Lords Of Misrule Poems 1992 2001:

The Lords of Misrule X. J. Kennedy, 2002-11-15 Winner of the Poets Prize The Lords of Misrule X J Kennedy's seventh volume of poetry exhibits his characteristic blend of wit intellectual curiosity and formal mastery The sixty poems collected here explore a wide range of subjects a scathing curse on a sneak thief a wry ballad of Henry James and his not quite lover Constance Fenimore Woolson an elegy for Allen Ginsberg incisive views of contemporary Egypt a serio comic meditation on the relic of St Teresa of Avila which Spain's General Franco kept at his bedside and a response to the events of September 11 Like the controlled frenzy of medieval Christmas festivities presided over by the appointed Lords of Misrule Kennedy's poems possess a chaotic humor and frenetic energy held within tight metrical bounds In his latest collection Kennedy confirms his reputation as one of America's most accomplished and engaging poets

Taking Measure Bernard E. Morris, 2003 Taking Measure surveys the entire writing career of X J Kennedy from his first collection of poetry *Nude Descending a Staircase* to his latest collection *The Minimus Poems* Beginning with a study of the way Kennedy designs his poetry to reflect the poem's subject and tone the book then traces Kennedy's poetic development through each of his poetry publications Concluding the book is a chronology of Kennedy's life and writing history a discussion of the influences on Kennedy's work a list of his publications and of the titles of his poetry and a selected bibliography

J. Kennedy, 2017-04-24 The latest rollicking verse from award winning poet X J Kennedy In this his ninth book of poetry lyric master X J Kennedy regales his readers with engaging rhythm fittingly signaled by the book's title which echoes Duke Ellington's jazz classic It Don't Mean a Thing If It Ain't Got That Swing Kennedy's poems infused with verve and surprise are by turns irresistibly funny and sharply insightful about life in America Some poems are personal recollections of childhood and growing up as in My Mother Consigns to the Flames My Trove of Comic Books Thomas Hardy's Obsequies tells the bizarre true account of the literary giant's burial Other poems portray memorable characters from Jane Austen Jane Austen Drives to Alton in Her Donkey Trap to a giant land tortoise Lonesome George to a slow witted man hired to cook for a nudist colony Pudge Wescott Kennedy is a storyteller of the first order relating tales of travel to far reaching places from the Galapagos Islands and Tiananmen Square to the hectic back streets of Bamako Mali This wise and clever book is rounded out with adept translations of work by Charles Baudelaire St phane Mallarmé Arthur Rimbaud and others **Ballyhoo** Hastings Hensel, 2019-04-02 A poetry collection that grapples with the tragicomic nature of language memory love work and the performative self Though at times whimsical and witty the poems in Hastings Hensel's Ballyhoo inhabit the world beyond and between the punchline In tightly controlled meditations on language's limits and its necessity as well as on the many forms that humor takes comedy laughter farce clowning parody and more Hensel navigates fine lines between joy and sadness jokes and cruelty reality and illusion and irony and sincerity

Universal in scope the 47 poems in Ballyhoo are richly idiomatic and evocative They are also frequently grounded in the southern Atlantic coast with its particular ecology characters history and myth The pleasure in reading these poems comes from the original connections Hensel makes between the literary and the gritty an elegy set in a bait shop Twelfth Night s Feste delivering a monologue in a bar a villanelle about a murder on a cruise ship These intelligent insightful poems remind us of the frail but important relationships between comedy memory and identity Ballyhoo offers a sobering examination of the tragicomic nature of the world

Future Perfect Charles Martin, 2018-04-11 The latest dazzling collection of poems from Charles Martin a modern poet working within the possibilities of traditional measures To be modern is to live not in a single era but in a churn of new technologies deep history myth literary traditions and contemporary cultural memes In Future Perfect Charles Martin s darkly comic new collection the poet explores our time and the times that come before and after which we inhabit and cultivate in memory and imagination Through poems that play with form and challenge expectation Martin examines the continuities that persist from time immemorial to the future perfect Sensitive to the traces left behind by the lives of his characters Martin follows their tracks reflections echoes and shadows In From Certain Footprints Found at Laetoli an ancient impression preserved in volcanic ash conjures up a family scene three million years past In The Last Resort of Mr Kees and Mr Kees Goes to a Party Martin adopts the persona of the vanished poet Weldon Kees to reimagine his disappearance Letter from Komarovo 1962 retells the tense real life meeting between Anna Akhmatova and Robert Frost a year before their nations almost destroyed one another And in the titular sonnet sequence that ends the book Martin conjures a childhood in the Bronx under the shadow of the mushroom cloud of nuclear war as the perfected future supplanting the present Introducing Buck Rogers to Randall Jarrell and combining new translations or reinterpretations of works by Ovid G G Belli Octavio Paz and Euripides Future Perfect further establishes Charles Martin as a master of invention

