history of specific topics from television s infancy to its changes in the early twenty first century Yukon Yearnings Raimonds Zvirbulis,2017-04-10 Yukon Yearnings is the story of my kayak trip down the Yukon River from the source to the Bering Sea The paddling distance for that solo kayak journey was just over 2 300 miles It was not until completing the journey and returning home that I discovered that no one else had achieved that I was the first person to have paddled the entire Yukon River Prior to the current kayak trip I had paddled two thousand miles of the river from Lake Atlin British Columbia to Russian Mission Alaska My reason for going back to the Yukon was not to be the first person to paddle the whole river My reason was to experience the wilderness again Paddling in the solitude of that wilderness enclosed me in the peace of the lakes and the river There were no distractions no time constraints and no urgent pressures to be in a certain place by a certain time The deep quiet forests and the snowcapped mountains just enraptured me Passing the villages and stopping in some allowed me to meet the people living on the river Their kindness was as significant as the beauty of the nature all the way to the Bering Sea The Complete Book of Pet Names George Greenfield,2013-02-05 Lists the funniest most popular and most bizzare names owners have given to their pets and includes anecdotes of how some of the pets were named
