Stevenson, 2015-12-05 The Real History of Tom Jones revivifies historical materials from which Henry Fielding constructed the greatest comic novel of the eighteenth century This study recovers and explores the contexts necessary to understand Fielding's subtle art such as the bloody conflict for the throne between Stuarts and Hanoverians a contradictory class system game laws that both protected and flouted individual property rights and a justice

system that proclaimed hanging for many crimes but let most criminals go Drawing on evidence such as the peculiar appearance of eighteenth century money the fraudulent autobiography of a gypsy king and a magical prayer book illustration the book offers new readings of both Tom Jones and the political and legal landscape of Georgian England *A Gypsy's Christmas Kiss* Dawn Brower, Amanda Mariel ,2018-12-04 Lulia Vasile is the daughter of a Romany princess and an Earl's second son She grew up playing roles in a traveling theater performing at county fairs and has dabbled in fortune telling She makes no apologies for who she is and lives life as she pleases Finley Prescott the Duke of Clare doesn't leave his townhouse unless it's necessary He has responsibilities and people who depend on him All he wants is to disappear from the world He doesn't do well in large gatherings and lacks social graces Fin and Lulia have a history One that neither one has forgotten When they meet again they are drawn together After that chance meeting they share a magical kiss Along the way they discover that sometimes the one thing a person needs isn't what they would expect **The Double Dealer** ,1923 **Notes and Queries** ,1898 *Tom Jones* Henry Fielding,1824 **The history of Tom Jones, a foundling** Henry Fielding,1820
