Second Messiah Templars The Turin Shroud And The Great Secret Of Free Masonry:

The Second Messiah Christopher Knight,2000 **The Second Messiah** Christopher Knight,Robert Lomas,2001-08-01

For almost seven and a half centuries a piece of cloth was venerated because it bore the image of the crucified Christ. However but results of carbon dating have shown that the fabric could not have predated 1260. Now new evidence conclusively proves that it is not a face yet neither is it the image of Jesus Christ. In the follow up to their groundbreaking first book *The Hiram Key* Christopher Knight and Robert Lomas continue their research into the mysteries of Freemasonry and the true historical Jesus and uncover the precise time and place of the shroud's creation. The answer to the great mystery of the Shroud of Turin will surprise and astonish as the authors unlock the secrets of abandoned Freemason rituals and the man who would be called the Second Messiah.

Sacred Sites of the Knights Templar (Nipb) , All across the continent of Europe massive stone monuments erected by a prehistoric culture can be found. These megalithic stones resisting centuries of weathering or assaults by modern men are all that remain of a society that has been erased by time. Stonehenge is the most familiar of these megalithic monuments but in fact represents only one of many similar sites. Who were the people who built these monuments? Why were these stones significant to them? *Sacred Sites of the Knights Templar* examines sacred megalithic sites across the globe such as Stonehenge and Rennes le Chateau revealing the astronomical significance of these sites as well as the secrets that significance bore to the Knights Templar. This revolutionary book offers a new explanation for two main subjects: The distribution and meaning of the megalithic monuments of Europe which were constructed to commemorate astronomical events. Evidence for a continuing and hidden philosophy based on ancient astronomy maintained in secret by the Knights Templar and in turn by the Freemasons. The author offers theories regarding these sites, their meanings, their secrets, their lasting impression on the Western World and their sacred symbolic influences on Freemasonry throughout history.

The Origins of Freemasonry Margaret C. Jacob,2016-10-18 Can the ancestry of freemasonry really be traced back to the Knights Templar? Is the image of the eye in a triangle on the back of the dollar bill one of its cryptic signs? Is there a conspiracy that stretches through centuries and generations to align this shadow organization and its secret rituals to world governments and religions? Myths persist and abound about the freemasons. Margaret C Jacob notes But what are their origins? How has an early modern organization of bricklayers and stonemasons aroused so much public interest? In *The Origins of Freemasonry* Jacob throws back the veil from a secret society that turns out not to have been very secret at all. What factors contributed to the extraordinarily rapid spread of freemasonry over the course of the eighteenth century and why were so many of the era's most influential figures drawn to it? Using material from the archives of leading masonic libraries in Europe Jacob examines masonic almanacs and pocket diaries to get closer to what living as a freemason might have meant on a daily basis. She explores the persistent connections between masons and nascent democratic movements as each lodge set up a polity where an individual's standing was meant to be based on merit rather than on birth or wealth and

she demonstrates beyond any doubt how active a role women played in the masonic movement **Character Counts** Michael Glenn Maness,2010-12 Beware of False Religions & Pagan Traditions Part 2 Helene Fulton,2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God s truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into there every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces

The Templar Revelation Lynn Picknett,Clive Prince,2004-09-21 The most closely guarded secret of the western world is about to be revealed and you will never see Christianity in the same light again In a remarkable achievement of historical detective work that is destined to become a classic authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons the Cathars the Knights Templar and the occult to discover the truth behind an underground religion with roots in the first century that survives even today Chronicling their fascinating quest for truth through time and space the authors reveal an astonishing new view of the real motives and character of the founder of Christianity as well as the actual historical and revelatory roles of John the Baptist and Mary Magdalene Painstakingly researched and thoroughly documented The Templar Revelation presents a secret history preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe whose final chapter could shatter the foundation of the Christian Church **Templar**

Revelation Lynn Pickett,2008-11 Explains the mysterious background of the bestseller The Da Vinci Code Delves into the worlds of the Freemasons the Cathars the Knights Templar and the occult to discover the truth behind an underground religion with roots in the first century that survives even today Presents a new view of the real motives and character of the Christian Church including the actual historical and revelatory role of Mary Magdalene who was not a prostitute but the wife of Jesus the shocking idea that John the Baptist was a rival of Jesus who founded a substantial movement that continues to exist today and the existence of a secret society called the Priory of Sion that continues to preserve these ancient secrets of the early Christian Church Illustrations *From Blood to Compassion* Peter J. Sell,2007 Have you ever wondered How the

Knights Templar was created Why they frightened the Church so much with their secrets Or why they were destroyed and evolved into modern day Freemasonry Well this is a very readable account of the complete history of the founding of the Knights Templar Why they were formed What the treasure was that they found and why it frightened the church so much How they were destroyed and who destroyed them and how they formed into the present day Freemasons Written by a Freemason who has tried to understand all the Masonic Orders and their ceremonies that he has joined The interpretations of which gives a very enlightening insight into politics and religion of the last 3000 years The hypothesis on the treasure is something that is not currently in the public domain and is entirely new **Second Messiah** Robert LOMAS,1997 **From**

