Muhammad's Mission Tilman Nagel, 2020-07-06 Combining vast erudition with a refusal to bow before the political pressures of the day Muhammad's Mission Religion Politics and Power at the Birth of Islam by Professor Tilman Nagel one of the world's leading authorities on Islam is an introduction to three inseparable topics the life of Muhammad 570-632 CE the composition of the Koran and the birth of Islam While accessible to a general audience it will also be of great interest to specialists since it is the first English translation of Professor Nagel's attempt to summarize a lifetime of research on these topics The Introduction Chapters 1-2 and Appendix 1 provide essential historical background on the Arab tribal system and Muhammad's position within that system the political situation in pre-Islamic Arabia the history of Mecca and pre-Islamic Arabian religions Chapters 3-5 cover the beginnings of the revelations that Muhammad claimed to be receiving from Allah paying special attention to the influence on Muhammad of the hanifs a group of pre-Islamic pagan monotheists attested in the earliest Islamic sources The hanifs claimed to trace their religion back to the putative original monotheism of Abraham from which they claimed Jews and Christians had deviated by among other things abandoning animal sacrifice Chapter 6 explains how Muhammad's religious message included a thinly veiled claim to have the right to political power over Mecca a claim that exacerbated tensions with his own clan and led eventually to his expulsion from Mecca as recounted in Chapter 7 Chapters 8-10 describe the impact of the hijra on the evolution of Islam Seeing himself as the true heir to Abraham and the prophets who followed him Muhammad would demand allegiance from Jews and Christians as recounted in Sura 2 and other Medinan suras He would initiate a war against Mecca not in self-defense but in order to gain control over the Kaaba the central hanif shrine and the new qibla or direction of prayer for the Muslims The Muslim victory at the Battle of Badr in 624 would help to shape a new ideal of a militarized religiosity in which those who waged war under Muhammad's command would attain the rank of true believers while those converts who refused to make hijra and to fight for Muhammad were relegated to the lower rank of mere Muslims as Suras 8 and 49 make clear Muhammad's war against Mecca alienated many of his Medinan followers the ansar The refusal of the Jews to convert to Islam combined with the close connection of the Jews to the ansar led Muhammad to make war on the Jews as well as the Meccans The surrender of Mecca in 630 Chapter 11 did not lead to the end of war for the aggressiveness and military success of Muhammad's

movement had made it attractive to a slew of new converts whose desire for booty had to be placated Sura 9 promulgated near the end of Muhammad's life served as a broad declaration of war against polytheists Jews and Christians Chapter 12 describes the evolution of Islam late in Muhammad's life into a religious warriors movement that sought to extend the rule of Islam over the entire inhabited world Chapter 13 covers the final pilgrimage and death of Muhammad while Chapters 14-20 describe the development of Islamic dogma surrounding the figure of Muhammad and its implications for politics in the Islamic world and interfaith relations with non Muslims up till the present day The book concludes with appendices in which Nagel summarizes the state of scholarship regarding the life of Muhammad Appendix 2 and the tensions between competing varieties of Muslim recollection of Muhammad Appendix 3 Muhammad's Mission Religion Politics and Power at the Birth of Islam is an erudite and authoritative guide to events of world historical importance by a scholar who has spent a lifetime mastering the primary sources documenting the birth of Islam

Pandora's Box Alan Davis, 2022-03-23 Unlike the typical novels PANDORA'S BOX TRILOGY are hybrid books combining fiction and history The fictional story revolves around life lessons and my past experiences The trilogy I've created is unique because it doesn't matter what order they're read in Each book can stand on its own and provides enough detail that knowledge of the other books isn't necessary Although they have some of the same main characters throughout the series each book has a story and writing style different from the rest As readers move on to the other books in the series they'll find connections that are very stimulating and give them a deeper understanding of the characters and life lessons they previously learned

PANDORA'S BOX TRIFORCE is an alternative world fiction book Darth goes on a quest for the Infinity Stone Unforeseen circumstances occur that cripples and almost kills him He ends up in a foreign land that's been plagued by evil While recovering his health Darth greatly improves the quality of life for the people The royals get wind of him and haul Darth away to become an indentured servant They do everything in their power to break him Sunita Lady of the Berkana arrives soon after as the sage representative With her magic and wisdom Sunita helps prepare for the Sacred Ordeal to rid the land of evil With the help of Darth she also reveals the corruption destroying the kingdom