Pure Products of America, Inc. John Bricuth, 2015-11-15 The poetic life and times of Big Bubba equal parts

charismatic trickster and tent revival preacher This propulsive narrative poem tells the extended story of the popular born again televangelist Ray Bob Elray better known to all his fans as Big Bubba his twin sons Nick and Jesse and his niece and adopted daughter Donna The comic tragedy of Big Bubba s family begins to unfold when he is interviewed by an old friend country radio disc jockey Charlie Printwhistle Bubba has come to Waco Texas to preach a revival but soon reveals to Charlie much about his complicated relationship with his family his ambitions for the ministry his faith healing and his most recent venture with Pure Products of America Inc which produces and endorses anything pure from Bibles to jelly preserves for a whopper of a fee of course Structured as a verse play of two acts composed of three scenes each Pure Products of America Inc follows the unwinding of Bubba s legacy as his heirs fall out and his already slippery relationship with religion is tested by genuine grief Along the way master poet John Bricuth treats readers to a sly sarcastic and sometimes deeply moving look at storytelling old time religion and the American way *The Night Guard at the Wilberforce Hotel* Daniel

Anderson,2014-04-21 In his third collection of poems Daniel Anderson ponders and celebrates the images sounds and tastes of contemporary life The poems in *The Night Guard at the Wilberforce Hotel* navigate the evanescent boundaries between the public and the private self Daniel Anderson s settings are often social but never fail to turn inward drowning out the chatter of conversation to quietly observe the truths that we simultaneously share and withhold from one another even as we visit friends celebrate a young couple s union or eavesdrop on the conversations of others These twenty poems include meditations on teaching hungover undergraduates wine tasting among snobs and engaging the war on terror from the comfort of the suburbs They are alternately driven by ornamental language that seeks to clarify and crystallize the beauties of our common world and the poet s faith that fellowship ultimately trumps partisanship Even as they weigh and measure the darkness of the heart and the sometimes rash and stingy movements of the mind the poems refrain from pronouncing judgment on their characters As much as they ponder they also celebrate in exact careful and loving terms the haunting and bracing stimuli from which they originate *Couldn't Prove, Had to Promise* Wyatt Prunty,2015-05 Funny raw and colorfully musical Nodplays what teeters like a tuning fork *The View We're Granted* Peter Filkins,2012-08-15 These poems consider large events such as 9 11 and the Holocaust as well as everyday concerns like quilting ice skating or the beauty of a stand of sugar maples in winter Co Winner of the Sheila Motton Book Award of the New England Poetry Club In the pivotal poem

Marking Time which appears almost exactly halfway through Peter Filkins s fourth collection of poetry the speaker reflects on the death of a sibling and how time is marked by our memories These memories these moments whether spent contemplating a painting by Vermeer or the simple toss of a bean bag ultimately shape who we are Yet you are with me here with me here again where neither that moon nor you exist but live tethered to this memory composed of words These are poems unafraid to be graceful and engaging They attain an assurance and stability rare in contemporary poetry while their careful balance of sadness and joy reminds the reader of the difficult negotiations we make in life *In Late Light* Brian

Swann,2013-05-15 From a stone to fireflies from childhood to growing old Brian Swann's poems contemplate the moments and individual objects that create a whole life and our relationship to them There is a clearing by a certain stone where images flow and are worth stopping for I have stayed there almost all day in silence until night remembered what belonged to it and its shadows started to take back its own I've found it hard to walk away as starlight infused daisies and the stone itself began to feel like a star so although what I have done with my life may not be much for a while it seemed to be in line The poems of *In Late Light* situate objects and experiences both large and small concrete and abstract within Brian Swann's perspective of the natural world Sixty two poems presented in four sections explore his life from early days to the present evoking friends and family on two continents His sharp bright imagery affirms the unique beauty of our world and explores its invisible mysteries

Revenge and Forgiveness Patrice Vecchione,2004-04 When you seek revenge dig two graves Anonymous A poetry anthology for teens on a perennially important topic Acclaimed anthologist and teacher Patrice Vecchione has put together an immensely powerful group of poems all of which address the timeless and uniquely human desires for revenge and for forgiveness The events of September 11th inspired this book I wanted to create a tangible forum a book to hold in our hands to help frame and think not just about terrorism but about who we are as individuals and who we are as a country It's been gestating in me for all this time Finding these poems was like turning little lights on to illumine the dark How can beauty be made out of ugliness and fear Can it rise from ash Patrice Vecchione *Water / Music* Peter Filkins,2021-04-06 A diverse display of formal dexterity narrative power and lyrical resonance Peter Filkins's latest collection of poems explores the fraught relationship between the natural world and the human Exploring the space between nature and culture the poems of *Water Music* anchor themselves in the timely and the timeless Rich and diverse in their formal intricacy they move with ease from narrative to meditation from close physical observation to the haunts of memory and from lyric sorrow to the pleasure of living in the world *Water Music* embraces and celebrates life's mystery and the soul's repose amid talismans at twilight the whirl of birds
