

The background of the book cover is a dramatic, atmospheric photograph of a coastal landscape during a heavy rain. In the foreground, a grassy hill slopes down towards the sea. In the middle ground, two stone ruins are perched on a rocky cliff. One is a small, square tower-like structure, and the other is a larger, more complex ruin with multiple levels and openings. The sea is visible in the background, with white foam from breaking waves crashing against the shore. The rain is depicted as numerous vertical white streaks falling across the entire scene, creating a sense of movement and intensity. The overall color palette is muted, with greys, blues, and greens, punctuated by the white of the rain and the stone ruins.
