Longest Winter:

The Longest Winter Meredith Hooper, 2011-10-01 Through the eyes of the men involved Meredith Hooper recounts one of the greatest tales of adventure and endurance which has often been overshadowed by the tragedy that befell Scott Their tents were torn their food was nearly finished and the ship had failed to pick up the members of Scott's Northern Party as planned Gale force winds blew bitter with the cold of approaching winter Stranded and desperate Lieutenant Victor Campbell and his five companions faced disaster They burrowed inside a snowdrift digging an ice cave with no room to stand upright but space for six sleeping bags on the floor the three officers on one side the three seamen on the other Circumstances forced them closer together their roles blurred and a shared sense of reality emerged This mutual suffering made them indivisible and somehow they made it through the longest winter To the south the men waiting at headquarters knew that Scott and his Polar party must be dead and hoped that another six lives would not be added to the death toll Working from diaries journals and letters written by expedition members Meredith Hooper tells the intensely human story of Scott's other expedition

The Long Dark Winter's Night Patrick Bergquist, 2010-01-01 Before Father Patrick Bergquist moved to Alaska he imagined himself spending his free evenings wrapped in a warm quilt reading novel after novel during the long arctic winters Those idealized expectations were met with the unavoidable reality of winter's harshness a pervasive darkness that made it neither realistic nor helpful to merely wait out the winter and hope for spring And yet says Bergquist this is what we as a Catholic Church are tempted to do in the enduring darkness of the sexual abuse crisis We want to wrap ourselves in the secure blanket of tradition and memory thinking that this crisis too will pass or worse still that it has already passed Bergquist admits he is but a simple parish priest no saint and surely no scholar But it is precisely his perspective as a parish priest that gives rise to his poetic and prophetic voice He speaks from his heart soul and experience in a way few others have done He names and validates the pain and fear the hopes and dreams that so many of us share *The Long Dark Winter's Night* is both realistic and helpful Patrick Bergquist was ordained in 1990 He is a diocesan priest of the Missionary Diocese of Northern Alaska and has been pastor of St Raphael Catholic parish in Fairbanks since 1998

The Longest Winter Meredith Hooper, 2010-10-14 Scott's Northern Party played an integral role in his iconic last expedition but how did they survive Through the eyes of the men involved Meredith Hooper recounts one of the greatest tales of adventure and endurance which has often been overshadowed by the tragedy which befell Scott Their tents were torn their food was nearly finished and the ship had failed to pick them up as planned Gale force winds blew bitter with the cold of approaching winter Stranded and desperate the six men of the Northern Party faced disaster Searching out a snow drift they burrowed inside Lieutenant Victor Campbell drew a line across the floor in the gloom to establish naval order three officers on one side the three seamen on the other A birthday was celebrated with a carefully hoarded biscuit and they sang hymns every Sunday so what kept these men going Circumstances forced them closer together their roles blurred and a shared sense of reality

emerged This mutual suffering made them indivisible and somehow they made it through the longest winter To the south the men waiting at headquarters knew that the Polar Party must be dead and hoped that another six men would not be added to the death toll Working from expedition diaries journals and letters written by expedition members Meredith Hooper tells the intensely human story of Scott's other expedition **The Longest Winter** Alex Kershaw,2005-10-25 The epic story of the vastly outnumbered platoon that stopped Germany's leading assault in the Ardennes forest and prevented Hitler's most fearsome tanks from overtaking American positions On the morning of December 16 1944 eighteen men of the Intelligence and Reconnaissance platoon attached to the 99th Infantry Division found themselves directly in the path of the main thrust of Hitler's massive Ardennes offensive Despite being vastly outnumbered they were told to hold their position at all costs Throughout the day the platoon repulsed three large German assaults in a fierce day long battle killing hundreds of German soldiers Only when they had run out of ammunition did they surrender to the enemy But their long winter was just beginning As POWs the platoon experienced an ordeal far worse than combat surviving in wretched German POW camps Yet miraculously the men of the platoon survived all of them and returned home after the war More than thirty years later when President Carter recognized the platoon's extraordinary heroism and the U S Army approved combat medals for all eighteen men they became America's most decorated platoon of World War II With the same vivid and dramatic prose that made *The Bedford Boys* a national bestseller Alex Kershaw brings to life the story of these little known heroes an epic tale of courage duty and survival in World War II and one of the most inspiring episodes in American history *The Longest Winter* is an intensely human story about young men who find themselves in frightening wartime situations who fight back instinctively survive stoically and live heroically **When Holidays Hurt** Bo Stern,2015-01-13 What are you supposed to do when the holidays hurt Divorce Financial stress Chronic illness Losing a loved one Experiencing any of these situations during the year is difficult But the holiday season once joyful and happy can heighten this pain *When Holidays Hurt* written by Bo Stern will help you find hidden hope amid your pain and loss even when it feels impossible Bo spent two Christmases struggling to connect with the joy of the season As she watched her husband Steve struggle with terminal ALS Bo quietly felt her spirit for the season fade and has noticed others suffering the same way Through stories and scriptures Bo offers readers A way to redeem what can often become painful days Thanksgiving Christmas birthdays and anniversaries milestones such as weddings and graduations and more 35 thoughtful devotions divided into specific seasons of life that range from holidays to special occasions At the end of each devotional tangible ways to find hidden hope and prayers to recite *When Holidays Hurt* is an encouraging self purchase or gift for loved ones who are hurting and enduring hard times and need to be reminded of hope peace and purpose Bo's authentic voice promotes readers to thrive during the holidays and equips them with coping tools to use throughout the year *Lies and Lullabies* Sarina Bowen,2020-09-22 Summer nights and star crossed lovers From USA Today bestselling author Sarina Bowen Once upon a time he gave me a summer of friendship followed by one

Tristimania Jay Griffiths, 2016-05-16 There are galaxies within the human mind and madness wants to risk everything for the daring flight reckless and beautiful and crazed Everyone knows Icarus fell But I love him for the fact that he dared to fly Mania unfurls the invitation to fly too high too near the sun Tristimania is a stark and lyrical account of the psyche in crisis It tells the story of a devastating year long episode of manic depression culminating in a long solo pilgrimage across Spain The book is rare in recording the experience of mania and shows how the condition is at once terrifying and also profoundly creative both tricking and treating the psyche In exploring its literary influence Griffiths looks at Shakespeare's work and examines the Trickster role tracing its mercuriality through the character of Mercury An intimate raw journey the book illuminates something of the universal human spirit

Forest Euphoria Patricia Ononiwu Kaishian, 2025-05-27 An antidote to the loneliness of our species ROBIN WALL KIMMERER A master class in how to love the world MARGARET RENKL A thrilling book about the abounding queerness of the natural world that challenges our expectations of what is normal beautiful and possible Growing up Patricia Ononiwu Kaishian felt most at home in the swamps and culverts near her house in the Hudson Valley A child who frequently felt out of place too much of one thing or not enough of another she found acceptance in these settings among other amphibious beings In snakes snails and above all fungi she saw her own developing identities as a queer neurodivergent person reflected back at her and in them too she found a personal path to a life of science In *Forest Euphoria* Kaishian shows us this making of a scientist and introduces readers to the queerness of all the life around us Fungi we learn commonly have more than two biological sexes and some as many as twenty three thousand Some intersex slugs mutually fire calcium carbonate love darts at each other during courtship Glass eels are sexually undetermined until their last year of life a mystery that stumped scientists once
