Howe,2011-08-29 *Marriages and Families in the 21st Century* provides an in depth exploration of a traditional field of study using a new and engaging approach The text covers all the important issues including parenting divorce aging families balancing work and family family violence and gender issues using a bioecological framework that takes into account our status as both biological and social beings Using this lens which emphasizes the

individual's interactions with a series of larger systemic influences from family, peers, neighbors, and teachers to schools, media, institutions, and culture. The book creates a cohesive overview of modern family life and helps students visualize the complex influences affecting all people in families. It also examines the state of modern families using a strengths-based approach which allows students to evaluate the health and functioning of a family considering the biological and cultural milieu in which it exists rather than on its observable structure or appearance alone. Individual chapters cover historical and cultural trends and also explore the biological, personal, and social forces that shape individuals and families. Each chapter investigates the wide diversity of human relationships and integrates discussions of ethnicity, culture, sexual orientation, and gender seamlessly into the main narrative. In addition, the book explores recent research in neuroscience, medicine, and biopsychology to examine how family relationships are shaped by and also influence individuals' biological functioning. An accessible writing style coupled with numerous student-friendly pedagogical features help readers come to a multi-layered understanding of what makes families tick while also challenging them to reevaluate their own assumptions and experiences.

Key features:

- Uses a bioecological model that takes into account our status as both biological and social beings.

CLUELESS in Search for Intimacy Volume I Melvin C. Dawson, Jr., 2025-08-08

Ask anyone you know to define the word intimacy and you may be surprised to hear their answer. It will probably lead and direct you towards sex and romance, but that truth may be disappointing. While writing this book, I noticed something that even surprised me. We don't just suffer from the lack of intimacy that has sometimes wounded us, but we suffer from the absence of positive language surrounding it. We've been trying to feel something we rarely know how to name.

CLUELESS In Search for Intimacy VOLUME I is an open invitation for the reader to not just seek intimacy but to speak of it in a way that gives it permission to thrive. From the INTRO to the OUTRO, you will take a journey that may cause you to smile, laugh, contemplate, and maybe shed a tear, but for cleansing purposes only, leading you towards a resurgence to seek and find that which you so openly deserve to experience within your heart, soul, spirit, and emotions, because this was God's intent on the very day of His creation of Humankind. As author Andrew

Bennett once stated THE LONGEST JOURNEY YOU WILL EVER TAKE in the reading of this book IS THE 18 INCHES FROM YOUR HEAD TO YOUR HEART HAPPY READING **Sex and the Search for Intimacy** John Perrine, 2021-09-02 A 140 page immersive guide to the Song of Songs that covers all 8 chapters and includes a devotional commentary questions at the end of each chapter for reflection and prayer an interactive exercise for relationships and small groups for each chapter and devotional images for prayer Be sure to check out our podcast for additional teaching and our website for more content and future studies
