Lord Rochesters Monkey:

Lord Rochester's Monkey Graham Greene, 1974 John Wilmot Second Earl of Rochester 1647 1680 was the most notorious of the Restoration rakes He was also a fine lyrical and satirical poet whose work in Graham Greene s opinion has been underestimated because it was overshadowed by his life of lechery and drunkenness wild pranks and practical jokes and death bed repentance At Court King Charles II suffered but respected Rochester s biting satires joined in some of his erotic escapades forgave his embarrassing japes and rewarded him with distinctions The heiress Elizabeth Mallet succumbed to his charm eloped with him and remained constant though not always happy throughout thirteen years of marriage Elizabeth Barry his favorite mistress owed to him her success on the stage and gained his sincere devotion Yet the last thirteen years of Rochester s short life were clouded by the fumes of drink and were marked by outrageous buffoonery an abortive duel and literary quarrels that threatened to wreck his undoubted gifts of friendship These notorious episodes no less than the religious scruples that culminated in his deathbed call to Dr Burnet in 1680 characterize the mental and psychological conflict which was the source of Rochester s finest poetry His friend Etherege depicted him in the stage character of Dorimant I know he is a Devil but he has something of the Angel yet undefac d in him Dust jacket

Greene in the 1930s Andrew Purssell, 2025-08-12 Graham Greene in the 1930s presents a major new reading of Greene s literary works and critical writings from the 1930s a period of increasing academic interest and importance Greene s works from this period encompass a wide range of forms genres and media capturing the richness and variety of British literary culture between the wars they also reveal its urgent preoccupations and challenges such as the era defining concern with the relationship between politics and art and a corresponding fascination with modernity and mass culture as well as the shifting status of literature itself during the first true media age Graham Greene in the 1930s investigates this major twentieth century author s less considered early works in their original literary historical contexts and in the context of new critical approaches to the decade s literature and culture from the reconsideration within modernist studies of the kinds of interwar writing with its characteristic movement between genres and experimentation typified by early Greene to the current focus on the long 1930s which has seen the decade repositioned at the heart of twentieth century British literary history This book establishes the compelling intersections between early Greene and the literature of the 1930s It puts Greene at the centre of an era of profound and continuous transition and of a remarkable period in twentieth century literary history Graham Greene A. F. Cassis, 1981 Covers fifty years of criticism of Graham Greene a leading man of letters on the English literary scene **That Second Bottle** Nicholas Fisher, 2000-12-15 This book focuses on the historical and current place of religion in the Irish education system from the perspective of children s rights and citizenship It offers a critical analysis of the

political cultural and social forces that have shaped the system looking at how the denominational model has been adapted to increased religious and cultural diversity in Irish society and showing that recent changes have failed to address persistent discrimination and the absence of respect for freedom of conscience It relates current debates on the denominational system and the role of the State in education to competing narratives of national identity that reflect nationalist communitarian or republican political outlooks This book will be essential reading for students and researchers in the fields of education policy and Church State relations in Ireland and will also engage non academic audiences with an interest or involvement in Irish education *Blazing Star* Alexander Larman, 2014-07-03 He was THE WICKEDEST MAN ALIVE He went to Oxford
