetic yet critical examination of the life of one of twentieth century Ireland s most distinguished figures a comprehensive and thoughtful work worthy of the subject it lives up to its billing as a major biography of the Fianna F il leader Stephen Collins The Sunday Tribune Se n Lemass was not only one of the most formidable but for all his apparently bluff straightforwardness one of the most elusive personalities in the history of twentieth century Ireland John Horgan s study skilfully crafted and elegantly expressed is a major biography of a major figure greatly enhancing our understanding of the making of modern Ireland J J Lee author of The Modernisation of Irish Society 1848 19 Seán Lemass Robert J. Savage,1999 **Sean Lemass** Bryce Evans,2011-08-17 Se n Lemass enjoys unrivalled acclaim as the Architect of Modern Ireland Yet there remain great gaps in our knowledge of this mythic figure and his golden age Up to now Lemass a colossus of twentieth century Irish history was airbrushed to fit a narrative of national progress Today this narrative is undergoing an agonising reappraisal This groundbreaking study reveals the man behind the myth and asks questions previously skirted around What emerges is an authoritarian cunning workaholic patriot a shrewd political tactician whose impatience lay not just with the old Ireland but with democracy itself This is the untold story of a great man and his lasting impact on a nation s imagination **A New History of Ireland Volume VII** J. R. Hill,2010-08-26 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the

most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland **A Dictionary of Political Biography** Christopher Riches, Dennis Kavanagh, 2013-09-19 Originally compiled by an expert team of contributors this dictionary covers all the major figures in world politics of the twentieth century Authoritative and wide ranging it describes and assesses the lives of more than 1 100 men and women who have shaped political events across the world Each entry includes an account of the background career and achievements of the individual concerned balancing fact with critical appraisal This second edition commissioned especially for Oxford Reference contains over 25 new entries and the whole text has been thoroughly revised and updated *A Short History of Ireland* John Ranelagh, 2012-10-11 This third edition of John O Beirne Ranelagh's classic history of Ireland incorporates contemporary political and economic events as well as the latest archaeological and DNA discoveries Comprehensively revised and updated throughout it considers Irish history from the earliest times through the Celts Cromwell plantations famine Independence the Omagh bomb peace initiatives and financial collapse It profiles the key players in Irish history from Diarmuid MacMurrough to Gerry Adams and casts new light on the events North and South that have shaped Ireland today Ireland's place in the modern world and its relationship with Britain the USA and Europe is also examined with a fresh and original eye Worldwide interest in Ireland continues to increase but whereas it once focused on violence in Northern Ireland the tumultuous financial events in the South have opened fresh debates and drawn fresh interest This is a new history for a new era *Jack Lynch, A Biography* Dermot Keogh, 2009-09-04 Jack Lynch is one of the most important and perhaps most underrated Irish political leaders of the twentieth century A sportsman who won six All Ireland medals in a row with Cork he was also a civil servant and a barrister before being elected to Dail Eireann in 1948 During his thirty one years as a parliamentarian he held the ministries of Education Industry and Commerce and Finance before succeeding Seán Lemass as Taoiseach in 1966 Lynch held office during the critical years of the late 1960s and early 1970s when Northern Ireland disintegrated and civil unrest swept through Belfast Derry and other towns This precipitated one of the worst crises in the history of the Irish state Jack Lynch upheld the parliamentary democratic tradition at great personal and political cost even to the point of fracturing the unity of his government and his party If you want to know what happened during those terrible years read this book **Irish Freedom** Richard English, 2008-09-04 Richard English's brilliant new book now available in paperback is a compelling narrative history of Irish nationalism in which events are not merely recounted but analysed Full of rich detail drawn from years of original research and also from the extensive specialist literature on the subject it offers explanations of why Irish nationalists have believed and acted as they have why their ideas and strategies have changed over time and what effect Irish nationalism has had in shaping modern Ireland It takes us from the Ulster Plantation to Home Rule from the Famine of 1847 to the Hunger Strikes of the 1970s from Parnell to Pearse from Wolfe Tone to Gerry Adams from the bitter struggle of the Civil War to the uneasy peace of the early twenty first century Is it imaginable that Ireland might as some have suggested

be about to enter a post nationalist period Or will Irish nationalism remain a defining force on the island in future years a courageous and successful attempt to synthesise the entire story between two covers for the neophyte and for the exhausted specialist alike Tom Garvin Irish Times *Current Biography Yearbook* ,1972 **Sean Lemass** Brian Farrell,2002

