Revival is bringing something that is dead back to life. Much of today's Church needs reviving. When God comes in an unusual way, releasing His presence and power over and above what a church normally experiences, we call it a visitation of God. Every visitation of God should become a habitation of God and become a move of God going beyond that local church into the community, city, and nation. The move of God results in evangelization, missions, and the fulfilling of the Great Commission. Starting in the book of Acts and down through the centuries, there have been numerous visitations and moves of God. We look at Church history. Understanding history helps us correctly interpret the present and prepare for the future. We draw inspiration, insight, and lessons from what God has done in the past by reviewing stories and asking relevant questions. What can we learn from Church history about revivals, visitations, and moves of God? What does it take for a visitation of God to become a move of God? What are signs of a genuine visitation of God? How do we steward a revival, a visitation, and a move of God? The latter rain falls just before harvest. Therefore, be patient, brethren, until the coming of the Lord. See how the farmer waits for the precious fruit of the earth, waiting patiently for it until it receives the early and latter rain. You also be patient. Establish your hearts for the coming of the Lord, for it is at hand. James 5:7-8. In biblical context, the early rains were showers that usually came during October, November, and prepared the ground for the seed. The latter rain fell during March, April, and was necessary for the ripening of the crops before harvest. If we believe God is preparing for a mighty endtime outpouring, a great visitation and ingathering of harvest before His return, then we must get ourselves and our congregations ready for the latter rain of the Holy Spirit.
