Decades later when Gary and Nicole meet by chance Gary doesn't fall in love with the real Nicole Graham just a sanitized version of her. Since childhood Nicole has had a cross to bear that nobody knows about except her mother Reba but she can't tell anyone anymore. It opens only when visitors from heaven want to come to earth for a time value hosted by fairies or vice versa when they have business with their representatives of God in heaven. The door is supposed to open permanently to create a new age for men to enjoy in the near future. The role of men is simple it is to walk holding in his mind the equilibrium of all the tendencies of the collective karma throughout the planet for that in my story they are helped by Lord Vishnu the maintainer of the world but first and foremost this is also a love story. Love heals it maintains harmony it is cosmic and reaches all parts of the universe when strong it erases differences.
