Children's Status and
Placement Decision-Making

Long Term Foster Care In Washington Childrens Status And Placement Decision Making

Lucy Berliner,David Fine

Long Term Foster Care In Washington Childrens Status And Placement Decision Making:

Long-Term Foster Care in Washington (State) Lucy Berliner, David Fine, 2001-08-01 Compares placement decisions and funding methodologies for residential care services for children in long term foster care and examines the best practices in other states Addresses placement decision making and Washington state s funding methodologies The study was designed to answer the following research questions As a group how are Washington s children in long term foster care functioning and behaving Are these children placed in the right settings Does the state have an adequate supply of placement options for its foster care population The authors learned about the history and functioning of a representative sample of children at each level of care

Child Welfare for the Twenty-first Century Gerald P. Mallon, Peg McCartt Hess, 2005-09-14 This up to date and comprehensive resource by leaders in child welfare is the first book to reflect the impact of the Adoption and Safe Families Act ASFA of 1997 The text serves as a single source reference for a wide array of professionals who work in children youth and family services in the United States policymakers social workers psychologists educators attorneys guardians ad litem and family court judges and as a text for students of child welfare practice and policy Features include Organized around ASFA s guiding principles of well being safety and permanency Focus on evidence based best practices Case examples integrated throughout First book to include data from the first round of National Child and Family Service Reviews Topics discussed include the latest on prevention of child abuse and neglect and child protective services risk and resilience in child development engaging families connecting families with public and community resources health and mental health care needs of children and adolescents domestic violence substance abuse in the family family preservation services family support services and the integration of family centered practices in child welfare gay and lesbian adolescents and their families children with disabilities and runaway and homeless youth The contributors also explore issues pertaining to foster care and adoption including a focus on permanency planning for children and youth and the need to provide services that are individualized and culturally and spiritually responsive to clients A review of salient systemic issues in the field of children youth and family services completes this collection

Journal of Human Services Abstracts ,1984

Take Me Home Jill Duerr Berrick, 2009 There is a profound crisis in the United States foster care system Jill Duerr Berrick writes No state has passed the federally mandated Child and Family Service Review two thirds of the state systems have faced class action lawsuits demanding change well over half of all children who enter foster care never go home

Child Welfare Research Aron Shlonsky, 2008-04-25 Research has already been a significant factor in child welfare policy in recent years but this essential new volume demonstrates that it has taken a leading role in the field to spur and guide change In the incisive chapters gathered here some of the field s top investigators present their work and assess its effect on the full spectrum of child welfare services Future generations of researchers as well as students practitioners and service providers will find the resulting text indispensable Edited by Duncan Lindsey and Aron Shlonsky two of the discipline s most articulate voices the

book covers every base The opening chapters situate child welfare research in the modern context they are followed by discussions of evidence based practice in the field arguably its most pressing concern now Recent years have seen historic rises in the number of children adopted through public agencies and accordingly permanent placement and family ties are critical topics that occupy the book s core along with chapters broaching the thorny questions that surround decision making and risk assessment The urgent need for a more effective use of research and evidence is highlighted again with looks at the future of child protection and how concrete data can influence policy and help children Finally in recognition of the growing importance of a global view closing chapters address international issues in child welfare research including an examination of policies from abroad and a multinational comparison of the economic challenges facing single mothers and their children With its insightful treatment of child welfare services in terms of the broader welfare system and acknowledgment of the myriad problems child welfare agencies face this exceptional compendium offers a rich understanding of the social conditions that influence contemporary child welfare and enables the field to move ahead without losing sight of valuable lessons that have been learned

Decision Making in Child Welfare Services T.J. Stein,T.L. Rzepnicki,1984-01-31 All countries confront the problem of providing for dependent neglected and 1 abused children While the exact form of institutional response will differ in relation to a country s political and economic structure its culture and its tradition the same general kinds of child welfare services have been developed 2 everywhere Literature from the United States Canada and several Western European countries reflects a shared concern about children who reside in unplanned substitute care arrangements and a growing recognition of the importance of 3 making permanent plans for these children The American response to this problem took shape in the early 1970s when government at the local state and 4 federal levels undertook to fund permanency planning projects Permanency planning projects were charged with developing and testing procedures that would increase the likelihood that children would move out of substitute care arrangements into permanent family homes either through restoration to their biological families termination of parental rights and subsequent adoption court appointment of a legal guardian or planned emancipation for older children Long term foster care if it was a planned outcome supported by the use of written agreements between foster parents and child care agencies was recognized as an appropriate option for some children 2

DECISION MAKING IN CHILD WELFARE Permanency planning projects have had a direct effect on the substantive aspects of social work practice in child welfare **Children Today** ,1981 *Encyclopedia of Mental Health* ,2015-08-26 Encyclopedia of Mental Health Second Edition Four Volume Set tackles the subject of mental health arguably one of the biggest issues facing modern society The book presents a comprehensive overview of the many genetic neurological social and psychological factors that affect mental health also describing the impact of mental health on the individual and society and illustrating the factors that aid positive mental health The book contains 245 peer reviewed articles written by more than 250 expert authors and provides essential material on assessment theories of personality

specific disorders therapies forensic issues ethics and cross cultural and sociological aspects Both professionals and libraries will find this timely work indispensable Provides fully up to date descriptions of the neurological social genetic and psychological factors that affect the individual and society Contains more than 240 articles written by domain experts in the field Written in an accessible style using terms that an educated layperson can understand Of interest to public as well as research libraries with coverage of many important topics including marital health divorce couples therapy fathers child custody day care and day care providers extended families and family therapy *Improving the Child Welfare System* United States.
