New York Times bestseller Tami Hoag **The Bermuda Key** B.R. Bentley, 2015-12-18 The emerald encrusted gold San

Pedro cross has been stolen from the Bermuda Maritime Museum In its place remains an impeccable forgery The investigation into its disappearance by the police and its insurers is at a standstill All leads have gone cold Originally discovered by two salvage divers off the coast of Bermuda only one of the divers and a mysterious group of cardinals known as the Silenti are aware that the cross contains a priceless hidden key With all investigations stalled the questions remain Who made the forgery and who stole the cross Who has the key and what is its significance to the Church Years later there are still no answers until two seemingly unrelated events occur First an obscure obituary photograph exposes the probable location of the key Then only months later several detailed drawings of the fake cross arrive by mail at the home of one of the investigators Inspired by real events the crime on which The Bermuda Key is based remains one of Bermuda s greatest unsolved mysteries In a subtle blend of fact and fiction B R Bentley skilfully interweaves the attempts of the various protagonists to obtain possession of the key as the search for those responsible for the theft of the San Pedro cross is renewed A stand alone novel in its own right The Bermuda Key is also the seamless sequel to Bentley s previous book The Cross bringing events to an enjoyable albeit highly unexpected conclusion www.brrentley.com