Blood to Compassion second edition Peter. J. Sell,2008-08-31 Have you ever wondered how the Knights Templar s were created Why they frightened the Church so much with their secrets Or why they were destroyed and evolved into modern day Freemasonry Well this is a completely revised and readable account of the history of the founding of the Knights Templar Why they were founded What the treasure was that they found and why it frightened the church so much It was NOT THE POPULAR MYTHS of holy grail etc How they were destroyed and who conspired to destroy them and how they formed into

the present day Freemasons Written by a Freemason who has tried to understand all the Masonic Orders and their ceremonies that he has joined The interpretations of which gives a very enlightening insight into politics and religion of the last 3000 years The hypothesis on the treasure is something that is not currently in the public domain except for the first edition of the book and is entirely new The book is also a myth buster and conspiracy debunker *The Hiram Key* Christopher Knight, Robert Lomas, 2011-10-31 Was Jesus a Freemason The discovery of evidence of the most secret rites of Freemasonry in an ancient Egyptian tomb led authors Chris Knight and Bob Lomas into an extraordinary investigation of 4000 years of history This astonishing bestseller raises questions that have challenged some of Western civilisation's most cherished beliefs Were scrolls bearing the secret teachings of Jesus buried beneath Herod's Temple shortly before the destruction of Jerusalem by the Romans Did the Knights Templar the forerunners of modern Freemasonry excavate these scrolls in the twelfth century And were these scrolls subsequently buried underneath a reconstruction of Herod's Temple Rosslyn Chapel in Scotland where they are now awaiting excavation The authors' discoveries shed a new light on Masonic ceremony and overturn our understanding of history Turning the Templar Key Robert Lomas, 2007-10-25 Discover the truth about the connection between the Knights Templar and the Freemasons The third volume in Robert Lomas's Key trilogy this book explains the relationship of the Knights Templar to modern day Freemasonry The contemporary view of the Knights Templar according to Lomas has been romanticized and glorified to the point where it does not resemble the reality namely that the Knights Templar were uneducated religious zealots more akin to Al Qaeda than a true monastic order The order only existed for a couple of hundred years and was disbanded seven hundred years ago Lomas asks the question Why do people even care about them anymore Lomas draws on Freemasonic information to answer this question and to explore the rituals and myths of the Knights Templar and how they relate to Freemasonry Along the way he delves into the mysteries of Roslin chapel the history of agriculture and the role of women in spreading it At the heart of the book is Lomas's exploration of how the tolerant and inclusive spiritual practices of modern Freemasonry managed to grow out of what was effectively an order of suicide bombers October 13 2007 is the 700th anniversary of the Dissolution of the Knights Templar *Turning the Templar Key* Robert Lomas, 2007 Why were the Knights Templar forcibly disbanded What happened to their legacy Were the Templars wiped out or did they survive by starting new orders to preserve their secrets Robert Lomas best selling author of *Turning the Hiram Key* investigates the facts challenges the conspiracy theorists and takes the reader on an inspiring and complex quest to uncover the truth and motives behind the enduring myth of the Templars **Solomon's Power Brokers** Christopher Knight, Alan Butler, 2007 Is Freemasonry nothing more than a benign and charitable men's social club as the Order insists or does it have a deeper and perhaps darker purpose Could these men be part of the Illuminati a group of intellectuals with extremely grand plans for the development of civilization And if so what is the grand plan that these men were so determined to bring about and why should there be such opposition to it Christopher Knight and Alan Butler reveal

that present day freemasons are the spiritual descendents of an ancient priesthood that was forced to act in secrecy In the early days of Christianity their views offended and opposed those of the orthodox Church and later in feudal Europe both the State and the established Church considered them heretics and sworn enemies Yet they could not be silenced or defeated and members of this priesthood have continued to this day to work in subtle and sometimes subversive ways to achieve their aims often occupying very elevated positions within Western society and always maintaining complete anonymity to those outside their fellowship The extraordinary story that unfolds in Solomon s Power Brokers reveals that the building of the modern world was no haphazard process There was a grand plan and it has succeeded The New World Order is already here

The Templar Meridians William F. Mann,2006-01-23 Reveals the true nature of the secret science the Templars discovered in the Holy Land that was the key to their power Shows the cartographic knowledge that allowed the Templars to cross the Atlantic and establish settlements in the New World Explains the connection of the Templar meridians to the journey of Lewis and Clark Shows the role played by secret societies in the establishment of the United States The most enduring mystery surrounding the Templars concerns the nature and whereabouts of their great treasure Whereas many believe this lost treasure contains knowledge of the bloodline of Christ William F Mann shows that it actually consists of an ancient science developed before the Great Flood knowledge discovered by the Templars in the Holy Land during the Crusades and still extant today in Templar Masonic ritual Among other things this knowledge enabled the Order to establish accurate latitudinal and longitudinal positions long before the foundations of the current science were laid in the seventeenth century This allowed them to cross the Atlantic to reach the New World where they established secret settlements and mining operations that gave them a limitless supply of precious metals and a military edge over their opponents Pursued farther into the interior of the North American continent by their adversaries from the Old World the Templars left artifacts relics and information caches at key sites confident that future initiates could use their understanding of the science of meridians and ley lines to locate them The author points out that not only did future masons such as Jefferson and Washington use this science as the basis of their designs for Monticello and Washington D C but the true motive of the expedition of Lewis and Clark was to identify the meridians mapped by the Templars and to search for the final resting place of Prince Henry Sinclair where the great Templar treasure could also be found
