Our Only Comfort Stephen C. Shaffer,2021-04-20 In a fast paced world full of distractions how do we create space to have conversations about faith Parents long to talk about Jesus with their children but are unsure where to begin Families want to slow down and reconnect with what matters most but struggle to squeeze anything into already busy schedules Teens and adults desire to go deeper in their faith but are filled with unanswered questions In Our Only Comfort Rev Stephen Shaffer provides individuals and families with a helpful structure for growing in Christian faith In a series of 364 daily devotions Our Only Comfort will take families young adults and new believers through the core teachings of the Christian faith through the lens of the Heidelberg Catechism Wrestling through questions like Who is Jesus How do I pray and What does it mean to keep the Ten Commandments these short devotions create opportunity for conversations about faith between parents and children and provide nourishment for faith to grow The holy Bible, in the common version, with amendments of the language, by N. **'The Real Scriptures' of God** James Platter,2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about
