Merton, 2022-11-09 This critical edition makes available for the first time Thomas Merton's novitiate conferences on liturgy

Though dating from the period just before the liturgical reforms of Vatican II Merton's commentaries remain pertinent for their insights on his own commitment to this central dimension of Christian life on his work introducing students to the patterns that would mark their lives as monks and on the perennial meaning of the key events of the liturgical year The thoroughly annotated text is preceded by an extensive introduction situating this material in the context of Merton's lifelong writing on liturgy As Merton's former student Br Paul Quenon writes in his foreword Nowhere in all of Merton's writings can one find such an extended demonstration of the hermeneutical approach he took in commenting on Scripture This was focused intensely on finding the meaning Scripture had for our life in God These notes take us into one man's lifetime of reflection and seasoned experience of the Church Year **Healing Liturgies for the Seasons of Life** Abigail Rian
