Season For The Dead:

Season of the Dead Paul R. Seibert, 2003-07-03 It is the year of the true millennium and Jon Erik a twelve hundred year old Master Vampire has tracked his creator Nestasia to the Crescent City of New Orleans With less than a week away from the Wiccan New Year Halloween and the beginning of the Season of the dead travelers from around the world are preparing for this year s celebration to be one of the biggest in history Everyone that is except Jon Erik He has come to town with one sole intention to exact his form of Viking retribution against his creator for killing his men 1200 years ago and damning his soul to an unspeakable immortality on earth That is until he meets Jennifer a captivating single mother trying to raise her son and struggling to make ends meet Yet like the city she has lived in all of her life she too has her own rich history with the occult and unbeknownst to her or anyone else a royal bloodline courses through her veins As a descendant of a very ancient and powerful legacy of witches she is beset with a destiny that will bind her to one of the world s oldest and most dire prophecies Living in New Orleans she thinks that she has seen just about everything however nothing in her wildest imagination could have ever prepared her for what she is about to experience after she meets Jon Their relationship along with the kidnapping of her son by his creator will stir emotions in them both long since forgotten and some possibly even stronger than his own desire for revenge With only less than a week before the ritual Jon and Jennifer are in a race against time to stop Nestasia from enacting her plans knowing all too well that their failure will not only mean the death of her son but with the summoning of Lilith and the fulfillment of the ancient prophecies the end of all new born life all together Now they are all that stands between humanity and a literal Hell on Earth where mankind will be left as slaves to watch on helplessly as they are slaughtered as food and amusement for the Immortals **A Season for the Dead** David

Hewson, 2020-01-02 THE FIRST IN THE ACCLAIMED NIC COSTA SERIES No author has ever brought Rome so alive for me nor made it seem so sinister Peter James David Hewson s Rome is dark and tantalizing seductive and dangerous a place where present day crimes ring with the echoes of history Tess Gerritsen Hewson keeps the reader guessing relentlessly tightening the suspense until the end Daily Telegraph There s no rest for the wicked While Rome is sweltering in the height of summer a serial killer is on the loose Sara Farnese is working in the Vatican library when a man bursts in intent on showing her the contents of his bloodied bag until a guard shoots him But why was the man targeting Sara Determined to find answers Sara s path crosses with the young up and coming Roman detective Nic Costa He s determined to track down the dangerous killer behind this bizarre and brutal murder and to protect Sara from becoming the next victim *Apocalypse* TV Michael G. Cornelius, Sherry Ginn, 2020-03-27 The end of the world may be upon us but it certainly is taking its sweet time playing out The walkers on The Walking Dead have been walking for nearly a decade There are now dozens of apocalyptic television shows and we use the end times to describe everything from domestic politics and international conflict to the weather and our views of the future This collection of new essays asks what it means to live in a world inundated with

representations of the apocalypse Focusing on such series as The Walking Dead The Strain Battlestar Galactica Doomsday Preppers Westworld The Handmaid s Tale they explore how the serialization of the end of the world allows for a closer examination of the disintegration of humanity while it happens Do these shows prepare us for what is to come Do they spur us to action Might they even be causing the apocalypse

Norman Reedus: True Tales of The Walking Dead's Zombie Hunter Mc Shapiro,2015-09-10 Where does reality stop and fantasy begin In the case of The Walking Dead superstar Norman Reedus the question is still very much up in the air His Daryl Dixon is a very flawed psychologically scarred character in a zombie infested world And there is much in his portrayal that is informed by a real life that is equally flawed and equally scarred In Norman Reedus An Unauthorized Biography True Tales of the Walking Dead s Zombie Hunter the first detailed look at Norman Reedus life and times you will get it all The good the bad and the ugly This book chronicles his days as a defiant young man in a fractured but ultimately liberating family life allegations of physical abuse from Reedus himself to his struggles in the Los Angeles art underground alcohol problems that saw him in AA and for a time homeless his breakthrough in acting modeling and the slow steady and never boring journey through love fatherhood and his often truly odd professional choices You ll discover why Reedus said thanks but no thanks to an offer to play opposite a reigning superstar how he became Daryl Dixon and how The Walking Dead changed his life Oh yes there is that penchant for roadkill New York Times Bestselling author Marc Shapiro has dug deep tracking down people who knew him way back when as well as in the here and now for original interviews They were willing to talk and they revealed stories about Reedus that even the most fanatic fans won t know The author s research was relentless digging into deep dark and obscure corners Norman Reedus world is about real life wrapped around a world of fantasy Norman Reedus The Unauthorized Biography True Tales of the Walking Dead s Zombie Hunter pulls no punches tells only the truth and leaves the rest up to the reader Which ultimately is the way Norman Reedus would want it