Protectionism to Liberalisation Maurice Fitzgerald,2018-02-06 This title was first published in 2000 This work examines Irish government towards European integration in the second post war decade by concentrating on crisis points or flash points it does this in a fairly subject oriented manner concerning Dublin s decision making processes The central themes of this study are concentrated on economic matters but they deal with other tenets when relevant too be they of a cultural diplomatic ideological military political or social nature **The Irish Experience Since 1800: A Concise History** Thomas E. Hachey, Lawrence J. McCaffrey,2015-01-28 This rich and readable history of modern Ireland covers the political social economic intellectual and cultural dimensions of the country s development from the origins of the Irish Question to the present day In this edition a new introductory chapter covers the period prior to Union and a new concluding chapter takes Ireland into the twenty first century All material has as been substantially revised and updated to reflect more recent scholarship as well as developments during the eventful years since the previous edition The text is richly supplemented with maps photographs and an extensive bibliography There is no comparable brief multidimensional history of modern Ireland

A History of Irish Theatre 1601-2000 Chris Morash,2002 Chris Morash s widely praised account of Irish Theatre traces an often forgotten history leading up to the Irish Literary Revival He then follows that history to the present by creating a remarkably clear picture of the cultural contexts which produced the playwrights who have been responsible for making Irish theatre s world wide historical and contemporary reputation The main chapters are each followed by shorter chapters focusing on a single night at the theatre This prize winning book is an essential entertaining and highly original guide to the history and performance of Irish theatre **Seán Lemass** Brian Farrell,1983 **Decolonising Peacebuilding** Chamindra Weerawardhana,2019-01-08 Exploring the conflict management trajectories of Northern Ireland and Sri Lanka this book engages in a discussion that highlights the importance of decolonising approaches to peacebuilding and conflict management in deeply divided societies Existing knowledge on the topic is largely produced in the Western academy using global North centric approaches This book written by a researcher from the global South who navigates the political life of a deeply divided society in Western Europe begins a conversation on a new 21st century re conceptualization of ethno national conflict in deeply divided societies based on a paradigm of decolonising This book will appeal to policymakers and practitioners in peacebuilding and related areas worldwide and students of peace and conflict studies as well as a general readership with an interest in decolonial approaches to world politics **Israel/Palestine and the Politics of a Two-State Solution** Thomas G. Mitchell,2013-05-27 This is a dispassionate examination of the viability of a two state solution in the Israeli Palestinian conflict based on the politics of Israel Palestine and the United States It includes

instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland The results of Israeli elections from 2001 to 2013 are analyzed with the conclusion that the Likud will be in any government coalition for at least the midterm future giving it a veto over policy A chapter examining the history and ideology of the secular right over the last 90 years follows There are three chapters of case studies the Likud withdrawal from the Sinai in 1979 1982 and from Gaza in 2005 the withdrawal of South Africa from Namibia in 1988 1989 and the dropping of Ireland s constitutional claim to Northern Ireland in 1998 under a Fianna Fail government the same party that wrote the constitution in 1937 A chapter examines Palestinian politics since the mandatory era and another the American Israeli alliance and American politics A concluding chapter draws lessons from the case studies and the analysis

A Link with the Land... the Life and Times of an Irish Countryman. A Biography of Tommy Keane Tommy Keane, Michael Judge, 2010-03-01 The Life and Times of An Irish Countryman is a chronicle of courage and determination of three generations of the Keane family whose love of the land endured through the trials of emigration the birth of a new nation and other challenges along the way The story focuses on the life of Tommy Keane a man with stubborn commitment to rural life and to improving the plight of farm families in the West of Ireland

Ireland during the Second World War Bryce Evans, 2016-05-16 In the first book detailing the social and economic history of Ireland during the Second World War Bryce Evans reveals the real story of the Irish emergency Revealing just how precarious the Irish state s economic position was at the time the book examines the consequences of Winston Churchill s economic war against neutral Ireland It explores how the Irish government coped with the crisis and how ordinary Irish people reacted to emergency state control of the domestic marketplace A hidden history of black markets smugglers rogues and rebels emerges providing a fascinating slice of real life in Ireland during a crucial period in world history As the first comparison of economic and social conditions in Ireland with those of the other European neutral states Spain Sweden Switzerland and Portugal the book will make essential reading for the informed general reader students and academics alike
