guided only by what he hears and reads in the Bible Sunday to Sunday Christopher Ward takes the four readings appointed for each Sunday in one year and identifies those verses that have a particular resonance for him He then explores his personal response to them unaided by academic study or biblical commentary and analyzes their cumulative impact on his thinking This exercise results in unexpected discoveries and new trains of thought plus many frustrations and much perplexity In the end his struggles are rewarded by a realization that his faltering faith has more to support it than he first believed
