## **Seasons Of Change Growing Through Pregnancy And Birth:**

**Fathering Right from the Start** Jack Heinowitz, 2011-02-08 Coping tools and intelligent advice for today's fathers. Becoming a father is a life-changing event and not an easy one. The new feelings, emotions, and reactions surfacing every day can be confusing and overwhelming, summoning new dads to resolve old issues. *Fathering Right from the Start* helps guide men through this life passage, helping them navigate difficult times and participate meaningfully in parenting. Complete with exercises, checklists, and firsthand accounts by fathers from all walks of life, this indispensable book carries the seeds for a new tradition of men's involvement in the emotional, cultural, and psychological structure of the family.

**Journey Into Motherhood** Sheri Menelli, 2005-09 Providing both inspiration and education, this guide to natural childbirth offers 48 personal accounts of labor and delivery without medication. Revealing the many options women have beyond birthing location, the testimonials offer insight into the joys, concerns, and realities of natural birth. From delivering at home with a midwife and hearing the right words from a hospital nurse at just the right moment to describing a combination of the Bradley method and acupuncture at a birthing center and discussing a child's birth at home in warm water, this resource combines personal insight with referential information. A glossary of terms and a resource guide to books, magazines, websites, videos, and CDs and listings of childbirth classes and instructors nationwide are also included.

**Seasons of Change**, 1994 A photographic diary chronicling the changes a woman experiences during her childbearing year.

*Pregnant Fathers* Jack Heinowitz, 1997 When the author faced fatherhood for the first time, he found nothing written on the subject that explained his uncertainty, frustration, isolation, anxiety, and hopeful anticipation. His quest for knowledge led him to write *Pregnant Fathers*, a combination of exercises, checklists, and personal experiences designed for anyone who finds himself in a fatherhood role.

*Vegetarian Times*, 1993-12 To do what no other magazine does: Deliver simple, delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both.
